FOREWORD

The Constitution requires each house of the General Assembly to keep a Journal of its proceedings. The Journal is intended to assure a public account of legislative activity and constitutes the final official record of action by the General Assembly.

Under the provisions of Section 6.161, 6.162 and 57.151 of the *Kentucky Revised Statutes,* the Legislative Research Commission is responsible for comparing, editing, correcting, and publishing the Journals as approved by each house of the General Assembly. This volume represents the fulfillment of this obligation for the House of Representatives of 1984.

The text of a bill is spread in full when it receives a first reading. The roll call on passage of a bill is indicated upon its receipt of a third reading, or upon concurrence by the originating house in amendments by the second house. Simple and concurrent resolutions are printed on first reading when applicable or when adopted, and joint resolutions are treated as bills. A table of actions on bills and resolutions is appended.

Mrs. Shan Stone Gray, Mrs. Jeanne Wallace, Mrs. Jenny May and Mrs. Delores Dearborn prepared the 1984 House Journal. The edited copy and index found in this volume reflect the cooperative efforts of the commission's staff.

HB 703, AN ACT relating to local development.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

As used in this Act, unless the context otherwise requires:

(1) "Qualified investment" means new stock or a new partnership interest in a qualified entity, which stock or interest is purchased solely for cash by the taxpayer.

(2) "New stock" means a share or shares of stock of a corporation if the stock, when purchased by the taxpayer, is authorized but unissued.

(3) "New partnership interest" means either a general or a limited partnership interest in a limited partnership if the interest is acquired by the taxpayer from the limited partnership.

(4) "Qualified entity" means the local development corporation, and any other corporation or limited partnership in which the local development corporation purchases new stock or a new interest pursuant to Section 6 of this Act.

(5) "Local development corporation" means the corporation organized pursuant to Sections 6 and 7 of this Act.

(6) "State tax liability" means a taxpayer's total tax liability that is incurred under:

(a) KRS 141.020, individual income tax;

(b) KRS 141.040, corporate income tax;

(c) KRS 136.270(1), state bank shares tax;

(d) KRS 132.020(2), state tax on intangible personal property;

(e) KRS 136.310, savings and loan association tax; and

(f) KRS 136.330, insurance premiums tax;

as computed after the application of the credits, except the credits provided by this Act, that the taxpayer uses to reduce that liability.

(7) "Taxpayer" means any person, corporation, partnership, or other entity that has any state tax liability.

(8) "County judge/executive" means the county judge/executive or the chief executive officer of an

urban-county government.

SECTION 2. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

Subject to Section 5 of this Act, a taxpayer is entitled to a credit against any state tax liability which may be imposed on the taxpayer for a particular taxable year that begins after December 31, 1984, if the taxpayer purchases a qualified investment in a qualified entity. However, a taxpayer may only receive a credit for qualified investments purchased within three (3) years of the creation of the local development corporation.

SECTION 3. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

Subject to Section 5 of this Act, the amount of the credit that a taxpayer may receive under this Act for a particular taxable year is equal to the lesser of the taxpayer's state tax liability for that taxable year, or the amount determined in step three of the following steps:

Step one: Add the consideration paid for all qualified investments the taxpayer purchased during that taxable year;

Step two: Multiply the amount determined in step one by three-tenths (.3): and

Step three: Add the product determined in step two to the credit carryover, if any, to which the taxpayer is entitled for that taxable year under Section 6 of this Act.

SECTION 4. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

If the amount determined under steps one through three of Section 3 of this Act for a particular taxpayer and a particular taxable year exceeds the taxpayer's state tax liability for that taxable year, then the taxpayer may carry the excess over to the immediately succeeding taxable years. However, the credit carryover may not be used for any taxable year that begins on or after January 1, 1990. The amount of the credit carryover from a taxable year shall be reduced to the extent that the carryover is used by the taxpayer to obtain a credit under this Act for any subsequent taxable year. A credit based on a qualified investment purchased during 1984 shall be a credit carryover to taxable years that begin after 1984.

SECTION 5. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

The total amount of credits allowed under this Act may not exceed in the aggregate two million dollars ($2,000,000) for each local development corporation for all taxpayers making qualified investments in such corporation and all taxable years. The aggregate amount of consideration paid by all taxpayers for qualified investments in a particular qualified entity, other than the local development corporation, which may be used by all those taxpayers as a basis for credits under this Act, may not exceed an amount equal to five (5) times the amount of consideration paid by the local development corporation for new stock or a new partnership interest in the qualified entity. The local development corporation shall administer the provisions of this section and shall issue the forms required by Section 14 of this Act only to the extent consistent with the limits in this section. If aggregate consideration paid for qualified investments which would otherwise qualify for the credit provided by this Act exceeds the limits imposed by this section, the credit shall be allowed to taxpayers in the order of the time of the purchase of the qualified investments.

SECTION 6. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) To carry out the purposes of this Act, the local development corporation shall be formed under KRS Chapter 271A. The articles of incorporation of the local development corporation shall comply with the provisions set forth in subsections (2) through (6) of this section.

(2) The purpose of the local development corporation shall be solely to raise funds which shall be used to make investments in qualified entities described in subsection (4) of this section; to provide financing to Kentucky business firms; and to make investments in qualified entities described in subsection (5) of this section in a manner that will encourage capital investment in the Commonwealth of Kentucky, encourage the establishment or expansion of business and industry in the state, provide additional jobs within the state, and encourage research and development activities.

(3) The directors need not be shareholders in the local development corporation, and there shall be not less than three (3) nor more than seven (7) directors, three (3) of whom shall be persons who have been nominated to be directors by the county judge/executive.

(4) The local development corporation may purchase new stock in a corporation organized under KRS Chapter 271A or may purchase a new partnership interest in a limited partnership that has its principal office located in Kentucky if the corporation or partnership:

(a) Has received a license or a statement of intent to license as a small business investment company from the small business administration of the United States under the small business investment act of 1958, as amended; and

(b) Is organized and operated solely for the purpose of performing the functions and conducting the activities contemplated by the small business investment act of 1958, as amended.

(5) The local development corporation may purchase new stock in a corporation organized under KRS Chapter 271A or may purchase a new partnership in a limited partnership that has its principal office located in Kentucky, and provide financing to entities doing business primarily in Kentucky, including but not limited to minority businesses, corporations and partnerships, to be used solely for the purpose of enhancing the production capacity of the entity or the ability of the entity to do business in Kentucky. The financing may include any or a combination of equity investments, loans, guarantees, and commitments for financing, and the amount of financing is unlimited.

(6) No business shall be transacted or indebtedness incurred, except such as shall be incidental to the local development corporation's organization or to obtaining subscriptions to or payment for its shares, until the sum of legally enforceable subscriptions and consideration for shares equals at least five hundred thousand dollars ($500,000). Amounts paid in shall be the initial stated capital of the local development corporation.

SECTION 7. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) The county judge/executive may petition the secretary of the commerce cabinet for the creation of a local development corporation on his own initiative or on suggestion of the secretary of the commerce cabinet or any other interested party. The petition shall be accompanied by a draft copy of the articles of incorporation of the proposed corporation and other information that the secretary of the commerce cabinet deems appropriate. The secretary of the commerce cabinet shall consult with the secretary of the revenue cabinet and shall, within ninety (90) days of the receipt of the application, render a decision approving or disapproving the creation of the local development corporation.

(2) Following the approval of the secretary of the commerce cabinet, the county judge/executive may cause the local development corporation to be formed, and he shall designate the incorporators and the first board of directors, no more than a simple majority of which may be members of the same political party. The county judge/executive may expend such funds as he deems appropriate for the purpose of organizing the local development corporation and marketing the securities thereof.

SECTION 8. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

The local development corporation is exempt from any and all state tax levies including, but not limited to, the corporate income tax (KRS 141.040) and intangibles tax (KRS 132.020(2)). However, the local development corporation is not exempt from employment taxes or any taxes imposed by a county or by a municipal corporation.

SECTION 9. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) Except as provided in subsection (2) of this section, income that is taxable to a taxpayer who purchased a qualified investment by reason of ownership of the qualified investment is exempt from income tax under KRS 141.020 or 141.040.

(2) The exemption provided under subsection (1) of this section shall not apply to any income realized by reason of the sale or other disposition of the qualified investment.

SECTION 10. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

Any taxpayer is exempt from any tax to the extent that the tax is based on or measured by the qualified investment, including, but not limited to, any tax which might otherwise be imposed with respect to the qualified investment under the intangibles tax (KRS 132.020(2)), the bank tax (KRS 136.270(1)), and the savings and loan association tax (KRS 136.310).

SECTION 11. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

If a qualified investment which is the basis for a credit under this Act is redeemed by the qualified entity within five (5) years of the date it is purchased, the credit provided by this Act for the qualified investment shall be disallowed, and any credit previously claimed and allowed with respect to the qualified investment so redeemed shall be paid to the revenue cabinet with the appropriate return of the taxpayer covering the period in which the redemption occurred. When payments are made to the cabinet under this section, the amount collected shall be handled in exactly the same manner as if no credit had been allowed.

SECTION 12. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

(1) A credit to which a taxpayer is entitled under this Act shall be applied against taxes owed by the taxpayer in the following order:

(a) First, against the taxpayer's income tax liability under KRS 141.020 or 141.040 for the taxable year;

(d) Fourth, against the taxpayer's insurance premiums tax liability under KRS 136.330 for the taxable year.

(2) Whenever the tax paid by the taxpayer under any of the tax provisions listed in subsection (1) of this section is a credit against the liability or a deduction in determining the tax base under another Kentucky tax provision, the credit or deduction shall be computed without regard to the credit to which a taxpayer is entitled under this Act.

SECTION 13. A NEW SECTION OF KRS CHAPTER 154 IS CREATED TO READ AS FOLLOWS:

To receive the credit provided by this Act, a taxpayer must:

(1) Claim the credit on the taxpayer's annual state tax return or returns in the manner prescribed by the revenue cabinet; and

(2) File with the revenue cabinet and with the taxpayer's annual state tax return or returns a copy of the form issued by the local development corporation as to the qualified investment by the taxpayer, which shall include an undertaking by the taxpayer to report to the revenue cabinet any redemption of the qualified investment, if the redemption is covered by Section 11 of this Act.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 100.127 is amended to read as follows:

(1) All agreements for joint or regional planning units shall be in writing, and shall describe the boundaries of the area involved, and shall contain all details which are necessary for the establishment and administration of the planning unit in regard to planning commission organization, preparation of plans, and aids to plan implementation. Approval of the agreement shall be by *resolution* [~~regulation~~] and the agreement shall be executed by the parties to the agreement, and filed in the office of the county clerk of all counties which are parties to the agreement or which contain a city which is a party to the agreement. The county clerk may charge a fee of two and one-half dollars ($2.50) for the filing of the agreement. Combination under this subsection shall be permitted notwithstanding the fact that the governmental units are also involved in area planning under KRS 147.610 to 147.705. Combined planning operations shall be jointly financed, and the agreement shall state the method of proration of financial support. *Pursuant to Section 3 of this Act, the legislative body of any city, county or urban-county government may levy a tax not exceeding five cents (5) upon each one hundred dollars ($100) of assessed valuation of property within the city, county or urban-county government affected, for the purposes of financing, in whole or in part, any joint or regional planning operations, including but not limited to, planning commission operations and activities, plan preparation, and zoning administration.*

(2) Agreements for planning units shall be in existence as long as at least two (2) of the original signators are operating under the combination despite the fact that other signators have withdrawn from the unit. In addition, any enlargement of a unit may be accomplished under the existing agreement by filing a copy of the agreement in the office of the county clerk of all member counties along with a statement as to when it was admitted to the unit. The clerk may charge a fee of two and one-half dollars ($2.50) for the filing.

(3) If the planning unit, or any part thereof, has adopted regulations for historical districts under KRS 100.201 and 100.203, the planning agreement may provide for the creation of a three (3) or five (5) member board to advise the zoning administrator regarding issuance of permits in such districts, the board being guided by the standards and restrictions of the community's comprehensive plan and by the historical district regulations adopted by the planning unit.

Section 2. KRS 100.177 is amended to read as follows:

The legislative bodies in the planning unit may appropriate out of general revenues for the expenses and accommodations necessary for the work of the commission, *and pursuant to Section 3 of this Act, the legislative body of any city, county or urban-county government in a planning unit may levy a tax not exceeding five cents (5) upon each one hundred dollars ($100) of assessed valuation of property within the city, county or urban-county government affected, for the purposes of financing, in whole or in part, the costs of planning and zoning operations and activities.* Any planning commission shall have the right to receive, hold, and spend funds which it may legally receive from any and every source both in and out of the commonwealth of Kentucky, including the United States government, for the purpose of carrying out the provisions of this chapter. All bylaws shall describe the method for administration of funds, and an annual audit shall be performed of all receipts, expenditures, and funds on hand by an official of any city or county which is a member of the unit, or by an accountant. The report of every audit, including financial statements, shall be kept in the same manner prescribed in this chapter for other records.

SECTION 3. A NEW SECTION OF KRS 100.331 TO KRS 100.991 IS CREATED TO READ AS FOLLOWS:

(1) Notwithstanding the provisions of KRS 68.245 and 132.027 respecting compensating tax rates, the legislative body of any city, county or urban-county government, except as provided in subsection (2) of this section, may levy a special property tax not exceeding five cents (5) upon each one hundred dollars ($100) of assessed valuation of property within the city, county or urban-county government affected, to finance, in whole or in part, the planning and zoning functions and activities of the planning unit to which the city, county or urban-county government belongs. The levy shall be imposed by ordinance.

(2) If the fiscal court of a county has entered into a joint planning agreement pursuant to KRS 100.121, and the fiscal court subsequently levies a tax pursuant to subsection (1) of this section, then no city within the county may levy such tax until such time as the county fiscal court repeals its levy.

(3) Prior to final passage of an ordinance levying the special tax as provided in subsection (1) of this section, the legislative body imposing such tax shall hold at least one (1) public hearing on the proposed levy. Public notice of the hearing shall be in accordance with the provisions of KRS Chapter 424.

(4) When the legislative body of a city, county or urban-county government has enacted an ordinance levying a special tax pursuant to subsections (1) and (3) of this section, and when a petition protesting the levy is signed by a number of registered and qualified voters equal to twenty-five percent (25%) of the voters voting in the last presidential election and is presented to the county clerk or his authorized deputy or to the legislative body of such city, county or urban-county government, then the legislative body shall cause the question as to whether such tax levy shall be repealed, to be submitted to the voters of such city, county or urban-county government at the next regular election. The question shall be so framed that the voter may by his vote answer "for" or "against." If a majority of the votes cast upon the question are "for" repeal, then the tax levy shall be repealed. If a majority of votes cast upon the question are "against" repeal, then the tax levy shall not be repealed. The board or boards of registration in the county shall give necessary and appropriate aid to the county clerk so that he may make conclusive determination of whether the petition contains enough valid signatures to require election.

(5) Nothing contained in Sections 1, 2 and 3 of this Act shall be so construed as to prohibit any city, county or urban-county government from providing any funds to finance, in whole or in part, local planning and zoning functions and operations, nor shall any city, county or urban-county government levying a tax pursuant to subsection (1) of this section be prohibited from appropriating additional funds to finance and to support its local planning and zoning operations and functions.

(2) Whenever any city, county or urban-county government creates an independent planning unit, the boundaries of the planning unit shall be coterminous with the political boundaries of the creating entity; provided, however, the territory of any incorporated city within a county shall not be included within the boundaries of an independent planning unit which has been created by such county. The political subdivisions which have been interrogated shall have sixty (60) days in which to answer in writing and the city may assume that the answer is negative if no response is received within the sixty (60) days. If the county answers in the negative, then the city may engage in an independent planning operation. If the county responds affirmatively, then a joint planning unit shall be established, and no city located in such county may form an independent planning unit. (3) Whenever the legislative body of any county which is a signatory of a joint planning unit agreement levies a special property tax as provided in Section 5 of this Act, any property located within any incorporated area within the county shall not be subject to such special property tax levied by such county.

Section 3. KRS 100.127 is amended to read as follows:

(1) All agreements for joint or regional planning units shall be in writing, and shall describe the boundaries of the area involved, and shall contain all details which are necessary for the establishment and administration of the planning unit in regard to planning commission organization, preparation of plans, and aids to plan implementation. Combination under this subsection shall be permitted notwithstanding the fact that the governmental units are also involved in area planning under KRS 147.610 to 147.705. Combined planning operations shall be jointly financed, and the agreement shall state the method of proration of financial support. *The legislative body of any city, county or urban-county government that is a signatory to a joint or regional planning agreement, may provide for that governmental unit's share of the combined financial support from funds available to such governmental unit, including, but not limited to, tax revenues as provided in Section 5 of this Act.*

(2) Agreements for planning units shall be in existence as long as at least two (2) of the original signators are operating under the combination despite the fact that other signators have withdrawn from the unit. In addition, any enlargement of a unit may be accomplished under the existing agreement by filing a copy of the agreement in the office of the county clerk of all member counties along with a statement as to when it was admitted to the unit. The clerk may charge a fee of two and one-half dollars ($2.50) for the filing.

(3) If the planning unit, or any part thereof, has adopted regulations for historical districts under KRS 100.201 and 100.203, the planning agreement may provide for the creation of a three (3) or five (5) member board to advise the zoning administrator regarding issuance of permits in such districts, the board being guided by the standards and restrictions of the community's comprehensive plan and by the historical district regulations adopted by the planning unit.

Section 4. KRS 100.177 is amended to read as follows:

The legislative bodies in the planning unit may appropriate out of general revenues for the expenses and accommodations necessary for the work of the commission, *and pursuant to Section 5 of this Act, the legislative body of any city, county or urban-county government in a planning unit may levy a tax for the purposes of financing, in whole or in part, the costs of planning and zoning operations and activities.* Any planning commission shall have the right to receive, hold, and spend funds which it may legally receive from any and every source both in and out of the commonwealth of Kentucky, including the United States government, for the purpose of carrying out the provisions of this chapter. All bylaws shall describe the method for administration of funds, and an annual audit shall be performed of all receipts, expenditures, and funds on hand by an official of any city or county which is a member of the unit, or by an accountant. (1) Notwithstanding the provisions of KRS 68.245 and 132.027 respecting compensating tax rates, the legislative body of any city, county or urban-county government, that has established an independent

planning unit as provided in KRS 100.117, or that has entered into a joint planning agreement pursuant to KRS 100.121, or that has entered into a regional planning agreement pursuant to KRS 100.123, may levy, subject to the provisions of subsections (2), (3), (4) and (5) of this section, a special property tax not exceeding two cents (2) upon each one hundred dollars ($100) of assessed valuation of property within the city, county or urban-county government affected, to finance, in whole or in part, the planning and zoning functions and activities of the planning unit to which the city, county or urban-county government belongs. The levy shall be imposed by ordinance, and such levy shall go into effect forty-five (45) days after passage of such ordinance.

(2) If the fiscal court of a county levies a tax pursuant to subsection (1) of this section, then such tax shall be levied only upon property located within the unincorporated territory of such county. If the legislative body of any city or urban-county government levies a tax pursuant to subsection (1) of this section, then the tax shall be levied only upon property within the territory of such city or urban-county government.

(3) Prior to passage of an ordinance levying the special tax as provided in subsection (1) of this section, the legislative body proposing to levy such tax shall hold at least one (1) public hearing on the proposed levy. Public notice of the hearing shall be in accordance with the provisions of subsection (4) of this section.

The legislative body of such city, county or urban-county government shall cause the question as to whether such tax levy shall be repealed, to be submitted to the voters of such city, county or urban-county government at the next regular election. Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 342.710 is amended to read as follows:

(1) One of the primary purposes of this chapter shall be restoration of the injured employe to gainful employment. To this end there is hereby created a rehabilitation panel which shall be composed of the director and specialists in medical and vocational rehabilitation to be appointed by the board.

(2) The panel shall continuously study the problems of rehabilitation, both physical and vocational, and shall investigate and maintain a directory of all rehabilitation facilities, both private and public. The board in consultation with the panel, shall approve as qualified such facilities, institutions and physicians as are capable of rendering competent rehabilitation service to seriously injured employes. No facility or institution shall be considered as qualified unless it is specifically equipped to provide rehabilitation services for persons suffering either from some specialized type of disability or general type of disability within the field of occupational injury and is staffed with trained and qualified personnel, and with respect to physical rehabilitation, unless it is supervised by a physician qualified to render such service. No physician shall be considered qualified unless he has had the experience and training specified by the board.

(3) An employe who has suffered an injury covered by this chapter shall be entitled to prompt medical rehabilitation services for whatever period of time necessary to accomplish physical rehabilitation goals which are feasible, practical, and justifiable. When as a result of the injury he is unable to perform work for which he has previous training or experience, he shall be entitled to such vocational rehabilitation services, including retraining and job placement, as may be reasonably necessary to restore him to suitable employment. In all such instances, the board shall inquire whether such services have been voluntarily offered and accepted. The board on its own motion, or upon application of any party or carrier, after affording the parties an opportunity to be heard, may refer the employe to a qualified physician or facility for evaluation of the practicability of, need for, and kind of service, treatment or training necessary and appropriate to render him fit for a remunerative occupation. Upon receipt of such report, and after affording the parties an opportunity to be heard by the panel, the board, in consultation with the panel, may order that the services and treatment recommended in the report, or such other rehabilitation treatment or service the board may deem necessary, be provided at the expense of the defendants as apportioned in the award. Vocational rehabilitation training, treatment or service shall not extend for a period of more than fifty-two (52) weeks except in unusual cases when by special order of the board, after hearing and upon a finding, determined by sound medical evidence which indicates such further rehabilitation is feasible, practical and justifiable, the period may be extended for additional periods.

(4) Where rehabilitation requires residence at or near the facility or institution, away from the employe's customary residence, reasonable cost of his board, lodging or travel shall be paid for by the defendants.

(5) Refusal to accept rehabilitation pursuant to an order of the board shall result in a fifty percent (50%) loss of compensation for each week of the period of refusal.

(6) The board and the rehabilitation panel shall cooperate on a reciprocal basis with the Kentucky *office* [~~bureau~~] of rehabilitation [~~services~~] of the department of education and the employment services of the Kentucky cabinet for human resources. *In the event medical treatment, medical rehabilitation services, or vocational rehabilitation services are purchased for an injured employe by the office of vocational rehabilitation or department for employment services following the defendant's refusal to provide such services, the board, after affording the parties an opportunity to be heard, may order reimbursement of the cost of such treatment or services by the defendants as apportioned in the award.*

(1) Forty percent (40%), not including interest or finance charges, of all payments of money made to any person, partnership, association or corporation upon any agreement or contract, or any series or combination of agreements or contracts, which has for a purpose the furnishing or delivery of cemetery merchandise, which within six (6) months of the date of the contract is not delivered by attachment to the realty and permanent installation or which is not stored in a bonded warehouse with the receipt of ownership issued by the manufacturer in the name of the purchaser and transmitted to the purchaser are held to be trust funds. The person, partnership, association or corporation receiving the payments shall deposit forty percent (40%) of all payments received on a pre-need cemetery merchandise contract in a trust fund account within six (6) months of the date of contract, and forty percent (40%) of all payments received thereafter on said contract shall be deposited in the trust fund account within thirty (30) days after each calendar quarter of operation. The trustee shall be the financial institution holding said funds. All of the interest, dividends, increases or accretions of whatever nature earned by the funds deposited in a trust account shall remain with the principal of such account and become a part thereof, subject to all of the regulations concerning the principal of said fund herein contained.

(2) All trust funds mentioned in this section shall be deposited in the name of the person making said deposits, with the financial institution as trustee, and shall be held together with the interest, dividends, or accretions thereon, in trust, subject to the provisions of this Act. The person at the time of making deposit or investment shall furnish to the financial institution the name of each payor, and the amount of payment on each account for which the deposit or investment is being made.

(3) All forty percent (40%) of payments, not including interest or finance charges, made under the agreement contract or plan are and shall remain trust funds with the financial institution, until the financial institution receives a sworn affidavit from the depositor stating one of the following:

(a) That the delivery of all merchandise by attachment to the realty, or permanent installation of the merchandise has been completed and that there has been full performance of all services called for by the agreement, contract or plan; or

(b) That there has been delivery of all of the merchandise called for by the agreement by storing the same in a bonded warehouse with the receipt of ownership issued by the manufacturer in the name of the purchaser and transmitted to the purchaser.

Upon receiving said affidavit, the financial institution shall remit the funds on deposit for the performed contract, plus interest, to the depositor. Release of funds may also be made pursuant to a request for a refund or cancellation under this Act.

(4) In the event that a purchaser is in default of a pre-need cemetery merchandise contract, the financial institution shall release to the depositor the funds, plus interest, deposited on behalf of the defaulted contract upon receiving from the depositor a sworn affidavit stating that the purchaser is in default of the pre-need cemetery merchandise agreement, the date of the default, an explanation of the default and that the depositor has mailed a copy of the affidavit to the purchaser's last known address at least thirty (30) days prior to said request for release.

(5) Deposits to such funds and the amounts deposited may be commingled, but the accounting

records shall establish a separate account for each prepaid contract and shall show amounts deposited and the income and loss occurring thereon with respect to each contract.

(6) The trustee may rely upon all certifications and affidavits made pursuant to or required by the provisions of this Act, and shall not be liable to any person for such reliance.

(7) In lieu of the trust fund deposits required herein, the person may post with the attorney general, division of consumer protection, a good and sufficient bond by a surety company licensed to do business in Kentucky and in an amount sufficient to cover all payments made by or on account of purchasers who have not received the purchased property and services. This bond shall be held for the benefit of a purchaser, or his or her heir or assign or duly authorized representative, who suffers a loss of money paid pursuant to a pre-need cemetery merchandise contract entered into after the effective date of this Act due to the insolvency of the registrant, or failure to provide the cemetery merchandise called for by contract that has been paid in full and not provided after a ninety (90) day request in writing to do so. If a bond is posted, the attorney general's office shall receive sixty (60) days' written notice in the event of cancellation. On or before the cancellation date, the person shall comply with the trust fund requirements herein or post another good and sufficient bond.

(8) Any person selling a pre-need cemetery merchandise contract shall pay to the attorney general five dollars ($5), for each said contract entered into and all of which fees shall be remitted by the person collecting them to the attorney general at least once each month, and such funds shall be used by the attorney general in administering this chapter.

SECTION 15. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO READ AS FOLLOWS:

(1) If for any reason a person who has entered into a contract for the sale of cemetery merchandise which is paid in full and has made deposits to the trust fund herein required to be made cannot or does not provide the cemetery merchandise called for by the contract after a ninety (90) day request in writing to do so, the purchaser or his heirs or assigns or duly authorized representatives shall be entitled to receive the following: the deposit to the credit of that particular contract, all income those funds have earned; and from the cemetery, the remainder, if any, of the purchase price paid. Written instruction to the trustee to refund the amount of money on deposit, or an affidavit by either the purchaser or one of his heirs or assigns or duly authorized representative, stating that the cemetery merchandise contract is paid in full and after a written request the merchandise was not provided, shall be sufficient authority for the trustee to make refund of the deposit monies to the person submitting the affidavit. The trustee shall not be held responsible for any such refunds made on account of the person's written direction or an affidavit submitted in accord with this section. However, nothing herein contained shall relieve any person from any liability for nonperformance of the contract terms. Except, however, in the event such person cannot deliver the cemetery merchandise sold because of a national emergency, the provision of this paragraph shall not apply.

Section 16. KRS 307.170 is repealed and re-enacted as a new section of KRS Chapter 367 and amended to read as follows:

(1) [~~No person, except a cemetery company or a religious society, municipal corporation or fraternal burial association shall engage in the business of the construction for sale, sale reservation or contract for sale or otherwise commercially deal in the development or sale of mausoleum or underground crypts or columbariums.~~

~~(2)~~] Every person *before engaging in a sale, contract for sale, reservation for sale or agreement for sale* [~~intending to engage in the sale~~] of a mausoleum crypt *within a mausoleum*, underground crypt *within a crypt section*, or columbarium niche *within a mausoleum* prior to the completion of the construction thereof, shall give notice in writing to the *attorney general* [~~department~~] of the commencement of such sale at least thirty (30) days prior thereto *and register with the attorney general. Such registration shall be on forms provided by the attorney general.*

(2)[~~(3)~~] Every person engaged in the sale of a mausoleum crypt, underground crypt or columbarium niche shall commence construction thereof within *twenty-four (24)* [~~thirty-six (36)~~] months of the date of such sale and shall complete such construction within *sixty (60)* [~~seventy-two (72)~~] months of the date of such sale. *A* [~~Failure to so commence or complete construction shall entitle any purchaser, on demand, to recover all sums paid on the purchase price, plus interest thereon at the rate of six percent per annum; provided, however, that any~~] delay caused by strike, *national emergency*, shortage of materials, civil disorder, natural disaster or any like occurrence beyond the control of such person shall extend the time of such commencement and completion by the length of such delay. *This subsection shall not apply to the sale of mausoleum crypts, underground crypts or columbarium niches if there has been any sale in the same project prior to the effective date of this Act. Prior projects shall have commenced construction thereof within thirty-six (36) months of the date of such sale and shall complete construction within seventy-two (72) months of the date of such sale.*

(3) Every person who plans to offer for sale space in a section of a mausoleum or bank of underground crypts prior to its construction shall establish a preconstruction trust account. The trust account shall be administered and operated in the same manner as the merchandise trust account provided for in this

chapter and shall be exclusive of the merchandise trust account or such other trust accounts or funds that may be required by law.

(4) Every person shall place thirty-six percent (36%), not including interest or finance charges, of all payments of money made to any person pursuant to any agreement, contract or any series or combination of agreements or contracts which are for the purchase of sections in a mausoleum, columbarium, or any kind of underground crypt which at the time of the payment of money have not been completely and totally constructed, in a trust fund account in a financial institution within thirty (30) days after each calendar quarter of operations. Excepted therefrom, however, are persons who have constructed in the past their own mausoleum using primarily equipment owned by the self-constructing person and their own personnel with a minimum of subcontracting, and in that event there shall be deposited a minimum of twenty percent (20%) of all payments of money, subject, however, to the actual cost. If, from project to project, their actual cost is in excess of twenty percent (20%), the full cost percentage shall be deposited from project to project, not to exceed thirty-six percent (36%). At the time of notification to the attorney general's office the self-constructing mausoleum person shall also notify the attorney general that he intends to self-construct and the percentage of contribution of trust that is required.

(5) All trust funds mentioned in this section shall be deposited in the name of the person depositing said funds, with the financial institution as trustee, and shall be held together with the interest, dividends, or accretions thereon, in trust, subject to the provisions of this Act. The person at the time of making deposit or investment shall furnish to the financial institution the name of each payor, and the amount of payment on each account for which the deposit or investment is being made.

(6) Deposits to such funds and the amounts deposited may be commingled, but the accounting records shall establish a separate account for each prepaid contract and shall show amounts deposited and the income and loss occurring thereon with respect to each contract.

(7) All payments made to the preconstruction trust fund account shall remain in the trust fund with the financial institution until the financial institution receives a certified statement from the depositor stating that the particular project for which the preconstruction trust fund has been established is totally completed. During the construction stage, trust funds may be withdrawn by presenting the trustee with appropriate evidence of expenditure for construction cost. The trustee shall thereupon disburse monies from the trust fund to pay for the expenses of construction presented for payment.

(8) A trustee may rely upon all certifications and affidavits made pursuant to or required by the provisions of this Act, and shall not be liable to any person for such reliance.

(9) If a mausoleum section or bank of underground crypts is not completed within the time limits set out in this Act, the financial institution acting as trustee, if any, may contract for and cause said project to be completed and paid therefor from the trust account funds deposited to the project's account, paying any balance, less cost and expenses, to the depositor. In the event there is no corporate trustee, or the trustee chooses not to serve in the capacity to complete construction, the attorney general shall appoint a committee to serve as trustees to trust account funds deposited to the project's account, paying any balance, less cost and expenses, to the cemetery company.

(10) If it is determined by the trustee after the expiration of the time of construction set out above that there is not enough money in the trust fund account to complete the project, the trustee shall make a refund of all monies held to all purchasers, or his heirs or assigns, in the amount of the deposit to the credit of their particular contract and all income those funds have earned. The purchasers shall be entitled to receive any remainder of the purchase price paid from the depositor. However, nothing herein contained shall relieve any person from any liability for nonperformance of the contract terms.

(11) If temporary entombment or inurnment is not used, upon written notification to the seller, the personal representative or any purchaser of such space who dies before completion of construction shall be entitled to a refund of all monies paid into the preconstruction trust fund for such space, including any income earned thereon, and from the seller, the remainder of the purchase price paid.

(12) In lieu of the trust fund deposits required herein, the person may post with the attorney general, division of consumer protection, a good and sufficient bond by a surety company licensed to do business in Kentucky and in an amount sufficient to cover all payments made by or on account of purchasers who have not received the purchased property and services. This bond shall be held for the benefit of any purchaser, or his or her heir or assign or duly authorized representative, who suffers a loss of money paid for a preconstructed mausoleum crypt or niche or underground crypt after the effective date of this Act due to the insolvency of the registrant, or failure to construct within the time limits set out herein. If a bond is posted, the attorney general's office shall receive sixty (60) days' written notice in the event of cancellation. On or before the cancellation date, the person shall comply with the trust fund requirements herein or post another good and sufficient bond.

(13) Any person selling preconstruction mausoleum, columbarium or underground crypt contracts shall pay to the attorney general five dollars ($5) for each sale of said contract and all of which fees shall be remitted by the person collecting them to the attorney general at least once each month, and such funds shall be used by the attorney general in administering this chapter.

Every *cemetery company* [~~person~~] offering for sale any mausoleum crypt, underground crypt or columbarium niche shall provide facilities for temporary entombment or inurnment at the cemetery in which the crypt or niche purchased is to be located.

Section 18. KRS 307.160 is repealed and re-enacted as a new section of KRS Chapter 367 and amended to read as follows:

(1) Whenever any contract for sale shall be entered into in which items of cemetery merchandise and rights to interment, inurnment or entombment are included, without allocation of the gross sale price among the items sold, the application of payments received under the contract shall be allocated, first to the right to interment, inurnment or entombment, second to items of cemetery merchandise relating to memorialization and third, to items [~~of cemetery merchandise~~] relating to the disposition of the remains of a dead human being, *including pre-need funeral merchandise and services*, unless some other allocation is clearly provided in the contract.

(2) Any person engaging in a combination sale which involves the sale of any item in addition to the sale of cemetery merchandise or a combination sale which involves the sale of any item in addition to the sale of rights to interment, inurnment or entombment shall be prohibited from increasing the gross sales price of those items which require the lesser trust fund deposit with the purchase of allocating a lesser gross sales price to items which require a higher trust fund requirement

The above said fees shall be remitted to the attorney general at least once each month.

(2) The funds in said account shall be used solely for the purpose of providing restitution to consumers who have suffered precuniary loss in the purchase of a pre-need cemetery merchandise contract or a preconstruction mausoleum, columbarium or underground crypt contract. The fund shall be applied only to restitution that is ordered by circuit court in a lawsuit brought under this Act by the attorney general and which is determined by the attorney general to be noncollectable from the judgment debtor.

(3) Whenever restitution is paid by the fund, the fund shall be subrogated to the amount of such restitution, and the attorney general shall engage in all reasonable post judgment collection steps to collect said restitution from the judgment debtor and reimburse the fund.

(4) The fund shall not be applied toward any restitution for losses in any lawsuit initiated by the attorney general prior to the effective date of this Act.

(2) "Dealer" means any person who:

(a) Imports into this state and stores, or causes to be imported into and stored in this state, gasoline for use, distribution or sale and delivery in this state after it has been stored in this state; provided that the term "dealer" as used in KRS 138.220 to 138.340 shall not include any person who imports gasoline acquired from a refiner or other supplier who, at the time of such importation, is a duly licensed dealer in this state, except as may otherwise be provided under regulations of the department.

HB 933, AN ACT relating to revenue and taxation and declaring an emergency.

WHEREAS, the recent United States Supreme Court decision in *American Bank & Trust Co. v. Dallas County*, __________ U.S. __________, 103 S. CT. 3369 (1983) struck down the Texas bank shares tax because the Texas statute indirectly taxed U.S. obligations; and

WHEREAS, great uncertainty exists as to the impact of that decision on KRS 136.270; and

WHEREAS, the Commonwealth has received numerous claims requesting refunds of such tax based upon the aforesaid United States Supreme Court decision; and

WHEREAS, if the Commonwealth is required to grant such refund claims it will constitute a substantial burden upon the State Treasury and will require the enactment of an immediate and compensating provision to offset such loss in revenue; and

WHEREAS, it is necessary and proper that action be taken to alleviate the uncertainty about the validity of KRS 136.270.

NOW, THEREFORE,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 136.010 is amended to read as follows:

As used in this chapter, unless the context requires otherwise:

(1) "Real property" includes all lands within this state and improvements thereon.

(2) "Personal property" includes every species and character of property, tangible and intangible, other than real property.

(3) "Taxable fair cash value of shares" shall mean the fair cash value of shares of stock of state banks and trust companies incorporated under the laws of this state and of national banks doing business in this state reduced by the influence of tax exempt United States obligations.

(4) "Tax exempt United States obligations" shall include all obligations of the United States exempt from taxation under 31 USC Section 3124(a) or exempt under the United States Constitution or any federal statute including the obligations of any instrumentality or agency of the United States which are exempt from state or local taxation under the United States Constitution or any statute of the United States.

Section 2. 136.270 is amended to read as follows:

(1) *For calendar year 1984 and each year thereafter* an annual tax of *ninety-five cents (95)* [~~eighty-five and one-half cents (85-1/2)~~] on each one hundred dollars ($100) of their fair cash value is hereby imposed *on the taxable fair cash of shares as determined in accordance with subsection (4) of this section* upon the shares of stock of state banks and trust companies incorporated under the laws of this state, and of national banks doing business in this state. The tax shall be paid to the sheriff of the county annually by the banks and trust companies, for and on behalf of the owners of the shares of stock. The tax shall be for state purposes only, and in lieu of all other taxes upon such shares by the state, or any county, city or other taxing district, except as provided in subsections (2) *and (3)*[~~, (3) and (4)~~] of this section.

(2) The county in which the bank or trust company is located may impose a tax *on each* [~~of not exceeding nineteen cents (19) on the~~] one hundred dollars ($100) of the *taxable* fair cash value of [~~the~~] shares *of such bank or trust company, at a rate to be determined by multiplying nineteen cents (19) by a fraction, the numerator of which is the fair cash value of shares of all banks or trust companies within the county and the denominator of which is the taxable fair cash value of shares of all banks or trust companies within the county.*

(3) The city in which the bank or trust company is located may impose a tax *on each* [~~of not exceeding nineteen cents (19) on the~~] one hundred dollars ($100) of the *taxable* fair cash value of the shares *of such bank or trust company, at a rate to be determined by multiplying nineteen cents (19) by a fraction, the numerator of which is the fair cash value of shares of all banks or trust companies within the city and the denominator of which is the taxable fair cash value of shares of all banks or trust companies within the city.*

(4) For calendar year 1984 and each year thereafter, the fair cash value and taxable fair cash value of shares shall be determined in the following manner:

(a) The net worth (capital stock, surplus, undivided profits and reserves for contingencies and other capital reserves) of the bank or trust company as of December 31 of each year shall be determined.

(c) On or before September 1 of each year, the revenue cabinet shall provide to the banking industry the capitalization rate developed from the previous year's annual reports of banks and trust companies submitted to the cabinet. The rate shall be determined as follows:

1. Determine the ratio of each bank's five (5) year average net income to the previous year's net *worth;*

2. *Rank the resulting ratios; and*
3. *The medium ratio shall be the capitalization rate.*

(d) The results of the computation in paragraphs (a) and (b) of this subsection shall be added and the sum divided by two (2) to determine fair cash value. From fair cash value shall be subtracted the influence of tax exempt United States obligations to determine taxable fair cash value of shares subject to the annual tax. The influence of tax exempt United States obligations is to be determined from the reports of condition and income filed with the applicable supervisory agency as follows: the average amount of tax exempt United States obligations for the calendar year, over the average amount of total assets for the calendar year multiplied by the fair cash value.

(5) In any extraordinary case where application of the formula provided by subsection (4) of this section will result in an inequitable or erroneous assessment, either with respect to the bank or the Commonwealth, the fair cash value and taxable fair cash value of shares shall be determined in accordance with other recognized criteria.

SECTION 3. A NEW SECTION OF KRS CHAPTER 136 IS CREATED TO READ AS FOLLOWS:

(1) In the event any state bank and trust company incorporated under the laws of this state or national bank doing business in this state, receives a favorable ruling of the final court to review the question of whether the pre-1984 language of KRS 136.270 regarding taxation of bank shares is deficient by permitting direct or indirect taxation of tax exempt United States obligations, all state bank and trust companies or national banks shall be considered as having timely filed for a refund of tax remitted on that portion of shares valuation attributable to tax exempt United States obligations previously reported for the calendar years 1981, 1982 and 1983. In such case, all state bank and trust companies or national banks shall be subject to a one time annual tax of one dollar and thirty-eight cents ($1.38) on each one hundred dollars ($100) of the taxable fair cash value of the shares of stock as determined in accordance with subsection (4) of KRS 136.270. The tax shall replace the annual tax imposed in KRS 136.270(1) for the calendar year in which the refunds are authorized by the revenue cabinet provided the refunds are authorized prior to July 1. Should the refunds be authorized subsequent to July 1, the one (1) time annual tax shall become effective in the following calendar year. The tax shall be paid to the sheriff of the county by banks and trust companies, for and on behalf of the owners of the shares of stock. The tax shall be for state purposes only, and in lieu of all other taxes upon such shares by the state, or any county, city, or other taxing district, except as provided in subsections (2) and (3) of this section.

(2) The county in which the bank or trust company is located may impose a tax on each one hundred dollars ($100) of the taxable fair cash value of shares of such bank or trust company, at a rate to be determined by multiplying nineteen cents (19) by a fraction the numerator of which is the fair cash value of shares of all banks or trust companies within the county plus the fair cash value of the pre-1984 shares valuation of all bank or trust companies within the county attributable to the influence of tax exempt United States obligations subject to refund and the denominator of which is the taxable fair cash value of shares of all banks or trust companies within the county. The tax rate shall replace the tax rate provided for in KRS 136.270(2) only for the calendar year in which the refunds set forth in subsection (1) of this section are authorized by the county provided the refunds are authorized prior to July 1. Should the refunds be authorized subsequent to July 1, the tax rate shall go into effect in the following calendar year.

(3) The city in which the bank or trust company is located may impose a tax on each one hundred dollars ($100) of the taxable fair cash value of shares of such bank or trust company, at a rate to be determined by multiplying nineteen cents (19) by a fraction the numerator of which is the fair cash value of shares of all banks or trust companies within the city plus the fair cash value of the pre-1984 shares valuation of all banks or trust companies within the city attributable to the influence of tax exempt United States obligations subject to refund and the denominator of which is the taxable fair cash value of shares of all banks or trust companies within the city. The tax rate shall replace the tax rate provided for in KRS 136.270(3) only for the calendar year in which the refunds set forth in subsection (1) of this section are authorized by the city provided the refunds are authorized prior to July 1. Should the refunds be authorized subsequent to July 1, the tax rate shall go into effect in the following calendar year.

Section 4. The provisions of this Act shall apply to taxable years beginning after December 31, 1983.

Section 5. Whereas, the reporting for the calendar year 1984 to the revenue cabinet to account for the influence of the tax exempt United States obligations held by each state bank and trust company incorporated under the laws of this state and each national bank doing business in this state is necessary, an emergency is declared to exist and this Act shall become effective upon its passage and approval by the Governor.

SECTION 4. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) Grievances may be submitted by any individual, organization or entity. Each grievance shall be investigated as necessary and shall be reviewed by the physician review advisory committee which shall petition the board to issue a complaint against the physician named in the grievance or recommend some other appropriate action.

(2) If in the committee's opinion a grievance warrants the issuance of a complaint against a

physician, the committee shall submit a complaint, signed by the chairman or vice-chairman, to the board together with a petition requesting the board to authorize the complaint's issuance. Upon receipt of the complaint and petition the board shall, within sixty (60) days:

(a) Grant the petition and authorize the complaint with or without modification; or

(b) Deny the petition and either remand the matter to the committee or direct that some other action be taken.

(3) If in the committee's opinion a grievance does not warrant the issuance of a complaint against a physician, the committee shall submit a report and recommendation of action to the board which may follow the recommendation or take other action it deems appropriate.

(4) When in the executive director's opinion, as evidenced by his or her affidavit, a grievance warrants the issuance of a complaint against a physician as soon as possible and it is impossible to timely present the grievance to the committee, the executive director may petition the board to authorize the issuance of a complaint which shall be signed by the executive director. The board may thereupon treat the petition and complaint as denoted in subsection (2) of this section.

(5) All complaints shall be authorized by the board and shall contain sufficient information to apprise the named physician of the general nature of the charges.

(6) If, in connection with any document submitted in regard to an application for licensure or an application for renewal of licensure, a physician makes an admission of facts which would constitute grounds for the denial of a license or discipline of a licensee, the board may issue an order directing the particular physician to appear to show cause why his license should not be denied or he should not be disciplined, accordingly. The order shall be signed by the president or secretary and shall set forth those facts which the named physician is believed to have admitted.

(7) Proceedings pursuant to the issuance of a complaint or show cause order shall be commenced by service of the particular documents on the named physician by personal delivery or by certified mail to the physician's last address of which the board has record. The physician shall submit a response to a complaint within thirty (30) days after service and failure to submit a response may be taken by the board as an admission of the charges contained in the complaint. The physician may submit a response to a show cause order at any time prior to the date of the hearing.

(8) The board or the hearing officer on behalf of the board shall preside over all proceedings pursuant to the issuance of a complaint or show cause order, including hearings held in connection with orders temporarily suspending, limiting or restricting a physician's license. The proceedings shall be held in accordance with due process and the rules and regulations established by the board relating to the conduct of the proceedings. All board members, the executive director and hearing officers shall have the authority to administer oaths and issue summonses, subpoenas and other process. During or after any proceeding, the board or the hearing officer may petition the district or circuit courts to punish as contempt the failure of a person or entity to obey a subpoena or other process, or contemptuous or contumacious conduct directed to the board or the hearing officer.

(9) Except as elsewhere provided, or if waived, no hearing at which substantive evidence is to be introduced shall be held unless thirty (30) days prior written notice thereof has been given to the named physician, who may be present, in person or by counsel, and may present evidence and otherwise be heard in opposition to the charges.

(10) Notwithstanding any statutory or regulatory provision relating to the institution or procession of proceedings relating to the denial of a license or discipline of a licensee, the board is empowered to implement procedures which, upon written waiver of rights by the particular physician, would allow for the informal dispensation of any matter, regardless of the stage of the proceedings.

(11) The presiding officer at any proceeding held pursuant to a complaint or show cause order shall take whatever measures are necessary to protect the privacy interests of individuals or entities upon a showing that evidence is to be introduced, the public disclosure of which would constitute a clear invasion of personal privacy. It is the general policy of the Commonwealth that administrative proceedings should be open to the public. Therefore, in applying this subsection the presiding officer shall balance the competing interests and employ the least restrictive measures available to protect the privacy interests involved.

SECTION 5. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) In connection with any petition requesting the board to authorize the issuance of a complaint, the petitioning party may also request the board to issue an order temporarily suspending, limiting or restricting the license held by the physician named in the complaint during the pendency of the proceedings. The petition shall set forth grounds upon which the petitioning party is relying to support the request and the petition shall be verified by the petitioning party.

(2) At any time during the pendency of a proceeding commenced pursuant to the authorized issuance of a complaint or show cause order, the executive director may petition the board to issue an order temporarily suspending, limiting or restricting the license held by the physician named in the complaint during the balance of the pendency of the proceeding. The executive director shall sign and verify the petition which

shall set forth grounds in support of the request.

(3) (a) Upon submission of a verified petition requesting the board to issue an order temporarily suspending, limiting or restricting the license of a physician, the board shall within sixty (60) days:

1. *Grant the petition, and issue the order with or without modification; or*
2. *Deny the petition.*

(b) The board may grant the petition when in the opinion of the board, based upon sufficient reasonable cause, the continued unaffected practice by the named physician would constitute a danger to the health, welfare and safety of the physician's patients or of the general public.

(4) Any order temporarily suspending, limiting or restricting a license shall be effective when issued and the named physician shall not engage in any prohibited practice unless and until the order is reversed, modified or withdrawn. The named physician may petition the board in writing requesting a hearing to determine whether the board's order is based on sufficient reasonable cause. The hearing, if requested, shall be held within fifteen (15) days after the petition is filed with the board; and the board, or the hearing officer on behalf of the board, shall issue an order within five (5) days after the hearing sustaining, modifying or withdrawing the contested order during the pendency of the proceedings.

(5) Except in extraordinary circumstances when the demands of time and circumstance do not allow, anyone petitioning the board to issue an order temporarily suspending, limiting or restricting a physician's license shall notify the physician of the nature of the charges at least ten (10) days prior to the submission of the petition. The named physician may respond to the charges either orally or in writing and the response shall be considered by the board in determining whether to grant the petition.

(6) Any order issued pursuant to a hearing on an order temporarily suspending, limiting or revoking a physician's licensed shall be considered final for purposes of appeal.

SECTION 6. A NEW SECTION OF KRS CHAPTER 311 IS CREATED TO READ AS FOLLOWS:

(1) Except for those orders denying an application for licensure or temporarily suspending, limiting or restricting a physician's license, all orders of the board affecting a physician's license shall become effective thirty (30) days after notice is given to the licensee unless otherwise agreed; however, the board may provide that an order be effective immediately when, in the board's opinion, based upon sufficient reasonable cause, the health, welfare and safety of the physician's patients or the general public would be endangered by delay.

(2) Any physician who is aggrieved by a final order of the board denying a license or disciplining a licensee may, within thirty (30) days after receiving notice of the order, seek judicial review of the order by filing a petition with the circuit court of the county in which the board's offices are located, naming the board as respondent. The petition shall set forth with particularity grounds upon which the petitioner relies and the relief which the petitioner seeks. The petitioner shall cause the petition to be served by service of summons and a copy of the petition on the board's executive director or general counsel.

(3) Upon service of summons and the petition, the executive director shall, within thirty (30) days, file a certified transcript of the record, containing all testimony, pleadings, exhibits and orders, including the order to be reviewed. The court may enlarge this time or may order all or portions of the record to be produced without delay as the court deems appropriate.

(4) If the petition seeks immediate injunctive relief, the court shall not award such relief without providing the board with the reasonable opportunity to be heard. A final order of the board affecting a physician's license shall remain in effect unless and until the court enters an order reversing or enjoining the board's order.

(5) Within twenty (20) days of receiving proper service of the summons and petition seeking judicial review of an order of the board, the board shall file a response generally setting forth its position and may make all motions it deems appropriate. The court shall thereafter rule upon all motions and shall establish a schedule for the filing of briefs and the hearing of oral argument, if oral argument is requested by either party.

(6) Upon consideration of the record, the briefs and oral argument, the court shall enter judgment either upholding or reversing the board's order. No new evidence shall be introduced in the circuit court. In the event the board's order is reversed, the court shall, upon request of the board, remand the case to the board for further proceedings.

(7) Any party aggrieved by the final judgment, order or decree of the circuit court relative to an order of the board or any party aggrieved by an order of the circuit court awarding or denying preliminary injunctive relief may appeal to the Court of Appeals of Kentucky and thereafter to the Supreme Court of Kentucky as set forth by law.

Section 7. KRS 311.575 is amended to read as follows:

(1) Whenever, in the opinion of the secretary, based upon verified information contained in the application, an applicant for a regular license to practice medicine or osteopathy is eligible therefor under *subsections* [~~subsection~~] (1) *and (2) of Section 3 of this Act* [~~KRS 311.570~~], the secretary may issue to such applicant, on behalf of the board, a temporary permit which shall entitle the holder to practice medicine or osteopathy in this state for a maximum of six months from date of issuance thereof unless the temporary

permit is sooner cancelled by the secretary, who may cancel it at any time, without a hearing, for reasons deemed sufficient to him, and who shall cancel it immediately upon direction by the board or upon the board's denial of the holder's application for a regular license. The permit shall not be renewable.

(2) The secretary shall present to the board the application for a regular license made by the holder of the temporary permit. In the event the board issues a regular license to the holder of a temporary permit, the fee paid in connection with any temporary permit then in effect shall be applied upon the prescribed license fee.

(3) When the secretary cancels a temporary permit, he shall promptly notify, by registered United States mail, the holder of the temporary permit, at his last known address as reflected by the files of the board, and the temporary permit shall become terminated and of no further force and effect three (3) days after the giving of said notice to the holder.

Section 8. KRS 311.555 is amended to read as follows:

It is the declared policy of the general assembly of Kentucky that the practice of medicine and osteopathy should be regulated and controlled as provided in KRS *311.530* [~~311.550~~] to 311.620 in order to prevent empiricism and to protect the health and safety of the public. Further, the general assembly of Kentucky has created the board, as defined in KRS 311.530, to function as an independent board, the majority of whose members are licensed physicians, with the intent that such a peer group is best qualified to regulate, control and otherwise discipline the licensees who practice medicine and osteopathy within the Commonwealth of Kentucky. In furtherance of this intent, the judiciary of the Commonwealth of Kentucky, who may be caused to review the actions of the board, shall modify, remand or otherwise disturb those actions only in the event:

(1) That the action of the board constitutes a clear abuse of its discretion;

(2) That the action of the board is clearly beyond its legislative delegated authority; or

(3) That the action of the board violated the procedure for disciplinary action as described in *Section 4 of this Act* [~~KRS 311.596~~].

Section 9. KRS 311.922 is amended to read as follows:

(1) Any person whose application for a certificate is denied is entitled to a hearing before the board if he submits a written request to the board.

(2) Proceedings for denial, revocation or suspension of a certificate shall be conducted consistent with KRS 311.595 and *Section 4 of this Act* [~~311.596~~].

(1) There is hereby created a trust and revolving fund for the Kentucky state racing commission, designated as the Kentucky thoroughbred development fund, consisting of money allocated to the fund under the provisions of KRS 138.510, together with such other money as may be contributed to or allocated to the fund from all other sources. [~~If any member other than the commission member has not been recommended for appointment by July 1 of each year, the chairman of the Kentucky state racing commission shall make an appointment for the organization or organizations failing to so recommend a member of the committee.~~] The members of the advisory committee shall serve without compensation, but shall be entitled to reimbursement for all expenses incurred in the discharge of official business. The advisory committee shall select from its membership annually a chairman and a vice chairman.

(3) (a) The Kentucky thoroughbred development fund committee shall advise and assist the

Kentucky state racing commission in the development of the supplemental purse program provided herein for Kentucky bred thoroughbreds, shall make recommendations to the commission from time to time with respect to the establishment of guidelines, rules and regulations for the provision of such supplemental purses, the amount thereof, the races for which such purses are to be provided and the conditions thereof, manner and method of payment of such supplemental purses, registry of thoroughbred stallions standing within the Commonwealth of Kentucky, registry of Kentucky bred thoroughbreds for purposes of this section, nature and type of forms and reports to be employed and required in connection with the establishment, provision for, award and payment of such supplemental purses and with respect to all other matters necessary in connection with the carrying out of the intent and purposes of this section.

Winning or placing as used in this section shall include those horses finishing first, second, third and fourth in such races. That portion of the supplemental purse provided for any [~~such designated~~] race for a winning or placing finish shall be awarded and paid to the owner of the horse so finishing only if such horse is a Kentucky bred thoroughbred duly registered as such with the official registrar. Any portion of the supplemental purse which is not awarded and paid over shall be returned to the Kentucky thoroughbred development fund.

(5) (a) For purposes of this section, the term Kentucky thoroughbred stallion shall mean and include only a thoroughbred stallion standing the entire breeding season in Kentucky and registered as a Kentucky thoroughbred stallion with the official registrar of the Kentucky thoroughbred development fund.

(b) Except for thoroughbred horses foaled prior to January 1, 1980, the term Kentucky bred thoroughbreds for purposes of this section, shall mean and include only thoroughbred horses sired by Kentucky thoroughbred stallions foaled in Kentucky and registered as a Kentucky bred thoroughbred with the official registrar of the Kentucky thoroughbred development fund.

(c) Any thoroughbred horse foaled prior to January 1, 1980, may qualify as a Kentucky bred thoroughbred for purposes of this section if such horse was foaled in Kentucky and if the sire of such thoroughbred was standing at stud within Kentucky at the time of conception of such thoroughbred, provided such thoroughbred is duly registered as a Kentucky bred thoroughbred with the official registrar of the Kentucky thoroughbred development fund.

(d) In order for an owner of a Kentucky sired thoroughbred to be eligible to demand, claim and receive a portion of a supplemental purse provided by the Kentucky thoroughbred development fund, the thoroughbred horse winning or placing in a designated race for which a supplemental purse has been provided by the Kentucky thoroughbred development fund must have been duly registered as a Kentucky bred thoroughbred with the official registrar of the Kentucky thoroughbred development fund prior to entry in such race.

(6) (a) *The* Kentucky *state racing commission* [~~Thoroughbred Owners and Breeders, Inc.,~~] is hereby recognized and designated as the sole official registrar of the Kentucky thoroughbred development fund for the purposes of registering Kentucky thoroughbred stallions and Kentucky bred thoroughbreds in accord with the terms of this section and such rules and regulations as may be promulgated by the Kentucky state racing commission. When a Kentucky bred thoroughbred is registered with the official registrar, the registrar shall be authorized to stamp the Jockey Club certificate issued for such thoroughbred with the seal of the registrar, certifying that the said thoroughbred is a duly qualified and registered Kentucky bred thoroughbred for purposes of this section. The *commission* [~~registrar~~] may establish and charge[~~, with the approval of the~~

(b) Any interested party aggrieved by the failure or refusal of the official registrar to register a stallion or thoroughbred as a Kentucky stallion or as a Kentucky bred thoroughbred shall have the right to file with the commission, within thirty (30) days of such failure or refusal of the *commission* [~~registrar~~], petition seeking *a rehearing on the matter* [~~registration of such thoroughbred~~]. The commission shall promptly hear the matter de novo and issue its order [~~directing the official registrar~~] to register or not to register [~~as it may be determined by the commission~~].

(7) The Kentucky state racing commission shall adopt such rules and regulations as may be necessary to carry out the provisions and purposes of this section, including the adoption of such rules and forms as may be appropriate for the proper registration of Kentucky stallions and Kentucky bred thoroughbreds with the official registrar, and shall administer the Kentucky bred thoroughbred program created hereby in a manner best designed to promote and aid in the further development of the thoroughbred breeding industry in Kentucky, to upgrade the quality of thoroughbred racing in Kentucky and to improve the quality of thoroughbred horses bred in Kentucky.

Further, it hereby is declared the policy and intent of the Commonwealth that all standardbred racing not licensed as provided herein is a public nuisance and may be enjoined as such. Further, it is hereby declared the policy and intent of the Commonwealth that the conduct of standardbred racing, or the participation in any way in standardbred racing, or the entrance to or presence where standardbred racing is conducted, is a privilege and not a personal right; and that this privilege may be granted or denied by the commission or its duly approved representatives acting in its behalf.

(2) It is hereby declared the purpose and intent of the Commonwealth in the interest of the public health, safety, and welfare, to vest in the commission *authority to regulate* [~~forceful control of~~] standardbred racing in the Commonwealth with [~~plenary~~] power to prescribe *necessary and reasonable* rules and regulations and conditions under which all legitimate standardbred racing and wagering thereon is conducted in the Commonwealth so as to encourage the improvement of the breed of standardbred horses in the Commonwealth, to regulate and maintain standardbred racing in the Commonwealth of the highest quality and free of any corrupt, incompetent, dishonest, or unprincipled standardbred racing practices, and to regulate and maintain standardbred racing in the Commonwealth so as to dissipate any cloud of association with the undesirable and maintain the appearance as well as the fact of complete honesty and integrity of standardbred racing in the Commonwealth. In addition to the general powers and duties vested in the commission, it is the intent hereby to vest in the commission the power to eject or exclude from association grounds, or any part thereof any person, licensed or unlicensed, whose conduct or reputation is such that his presence on association grounds may, in the opinion of the commission, reflect on the honesty and integrity of standardbred racing or interfere with the orderly conduct of standardbred racing. The power of the

commission to penalize persons for violation of KRS 230.610 to 230.760 or any rule or regulation of the commission shall not be limited to denial of, suspension of, revocation of, or voidance of a license to conduct or participate in standardbred racing, and ejection and exclusion of persons from association grounds but the commission may in its discretion impose fines not to exceed five thousand dollars ($5,000) against an association and one thousand dollars ($1,000) against other licensees in addition thereto.

The commission for the purpose of maintaining integrity and honesty in standardbred racing shall prescribe by rule the powers and duties of the persons employed under this section or performing duties rendering services to an association. The commission shall promulgate rules and regulations for effectively preventing the use of improper devices, the administration of drugs or stimulants or other improper acts for the purpose of affecting the speed or health of horses in races in which they are to participate. *Any regulation promulgated to regulate drugs shall be necessary and reasonable and based on recommendations of the Kentucky equine drug research council as supported by valid scientific evidence.* [~~, and~~] In connection therewith the commission is authorized to acquire, operate and maintain, or to provide by contract for the maintenance and operation of, a testing laboratory and related facilities, for the purpose of saliva, urinal or other tests, and to purchase supplies and equipment for and in connection with such laboratory or testing processes. Nothing in this section or elsewhere in this chapter shall be construed to grant any employer or individual who is or was in his employ prior claims or rights to the amounts paid by him into the fund.

(2) Except as provided in subsection (3) of this section, all regular benefits paid to an eligible worker in accordance with KRS 341.380 plus the extended benefits paid in accordance with KRS 341.700 through KRS 341.740, subject to the provisions of paragraphs (a) and (b) below, shall be charged against the [~~reserve~~] account of his most recent employer. (b) Subject employers which are governmental entities, as defined in KRS 341.069, shall be charged for all extended benefits paid in accordance with KRS 341.700 through 341.740 for compensable weeks occurring on or after January 1, 1979 and for one-half (1/2) of the extended benefits paid for compensable weeks occurring prior to such date.

(4) Each subject employer's reserve account shall, unless terminated as of the computation date (as defined in subsection (6) of KRS 341.270), be charged with all benefits paid to eligible workers which are chargeable to such reserve account under subsection (2) of this section. A subject employer's reserve account shall be deemed to be terminated if he has ceased to be subject to this chapter, and his account has been closed and any balance remaining therein has been transferred to the fund's pooled account or to a successor's account as provided in KRS 341.540.

The provisions of this subsection shall expire on July 1, 1983.

(6) Notwithstanding subsection (1) of this section, two (2) or more nonprofit (Internal Revenue Code 501(c)(3)) organizations may jointly request the secretary to establish a group reserve account for such nonprofit organizations. Two (2) or more governmental entities may jointly request the secretary to establish a group reserve account, and once established, such account shall remain in effect at least two (2) calendar years and thereafter until either dissolved at the discretion of the secretary or upon filing application for dissolution by the group members. HJR 74, A JOINT RESOLUTION directing the University of Kentucky College of Agriculture to conduct a study of the effects of imported tobacco on Kentucky's burley market.

WHEREAS, imported raw tobacco is year-by-year composing a larger percentage of the total annual consumption of tobacco in this country, accounting for about twenty percent of all burley used by the U. S. manufacturers; and

WHEREAS, the quality of imported raw tobacco is inferior to Kentucky-grown tobacco; and

WHEREAS, the income to Kentucky burley tobacco growers from the sale of the most recent tobacco crop was less than one-half of the previous year's income; and

WHEREAS, a record high proportion of the 1983 crop went to the grower cooperatives under price support loans; and

WHEREAS, farm foreclosures and farm bankruptcies are the highest since the Great Depression; and

WHEREAS, the income from tobacco is essential to thousands of Kentucky farmers, especially those farmers growing only a few thousand pounds of tobacco; and

WHEREAS, the very existence of Kentucky's tobacco farmers is threatened at home and from abroad;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. That the University of Kentucky College of Agriculture is directed to study the effects of imported raw tobacco on Kentucky's burley market and the resultant effects on Kentucky's agriculture.

Section 2. That the College of Agriculture make recommendations concerning these effects on Kentucky's burley market and agriculture.

Section 3. That the College of Agriculture complete this study and report it to the Interim Joint Committee on Agriculture and Natural Resources by October 1, 1984.

Section 4. That copies of this resolution be sent to the President of the University of Kentucky and to the Dean, College of Agriculture, University of Kentucky.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 247.130 is amended to read as follows:

(1) The state fair board may appoint a manager who shall not be one of their number. The appointment of a manager shall be on the basis of training, ability and experience. A manager shall hold his position during the pleasure of the board, but may be removed only by an affirmative vote of six (6) members of the board. A manager shall be responsible for the administration of the policies set by the board, shall devote his entire time and attention to the performance of such duties and work as may be required of him by law or be assigned to him by the board, and shall receive such salary, fixed on an annual basis, as the board may determine.

(2) A manager may organize such administrative divisions as may be necessary and may designate chiefs of such divisions who, under his control and supervision, shall have the duties of direction of such divisions. *The manager shall organize a division for personnel management and staff development which shall manage all personnel matters, including staff development and training and programs for affirmative action. The director of this division shall be appointed, with the prior written approval of the governor, by the*

president of the board. A manager may employ such other employes and agents as he deems necessary for the carrying out of the policies of the board and to conduct the affairs of the state fair, and may fix the duties and compensation of any employes or agents with the approval of the board.

(3) The board may employ or contract with such other persons, firms or corporations as the board may deem necessary or desirable to accomplish its duties and functions; may fix the compensation and the terms of employment or contract of those employed or contracted with; and may assign to them such duties and responsibilities as the board may determine, including the responsibility of actual operation of any or all of the facilities under the control of the board.

(4) A manager and any persons employed under this section shall not be subject to the provisions of KRS chapter 18A.

Section 2. The General Assembly confirms Executive Order 82-242, signed March 30, 1982 and relating to the reorganization of the state fair board to the extent that it is not otherwise confirmed by this Act.

SB 283, AN ACT relating to the sale and distribution of fertilizers.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 250 IS CREATED TO READ AS FOLLOWS:

This Act shall be administered by the director of the Kentucky agricultural experiment station hereinafter referred to as the "director." The term "director" when used in this Act shall mean the director or his designee.

SECTION 2. A NEW SECTION OF KRS CHAPTER 250 IS CREATED TO READ AS FOLLOWS:

As used in the Act, unless the context otherwise requires:

(1) "Fertilizer" means any substance containing one (1) or more recognized plant nutrients which is used for its plant nutrient content and which is designed for use or claimed to have value in promoting plant growth, except unmanipulated animal and vegetable manures, marl, lime, limestone, wood ashes and other products exempted by regulation by the director.

(2) "Fertilizer material" means a fertilizer which either:

(a) Contains important quantities of no more than one (1) of the primary plant nutrients: nitrogen (N), phosphorus (P) and potassium (K); or

(b) Has eighty-five percent (85%) or more of its plant nutrient content present in the form of a single chemical compound; or

(c) Is derived from a plant or animal residue or by-product or natural material deposit which has been processed in such a way that its content of plant nutrients has not been materially changed except by purification and concentration.

(3) "Mixed fertilizer" means a fertilizer containing any combination or mixture of fertilizer materials.

(4) "Specialty fertilizer" means a fertilizer distributed for non-farm use.

(5) "Bulk fertilizer" means a fertilizer distributed in a non-packaged form.

(6) "Brand" means a term, design, or trademark used in connection with one (1) or several grades of fertilizer but shall not include any numeral.

(7) "Guaranteed analysis" means, until the director prescribes the alternative form of "guaranteed analysis" in accordance with the provisions of this subsection, the minimum percentage of plant nutrients claimed in the following order and form:

Total nitrogen (N) -----percent
Available phosphoric acid (P205) -----percent
Soluble potash (K20) -----percent

For unacidulated mineral phosphatic material and basic slag, bone, tankage and other organic phosphatic materials, the total phosphoric acid or degree of fineness may also be guaranteed. Guarantees for plant nutrients other than nitrogen, phosphorus and potassium may be permitted or required by regulation by the director. The guarantees for such other nutrients shall be expressed in the form of the element. The source, e.g. oxides, salts, chelates, etc. of such other nutrients may be required to be stated on the application for registration and may be included on the label. Other beneficial substances or compounds, determinable by laboratory methods, also may be guaranteed by permission and advice of the director. When any plant nutrients or other substances or compounds are guaranteed, they shall be subject to inspection and analysis in accord with the methods and regulations prescribed by the director. When the director finds, after public hearing following due notice, that the requirement for expressing the guaranteed analysis of phosphorus and *potassium in elemental form would not impose an economic hardship on distributors and users of fertilizer by reason of conflicting labeling requirements among the states, he may require by regulation thereafter that the "guaranteed analysis" shall be in the following form:*

Total nitrogen (N)	*-----percent*
Available phosphorus (P)	*-----percent*
Soluble potassium (K)	*-----percent*

The effective date of said regulation shall be not less than six (6) months following the issuance thereof, except that the equivalent of phosphorus and potassium may also be shown in the form of available phosphoric acid and soluble potash for a period of two (2) years following the effective date of said regulation. After the effective date of said regulation total nitrogen, available phosphorus, and soluble potassium shall constitute the grade.

(8) "Grade" means the percentage of total nitrogen, available phosphorus or phosphoric acid, and soluble potassium or potash stated in whole numbers in the same terms, order, and percentages as in the guaranteed analysis; except specialty fertilizers may be guaranteed in fractional units of less than one (1) percent of total nitrogen, available phosphorus or phosphoric acid, and soluble potassium or potash and fertilizer materials, bone meal, manures, and similar materials may be guaranteed in fractional units.

(9) "Official sample" means any sample of fertilizer taken by the director and designated as "official" by the director.

(10) "Ton" means a net weight of two thousand (2,000) pounds avoirdupois.

(11) "Primary nutrient" means total nitrogen, available phosphoric acid or phosphorus, and soluble potash or potassium.

(12) "Percent" or "percentage" means the percentage by weight.

(13) "Person" means individual, partnership, association, firm or corporation.

(14) "Distribute" means to import, consign, manufacture, produce, compound, mix, or blend fertilizer, or to offer for sale, sell, barter or otherwise supply fertilizer in this state.

(15) "Distributor" means any person who distributes.

(16) "Registrant" means the person who registers fertilizer under the provisions of this Act.

(17) "Label" means the display of all written, printed, or graphic matter, upon the immediate container, or a statement accompanying a fertilizer.

(18) "Labeling" means all written, printed, or graphic matter, upon or accompanying any fertilizer, or verbal statements, advertisements, brochures, posters, television or radio announcements used in promoting the sale of such fertilizer.

(19) "Investigational allowance" means an allowance for variations inherent in the taking, preparation and analysis of an official sample of fertilizer.

(20) "Manufacturer" means any person engaged in the business of preparing, mixing, or manufacturing fertilizers or the person whose name appears on the label as being responsible for the guarantee.

(21) "Manufacturing" means preparing, mixing, or combining fertilizer materials chemically or physically, including the mixing through the simultaneous application of two (2) or more fertilizer materials, by a manufacturer or contract applicator.

(22) "Lot" means an identifiable quantity of fertilizer that can be sampled according to association of official analytical chemists procedures, such as, the amount contained in a single vehicle, or the amount delivered under a single invoice, and, in the case of bagged fertilizer, not more than twenty-five (25) tons.

SECTION 3. A NEW SECTION OF KRS CHAPTER 250 IS CREATED TO READ AS FOLLOWS:

(1) Each brand and grade of fertilizer shall be registered in the name of that person whose name appears upon the label before being distributed in this state. The application for registration shall be submitted to the director on a form furnished by the director. For specialty fertilizers a registration fee of fifty dollars ($50) per each grade of each brand shall accompany the registration application. Upon approval by the director, a copy of the registration shall be furnished to the applicant. All registrations expire on December 31 of each year. The application shall include the following information:

(a) The net weight of packages;
(b) The brand and grade;
(c) The guaranteed analysis; and
(d) The name and address of the registrant.

(2) A distributor shall not be required to register any fertilizer which is already registered under this Act by another person, providing the label does not differ in any respect.

(3) A distributor shall not be required to register each grade of fertilizer formulated according to specifications which are furnished by a consumer prior to mixing, but shall be required to register his firm on a form furnished by the director and to label such fertilizer as provided in subsection (2) of Section 4 of this Act.

SECTION 4. A NEW SECTION OF KRS CHAPTER 250 IS CREATED TO READ AS

FOLLOWS:

(1) Any fertilizer distributed in this state in containers shall have placed on or affixed to the container a label setting forth in clearly legible and conspicuous form the following information:

(a) Net weight;

(b) Brand and grade, except that the grade shall not be required when no primary nutrients are claimed;

(c) Guaranteed analysis;

(d) Name and address of the registrant.

In case of bulk shipments, this information in written or printed form shall accompany each delivery and be supplied to the purchaser at time of delivery.

(2) A fertilizer formulated according to specifications which are furnished by or for a consumer prior to mixing shall be labeled to show the net weight, the guaranteed analysis or the guaranteed analysis and net weight of each material used in the formulation or both, and the name and address of the registrant and the consumer.

SECTION 5. A NEW SECTION OF KRS CHAPTER 250 IS CREATED TO READ AS FOLLOWS:

(1) There shall be paid to the Kentucky agricultural experiment station for all fertilizers distributed in this state to non-registrants an inspection fee at the rate of fifty cents (50) per ton; except sales or exchanges between importers, manufacturers, distributors or registrants are hereby exempted.

(2) Every registrant who distributes fertilizer in the state shall file on forms approved by the director a monthly, quarterly, or semi-annual statement for the reporting period setting forth the number of net tons of each grade of fertilizer so distributed in this state during such period. The report shall be due on or before twenty (20) days following the close of the filing period and upon such statement shall pay the inspection fee at the rate stated in subsection (1) of this section. If the tonnage report is not filed and the payment of inspection fees is not made within thirty (30) days after the due date, a collection fee, amounting to ten percent (10%), with a minimum of fifty dollars ($50), of the amount due shall be assessed against the registrant and added to the amount due.

(3) When more than one (1) person is involved in the distribution of a fertilizer, the last person who has the fertilizer registered and who distributed to a non-registrant dealer or consumer is responsible for reporting the tonnage and paying the inspection fee, unless the report and payment is made by a prior distributor of the fertilizer.

(4) On individual packages of fertilizer containing ten (10) pounds or less there shall be paid, in lieu of the inspection fee of fifty cents (50) per ton required by subsection (1) of this section and the tonnage report required by Section 6 of this Act, an annual inspection fee of fifty dollars ($50) for each grade of each brand sold or distributed. Where a person distributes fertilizer in packages of ten (10) pounds or less and in packages over ten (10) pounds, the annual fee shall apply only to that portion distributed in packages of ten 910) pounds or less.

(5) Fees so collected shall be used for the payment of the costs of inspection, sampling and analysis, and other expenses necessary for the administration of this Act.

SECTION 6. A NEW SECTION OF KRS CHAPTER 250 IS CREATED TO READ AS FOLLOWS:

(1) The person distributing or selling fertilizer to a non-registrant shall furnish to the director a report showing the county of the consignee, the amounts in tons of each grade of fertilizer, the form in which the fertilizer was distributed, e.g. bags, bulk, liquid, etc., and whether the fertilizer was for farm or non-farm use. This information shall be reported by submitting a summary report approved by the director on or before the twentieth day of each month covering shipments made during the preceding month.

(2) No information furnished to the director under this section shall be disclosed in such a way as to divulge the operation of any person.

SECTION 7. A NEW SECTION OF KRS CHAPTER 250 IS CREATED TO READ AS FOLLOWS:

(1) It shall be the duty of the director to sample, inspect, make analyses of, and test fertilizers distributed within this state at any time and place and to such an extent he may deem necessary to determine whether such fertilizers are in compliance with the provisions of this act. The director is authorized to enter upon any public or private premises or carriers during regular business hours in order to have access to fertilizer subject to the provisions of this Act and the regulations pertaining thereto, and to the records relating to their distribution.

(2) The methods of sampling and analysis shall be those adopted by the association of official analytical chemists (AOAC). In cases not covered by such methods, or in cases where methods are available in which improved applicability has been demonstrated, the director may adopt such appropriate methods from other sources.

(3) The director, in determining for administrative purposes whether any fertilizer is deficient in plant food, shall be guided solely by the official sample as defined in subsection (9) of Section 2 of this Act,

and obtained and analyzed as provided for in subsection (2) of this section.

(4) The results of official analysis of fertilizers and portions of official samples shall be distributed by the director as provided by regulation and in Section 12 of this Act. Official samples establishing a penalty for nutrient deficiency shall be retained for a minimum of ninety (90) days from issuance of a deficiency report.

SECTION 8. A NEW SECTION OF KRS CHAPTER 250 IS CREATED TO READ AS FOLLOWS:

(1) If the analysis shall show that a fertilizer is deficient in one (1) or more of its guaranteed primary plant nutrients beyond the investigational allowances as established by regulation, or if the overall index value of the fertilizer is below the level established by regulation, a penalty payment shall be assessed and paid as established by regulation.

(2) Deficiencies beyond the investigational allowances as established by regulation in constituents other than total nitrogen (N), available phosphoric acid (P205), or soluble potash (K20), which the registrant is required to or may guarantee, shall be evaluated and penalty payments assessed and paid as established by regulation.

(3) If, upon satisfactory evidence, a person is shown to have altered the content of a fertilizer shipped to him by a registrant or to have mixed or comingled fertilizer from two (2) or more suppliers so that the result of either alteration changes the analysis of the fertilizer as originally guaranteed, then that person shall become responsible for obtaining a registration and shall be held liable for all penalty payments and be subject to other provisions of this Act, including seizure, condemnation and stop sale.

(4) Nothing contained in this section shall prevent any person from appealing to a court of competent jurisdiction praying for judgment as to the justification of such penalty payments.

SECTION 9. A NEW SECTION OF KRS CHAPTER 250 IS CREATED TO READ AS FOLLOWS:

For the purpose of determining the commercial value to be applied under the provisions of Section 8 of this Act, the director shall determine and publish annually the values per unit of nitrogen, available phosphoric acid, and soluble potash in fertilizers in this state. If guarantees are as provided in subsection (7) of Section 2 of this Act, the values shall be per unit of nitrogen, phosphorus and potassium. The values so determined and published shall be used in determining and assessing penalty payments.

SECTION 10. A NEW SECTION OF KRS CHAPTER 250 IS CREATED TO READ AS FOLLOWS:

No person shall distribute misbranded fertilizer. A fertilizer shall be deemed to be misbranded:

(1) If its labeling is false or misleading in any particular;

(2) If it is distributed under the name of another fertilizer product;

(3) If it is not labeled as required in Section 4 of this Act and in accordance with regulations prescribed under this Act; or

(4) If it purports to be or is represented as a fertilizer, or is represented as containing a plant nutrient or fertilizer, unless such plant nutrient or fertilizer conforms to the definition of identity, if any, prescribed by regulation of the director; in adopting such regulations the director shall give due regard to commonly accepted definitions and official fertilizer terms such as those issued by the association of american plant food control officials.

SECTION 11. A NEW SECTION OF KRS CHAPTER 250 IS CREATED TO READ AS FOLLOWS:

No person shall distribute an adulterated fertilizer product. A fertilizer shall be deemed to be adulterated:

(1) If it contains any deleterious or harmful ingredient in sufficient amount ot render it injurious to beneficial plant life when applied in accordance with directions for use on the label, or if adequate warning statements or directions for use which may be necessary to protect plant life are not shown upon the label;

(2) If it contains unwanted crop seed or weed seed; or

(3) If its composition falls below or differs from that which it is purported to possess by its labeling.

SECTION 12. A NEW SECTION OF KRS CHAPTER 250 IS CREATED TO READ AS FOLLOWS:

The director shall publish, at least annually, and in such forms as he may deem proper, information concerning the distribution of fertilizers and results of analyses based on official samples of fertilizer distributed within the state as compared with analyses guaranteed under Section 3 and Section 4 of this Act.

SECTION 13. A NEW SECTION OF KRS CHAPTER 250 IS CREATED TO READ AS FOLLOWS:

The director shall enforce the provisions of this Act and make and enforce such regulations as may be necessary to carry into effect the full intent and meaning of this Act.

SECTION 14. A NEW SECTION OF KRS CHAPTER 250 IS CREATED TO READ AS FOLLOWS:

It shall be unlawful to make, in any manner whatsoever, any false or deceptive statement or representation in regard to any fertilizer offered for sale, sold, or distributed in this state, or to use any *misleading or deceptive trademark or brand name in connection therewith.*

SECTION 15. A NEW SECTION OF KRS CHAPTER 250 IS CREATED TO READ AS FOLLOWS:

The director is authorized and empowered to cancel the registration of any brand of fertilizer or distributor or to refuse to register any brand of fertilizer or distributor as herein provided, upon satisfactory evidence that the registrant has used fraudulent or deceptive practices in the evasion or attempted evasion of the provisions of this Act or any regulations promulgated thereunder, except no registration shall be revoked or refused until the person (registrant) shall have been given the opportunity to appear for a hearing by the director.

SECTION 16. A NEW SECTION OF KRS CHAPTER 250 IS CREATED TO READ AS FOLLOWS:

The director may issue and enforce a written or printed "stop sale, use, or removal" order to the owner or custodian of any lot of fertilizer and to hold it at a designated place, when the director finds said fertilizer is being offered or exposed for sale in violation of any of the provisions of this Act, until the law has been complied with and said fertilizer is released in writing by the director, or said violation has been otherwise legally disposed of by written authority. The director shall release the fertilizer so withdrawn when the requirements of the provisions of this Act have been complied with and all costs and expenses incurred in connection with the withdrawal have been paid.

SECTION 17. A NEW SECTION OF KRS CHAPTER 250 IS CREATED TO READ AS FOLLOWS:

Any lot of fertilizer not in compliance with the provisions of this Act shall be subject to seizure on complaint of the director to a court of competent jurisdiction in the area in which said fertilizer is located. In the event the court finds the said fertilizer to be in violation of this Act and orders the condemnation of said fertilizer, it shall be disposed of in any manner consistent with the quality of the fertilizer and the laws of the state, except in no instance shall the disposition of said fertilizer be ordered by the court without first giving the claimant an opportunity to apply to the court for release of said fertilizer or for permission to reprocess or relabel said fertilizer to bring it into compliance with this Act.

SECTION 18. A NEW SECTION OF KRS CHAPTER 250 IS CREATED TO READ AS FOLLOWS:

(1) If it shall appear from the examination of any fertilizer that any of the provisions of this Act or regulations issued thereunder have been violated, the director shall cause notice of the violations to be given to the registrant, distributor, or processor from whom said sample was taken; any person so notified shall be given opportunity to be heard under such regulations as may be prescribed by the director. If it appears after such hearing, either in the presence or absence of the person so notified, that any of the provisions of this Act or regulations issued thereunder have been violated, the director may certify the facts to the proper prosecuting attorney.

(2) Any person convicted of violating any provision of this Act or the regulations issued thereunder shall be punished in the discretion of the court.

(3) Nothing in this Act shall be construed as requiring the director to report for prosecution or for the institution of seizure proceedings minor violations of the Act, when he believes that the public interests will be best served by a suitable notice of warning in writing.

(4) It shall be the duty of the attorney general or appropriate county attorney to whom any violations are reported to cause appropriate proceedings to be instituted and prosecuted in a court of competent jurisdiction without delay.

(5) The director is hereby authorized to apply for, and the court to grant, a temporary or permanent injunction restraining any person from violating or continuing to violate any of the provisions of this Act or any regulation promulgated under this Act, notwithstanding the existence of other remedies at law. Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 139.470 is amended to read as follows:

There are excluded from the computation of the amount of taxes imposed by this chapter:

(1) Gross receipts from the sale of, and the storage, use or other consumption in this state of, tangible personal property the gross receipts from the sale of which, or the storage use or other consumption of which, this state is prohibited from taxing under the Constitution or laws of the United States, or under the Constitution of this state;

(2) Gross receipts from sales of, and the storage, use or other consumption in this state of:

(a) Nonreturnable and returnable containers when sold without the contents to persons who place the contents in the container and sell the contents together with the container;

(b) Returnable containers when sold with the contents in connection with a retail sale of the contents or when resold for refilling;

As used in this section the term "returnable containers" means containers of a kind customarily returned by the buyer of the contents for reuse. All other containers are "nonreturnable containers";

(3) Gross receipts from the sale of, and the storage, use or other consumption in this state of, tangible personal property used for the performance of a lump sum, fixed fee contract of public works executed prior to February 5, 1960;

(4) Gross receipts from occasional sales of tangible personal property and the storage, use or other consumption in this state of tangible personal property, the transfer of which to the purchaser is an occasional sale;

(5) Gross receipts from sales of tangible personal property to a common carrier, shipped by the seller via the purchasing carrier under a bill of lading, whether the freight is paid in advance or the shipment is made freight charges collect, to a point outside this state and the property is actually transported to the out-of-state destination for use by the carrier in the conduct of its business as a common carrier;

(6) Gross receipts from sales of tangible personal property made in one cent (1) portions through vending machines;

(7) Gross receipts from sales to any cabinet, department, bureau, commission, board, or other statutory or constitutional agency of the state and gross receipts from sales to counties, cities or special districts as defined in KRS 65.005. This exemption applies only to purchases of property or services for use solely in the government function. A purchaser not qualifying as a governmental agency or unit is not entitled to the exemption even though such purchaser may be the recipient of public funds or grants;

(8) (a) Gross receipts from the sale of sewer services, water and fuel to Kentucky residents for use in heating, water heating, cooking, lighting, and other residential uses. As used in this subsection, "fuel" shall include, but not be limited to, natural gas, electricity, fuel oil, bottled gas, coal, coke and wood. Determinations of eligibility for the exemption shall be made by the department of revenue.

(b) In making such determinations of eligibility, the department *shall exempt from taxation all gross receipts derived from sales classified as "residential" customers by a utility company as defined by applicable tariffs filed with and approved by the public service commission* [~~may use a utility company's classification of "residential" customers. Where the service is classified as residential, use other than for "residential" purposes by the customer will not negate the exemption~~].

(c) The exemption does not apply where charges for sewer service, water and fuel are billed to an owner or operator of a multi-unit residential rental facility or mobile home and recreational vehicle park other than residential classification.

(d) The exemption applies also to residential property which may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by the stock ownership or membership representing the owner's or member's proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight (98) years.

(9) Any rate increase for school taxes and any other charges or surcharges added to the total amount of a residential telephone bill.

The statement shall show in the aggregate by source, the amount of funds collected and received, and in the aggregate by payee, the amounts disbursed, or the amount of funds collected and received, from what sources received, the amount disbursed, the date of each disbursement, for what purpose expended, and to whom paid, except that only the totals of amounts paid to each individual as salary or commission and public utility bills need to be shown and except that the amount of salaries paid to all teachers shall be shown as a lump sum instructional expenditure for the school district and not by amount paid to individual teachers and the amount of salaries paid to all other employes of the board shall be shown as lump sum expenditures by category, including, but not limited to, administrative, maintenance, transportation, and food service; however the local board of education must have accessible a factual list of individual salaries for public scrutiny and the local board shall furnish by mail a factual list of individual salaries of its employes to a newspaper qualified under KRS 424.120 to publish advertisements for the district, which newspaper may then publish as a news item the individual salaries of school employes. SB 249, AN ACT relating to pensions.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 95.859 is amended to read as follows:

The rate of retirement annuity shall be two and one-half percent (2 1/2%) of average salary, as defined in KRS 95.851(13), for each year of total service up to and including thirty (30) years, subject to a maximum of seventy-five percent (75%) of average salary. Fractional periods of service shall be considered in the calculation of such annuities according to the aforesaid rate. Provided, however, that *any member who retired prior to June 21, 1974 shall receive an increase of ten dollars ($10) per month for each year or part thereof of retirement prior to June 21, 1974, with a maximum increase of one hundred and seventy dollars ($170) per month. No surviving widow of a retiree shall receive a pension of less than one hundred and fifty dollars ($150) per month. When* [~~no retiree, or his surviving widow, whether he retired before or after June 16, 1972, under this section shall receive a pension of less than one hundred dollars ($100) a month and when~~] social security benefits are increased the *surviving widows'* minimum shall be increased by a like *percentage* [~~amount~~], provided that the *pension* increase shall not exceed five percent (5%). Within six (6) months after the performance of the actuarial study required by KRS 95.872(6), the rate of retirement annuity of each annuitant who becomes an annuitant after the effective date hereof shall be increased by an amount determined by the said study to reflect so much of the increase in the cost of living of such annuitant from the beginning of his annuity as may be supported on an actuarially sound basis by the fund, so long as the same is published, such studies shall rely on the "All Items Index" of the United States Department of Labor's Consumer Price Indexes, but no increase in the cost of living shall exceed two percent (2%) over the base index year in any year of the fund, provided, however, such increases shall be payable only after the member has attained the age of sixty (60) years or has been retired for a period of three (3) full years, whichever is later, and all such increases shall not be compounded.

Section 2. KRS 95.860 is amended to read as follows:

(1) Upon death of a member due to occupational causes, regardless of length of service, his surviving widow shall be entitled immediately upon cessation of salary to an annuity equal to fifty percent (50%) of the member's last rate of salary. This annuity shall be payable until she dies or remarries. *No surviving widow*

shall receive an annuity of less than one hundred and fifty dollars ($150) per month. When social security benefits are increased the minimum shall be increased by a like percentage, provided the increase shall not exceed five percent (5%). In addition, if minor children, under age eighteen (18), survive the member, the widow shall receive on account of each child, ten percent (10%) of the member's last rate of salary until each child attains age eighteen (18). The combined payments to a widow and minor children shall not exceed seventy-five percent (75%) of his final rate of salary.

(2) If a widow does not survive the member, or if she remarries, and minor children under age eighteen (18) exist, each child shall be entitled to an annuity equal to fifteen percent (15%) of the member's last rate of salary until each child attains age eighteen (18), provided that the combined payments to such children shall not exceed fifty percent (50%) of the member's last rate of salary.

(3) If neither a widow nor minor children, eligible for benefits survive the member, each dependent parent shall be entitled to an annuity equal to twenty-five percent (25%) of the member's last rate of salary, or fifty percent (50%) to both parents.

(4) If a widow would receive from a combination of: (a) survivor benefits pursuant to this section, excluding benefits for minor children, and (b) workmen's compensation benefits, excluding dependent children's allowances or payments for medical expenses or legal fees related to the workmen's compensation claim, an amount greater than one hundred percent (100%) of the deceased member's last rate of salary, then the pension system survivor benefits shall be reduced to the point that the combined payments equal one hundred percent (100%) of the last rate of salary. The survivor benefit shall not be reduced, however, below an amount equal to two and one-half percent (2 1/2%) of average salary for each year of the deceased member's service. Any reduction in the survivor payment shall be based upon workmen's compensation benefits applicable at the time the survivor payment is granted, and not upon subsequent increases in either benefit. If workmen's compensation benefits are reduced at a subsequent time, the surviving spouse shall inform the board, and the board shall increase the survivor's benefit by the amount of the reductions, but not by more than an amount which would increase the survivor's benefit to fifty percent (50%) of last rate of salary. The board of trustees may pay estimated benefits to a surviving spouse, upon qualification for the benefits, based upon an estimate of workmen's compensation benefits until such amounts are actually determined, at which time a final calculation of the spouse's actual benefits shall be determined and the account corrected retroactive to the effective date of the survivor benefit. If workmen's compensation benefits are paid in lump sums, the board shall reduce the survivor benefit on a monthly rather than a lump sum basis. The amount of the monthly reduction shall be based upon the life expectancy of the survivor. The board may request the assistance of the general manager of Kentucky retirement systems to calculate the reduction in survivor benefits when lump sum payments are involved, and the general manager shall provide such assistance upon request.

Section 3. KRS 95.861 is amended to read as follows:

(1) Upon death of a member occurring while in service, arising from any cause other than in the performance of duty, provided the member has had at least three (3) years of total service, his widow shall receive an annuity equal to one and one-half percent (1 1/2%) of average salary for each year of total service, credited to the member, subject to a maximum payment to the widow of fifty percent (50%). *If the member has had at least ten (10) years of total service, the widow shall receive an annuity of no less than one hundred and fifty dollars ($150) per month, and when social security benefits are increased the minimum shall be increased by a like percentage, but the increase shall not exceed five percent (5%). Payment of the annuity shall be* [~~and~~] subject to the following conditions:

(a) The widow had been married to the member at least one (1) year prior to his death;

(b) The widow is at least forty-five (45) years of age, otherwise payment will be deferred until she attains such age, except that if she is or becomes totally disabled before age forty-five (45), or has a minor child or children by the member in her care under age eighteen (18), (including adopted children provided the proceedings for adoption were initiated at least one (1) year prior to death of member) payment of the widow's annuity will begin immediately together with an additional allowance on account of the child or children;

(c) The widow's annuity will terminate in any event when the widow remarries. The annuity of each child or children shall continue until each child attains age eighteen (18).

(2) If the widow has minor children under age of eighteen (18), the annuity to the widow shall be increased one-half (1/2) on account of the first child and one-fourth (1/4) on account of each additional child, subject to a maximum combined payment to the widow and children of seventy-five percent (75%) of the average salary as defined in KRS 95.851(13).

(3) If the pensioner is not survived by a widow and there are minor children the following benefits shall be paid: (a) one (1) minor child, fifty percent (50%), (b) two (2) minor children, fifteen percent (15%) additional, (c) three (3) or more minor children, ten percent (10%) additional, subject to a maximum combined payment of seventy-five percent (75%) of the average salary as defined in KRS 95.851(13). The annuity of each child or children shall continue until each child attains age eighteen (18), or, in the case of a child regularly employed in full-time educational activities the age of twenty-three (23). The annuity payments

shall be reduced in reverse order.

(4) These benefits shall also be payable upon death of the member while on retirement, provided marriage was in effect for at least one (1) year before retirement.

Section 4. KRS 95.862 is amended to read as follows:

(1) In the event a total and permanent occupational disability occurs, the member shall receive an annuity equal to seventy percent (70%) of his last rate of salary. This benefit shall begin at such time as his salary may cease, and shall be paid during his entire lifetime. *Any member who retired prior to June 21, 1974 shall receive an increase of ten dollars ($10) per month for each year or part thereof of retirement prior to June 21, 1974, with a maximum increase of one hundred and seventy dollars ($170) per month.* Upon his death, his eligible widow and minor children, if any, shall receive the benefits as provided under KRS 95.860.

(2) If the member retired for total and permanent occupational disability would receive from a combination of (a) pension disability payments pursuant to subsection (1) of this section, and (b) workmen's compensation payments, excluding spouse or dependent children's allowances or payments for medical expenses or legal fees related to the workmen's compensation claim, an amount greater than one hundred percent (100%) of his last rate of salary, then the pension system benefits shall be reduced to the point that the combined payments equal one hundred percent (100%) of the last rate of salary. The benefit shall not be reduced, however, below an amount equal to two and one-half percent (2 1/2%) of average salary for each year of the member's service. Any reduction in the payment shall be based upon workmen's compensation benefits applicable at the time the payment is granted, and not upon subsequent increases in either benefit. If workmen's compensation benefits are reduced at a subsequent time, the retiree shall inform the board, and the board shall increase the benefit by the amount of the reductions, but not by more than an amount which would increase the benefit to seventy percent (70%) of the last rate of salary. The board of trustees may pay estimated benefits to a retiree, upon qualification for the benefits, based upon an estimate of workmen's compensation benefits until such amounts are actually determined, at which time a final calculation of the actual benefits shall be determined and the account corrected retroactive to the effective date of the benefit. If workmen's compensation benefits are paid in lump sums, the board shall reduce the disability retirement annuity on a monthly rather than a lump sum basis. The amount of the monthly reduction shall be based upon the life expectancy of the retired member. The board may request the assistance of the general manager of Kentucky retirement systems to calculate the reduction in the retirement benefit when lump sum payments are involved, and the general manager shall provide such assistance upon request.

Section 5. KRS 95.863 is amended to read as follows:

(1) Upon total and permanent disability of a member as the result of any cause other than occupational disability, if a member shall have rendered at least ten (10) years of total service, he shall be entitled to a disability retirement annuity. The amount of such annuity shall be equal to two and one-half percent (2 1/2%) of average salary, as defined in KRS 95.851(13), for each full year of total service, subject to a minimum payment of twenty-five percent (25%) of such average salary, and a maximum payment of fifty percent (50%) of average salary. Payment of this annuity shall be made during disability of the member. *Any member who retired prior to June 21, 1974 shall receive an increase of ten dollars ($10) per month for each year or part thereof of retirement prior to June 21, 1974, with a maximum increase of one hundred and seventy dollars ($170) per month.* Upon death of the member, if an eligible widow or minor children survive, such survivors shall be entitled to the regular annuities provided under KRS 95.861.

(2) Any annuity for nonoccupational disability shall begin to accrue upon the expiration of ninety (90) days following the commencement of disability provided that if the member is receiving salary for sick leave for a period of more than ninety (90) days, payment shall accrue from the date such salary ceases. If written application for such annuity shall not have been filed with the board prior to the expiration of ninety (90) days from the date of disability, the annuity shall begin to accrue from the date the application shall be filed but not prior to the expiration of ninety (90) days from the date of disability, nor in any event prior to the time when salary payments to the employe shall have ceased.

Section 6. Any pension increases required by this Act shall begin on the date of the first monthly pension payment after the effective date of this Act.

WHEREAS, the U.S. Army, in 1980, declared seventy-thousand (70,000) M-55 rockets filled with nerve agents VX and GB, and stored at the Lexington-Blue Grass Army Depot near Richmond, as obsolete; and

WHEREAS, the U.S. Army proposes to construct and operate, on the storage site, an incinerator to destroy the obsolete rockets; and

WHEREAS, construction alone of the proposed incineration facility would cost the taxpayers an estimated $12 million, with an added $30 million for equipment; and

WHEREAS, incineration of the M-55 rockets, containing seven hundred thousand (700,000) pounds of nerve gas, will generate hazardous waste; and

WHEREAS, it is necessary for the U.S. Army to obtain environmental permits from the Kentucky Natural Resources and Environmental Protection Cabinet for the proposed incineration facility; and

WHEREAS, even if the proposed incineration facility is legally permitted, accidents involving the nerve gas are still possible, such as the 1979 incident at the Depot which resulted in the evacuation of fifty (50) families and the temporary closing of Interstate 75;

NOW, THEREFORE,

[~~There shall be provided by the county board of elections to each precinct the original registration form of each voter entitled to vote in that precinct. (2) As soon as the polls are closed, and the last voter has voted, the judges shall immediately lock and seal the operating lever or mechanism of the machine so that the voting and counting mechanism will be prevented from operation, and they shall then sign a certificate stating:

(a) That the machine has been locked against voting and sealed;

(b) The number of voters, as shown on the public counters;

(c) The number registered on the protective or accumulative counter or device, if any; and

(3) The judges, in the presence of the representatives mentioned in subsection (1), if any, and of all other persons who may be lawfully within the polling place, shall then make visible the registering counters, and, for that purpose, shall unlock and open the doors, or other covering concealing the same, giving full view of all the counter numbers. The judges shall, under the scrutiny of such representatives, and in the order of the offices as their titles are arranged on the machine, read and announce, in distinct tones, the results as

shown by the counter numbers for each candidate and for and against each question voted on. The counters shall not be read consecutively along the party rows or columns, but shall always be read along the office columns or rows, completing the canvass for each office or question before proceeding to the next. The vote as registered shall be entered by the judges, in ink, on quadruplicate return sheets, and also on a general return sheet and statement, all of which, after the canvass is completed, shall be signed by the judges. The total votes cast for each candidate, and for and against each question, and the votes written in *for write-in candidates registered as required by KRS 118.366, and by Section 2 of this Act,* shall then be entered on the general and quadruplicate return sheets and statement. There shall also be entered on the general return sheet and statement the number of voters who have voted, as shown by the lists of voters, and the number who have voted on each machine, as shown by the public counters, and also the number registered on the protective or accumulative counter or device on each machine immediately after the closing thereof and sealing of the machine. The number or other designation of each machine used shall also be entered thereon. In the case of primary elections, quadruplicate return sheets shall remain exposed to view until the said returns and all other reports have been fully completed.

(4) The proclamation of the result of the votes cast shall be announced distinctly and audibly by one of the judges of election, who shall read the name of the vote cast for each candidate and the vote for and against each question submitted. During such proclamation ample opportunity shall be given to any person lawfully present to compare the results so announced with the counter dials of the machine, and any necessary corrections shall then and there be made by the judges, after which the doors or other cover of the voting machine shall be closed and locked and the return sheet shall be signed by each of the judges of election. If any judge shall decline to sign such return, he shall state his reason therefor in writing, and a copy thereof, signed by him, shall be enclosed with such return. Each of the return sheets shall be enclosed in an envelope, which shall be securely sealed, and each of the judges shall write his name across the fold of the envelope. One (1) of the quadruplicate return sheets, along with the general return sheet and precinct list, shall be directed to the county board of elections of the county in which the election is being held, one (1) to the county clerk of the county in which the election is being held and one (1) to the local governing body of each of the two (2) dominant political parties. Said envelope shall have endorsed thereon a certificate of the election officers, stating the number of the machine, the precinct where it has been used, the number on the seal, and the number on the protective or accumulative counter or device at the close of the polls. Following the tabulation of all votes cast in the election, including absentee votes, the county board shall immediately mail the tabulation result, the general return sheets and the precinct lists from each precinct to the state board of elections.

(5) As soon as possible after the completion of the count, the election officers shall return to the county board of elections the keys to the voting machine received and receipted for by them, and the county clerk in which the precinct is located shall have the voting machine properly boxed or securely covered and removed to a proper and secure place of storage.

(6) In primary elections, each candidate or group of candidates may designate to the county board of elections a representative to witness and check the vote count. In regular elections, the governing authority of each political party, each candidate for member of board of education, independent candidate or independent ticket may designate a representative to the county board of elections to witness and check the vote count. The county board of elections shall authorize representatives of the news media to observe the taking of the tally of votes from the voting machine in each precinct in each primary, regular or special election.

(7) If supplemental paper ballots have been approved, as provided in KRS 118.215, after the polls are closed, the precinct election officials shall stamp "Unused" on all supplemental paper ballots not used. The election officers shall string all used ballots' stubs upon a string provided for that purpose, and the stubs shall be placed in an envelope. The sheriff and the judge from the opposite political party from the sheriff shall return to the county clerk's office the locked ballot box, all ballot stubs, spoiled ballots and unused ballots at the same time as the tabulation of votes from the voting machine is delivered. The county clerk shall issue a receipt for the number of ballot stubs, unused ballots, spoiled ballots and the ballot box. The county board of elections, or its designee, shall count and tally the paper ballots manually or with the use of tabulating equipment which does not involve an additional voting system. The results of the vote tally shall be certified by the county board of elections to the county clerk and to the secretary of state. The county board of elections shall authorize the candidates or their representatives and representatives of the news media to be present during the counting of the paper ballots. The county clerk shall retain the paper ballots for sixty (60) days, after which time they shall be burned by the county board of elections if no contest or recount action has been filed.

Records shall be maintained in such a manner that a specific piece of printed material listing issues and candidates can be matched with the specific ballot cards which were marked in reliance upon such printed material. Such documents and records shall be maintained for *thirty (30)* [~~fifteen (15)~~] days following an election.

Section 9. This Act shall become effective January 1, 1985.

HB 864, AN ACT relating to the area development fund.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 42.350 is amended to read as follows:

(1) The area development fund in the state treasury shall be administered by the *department for local government* [~~finance and administration cabinet~~]. The fund may receive state appropriations, gifts, grants and federal funds and shall be disbursed by the state treasurer upon the warrant of the *commissioner of the department for local government* [~~secretary of the finance and administration cabinet~~]. Any unallotted or unencumbered balances in the fund shall be invested in United States government securities maturing not later than one (1) year from the date of investment and the income from such investments shall be prorated for expenditure for capital projects in area development districts according to the formula provided in KRS 42.370.

(2) Money in the fund shall be used only for capital projects which contribute to community or industrial development in the Commonwealth, KRS 45.050 notwithstanding. Capital projects eligible for financing out of the fund include and shall be limited to:

(a) The construction, reconstruction, renovation and maintenance of buildings and other improvements to real estate;

(b) The acquisition of real property and interests in real property;

(c) The purchase of major items of equipment;

(d) Industrial site development projects, including land reclamation, clearing, grading, draining, landscaping, and the construction of walkways and fences;

(e) The extension and installation of water, gas, sewer, and electrical utilities lines to public facilities and industrial sites;

(f) The provision of solid waste management or disposal systems bringing counties into compliance with state or federal law. All expenses incurred in connection with or incidental to the construction or acquisition of a capital project under this section, including architectural, engineering, legal, and other expenses required for such projects may be paid out of the fund. Money in the fund may be used to retire a mortgage or other indebtedness encumbering an eligible capital project made on and after January 1, 1977 to secure the repayment of monies loaned or advanced to finance the construction or acquisition of such project, and may be used in match or in combination with funds obtained from other sources for an eligible capital project. No money shall be expended out of the fund, directly or indirectly, to pay or reimburse the cost of any feasibility study, master plan for any capital improvement development or redevelopment project, the purchase of consumable supplies or any administrative salary, or other operating or capital expense of any area development district, or for the acquisition, construction, reconstruction, renovation or maintenance of any building or property of schools, state institutions of higher learning, or any road, street, bridge or highway.

(3) The board of directors of each area development district shall determine from among the capital project proposals submitted by eligible beneficiary agencies, the capital projects to be proposed to be constructed or acquired out of the fund. The area development districts shall submit to the *commissioner of* [~~secretary of the finance and administration cabinet through~~] the department for local government the capital projects selected for construction or acquisition within the districts. Each project proposal shall include: a detailed description of the project; a statement of the public benefit to be derived from the project; if available, design plans and specifications for the project; an itemized estimate of the cost of the project; a statement of the sources and amounts of funds available from any other source for the construction or acquisition of the project; and such other information relating to the proposed capital project as the department for local government [~~or the finance and administration cabinet~~] may require.

Section 2. KRS 42.355 is amended to read as follows:

(1) The department for local government shall examine each capital project selected by the area development districts, and when it finds that a proposed project conforms to the requirements of KRS 42.350 to 42.370; that the estimated costs of the project are reasonable; that the costs proposed to be paid from the fund are within the amount available; and that the proposed beneficiary agency will be reasonably able to finance the operation and maintain the capital project during its estimated useful life, the commissioner of the department for local government shall *approve it* [~~transmit the project proposal to the secretary of the finance and administration cabinet with a recommendation for approval~~]. If the department for local government determines that a capital project proposal does not conform to the requirements of KRS 42.350 to 42.370, that the estimated costs of the project are excessive or unreasonable in light of the public benefit to

be derived from the project; or; the unencumbered balance in the fund available for expenditure in the area development district is insufficient to pay the costs of the project, or the part thereof proposed to be paid out of the fund, or the beneficiary agency cannot reasonably finance the operation of or maintain the capital project during its estimated useful life, the project proposal shall be disapproved by the department for local government. The final decision to either approve or disapprove any project proposal shall be made no later than forty-five (45) days following official submittal by the area development district, and the area development district shall be accordingly notified at that time.

(2) When the *commissioner of the department for local government* [~~secretary of the finance and administration cabinet~~] has approved a capital project, *he* [~~the finance and administration cabinet~~] shall cause detailed cost estimates, site surveys, appraisals, architectural and engineering designs, and plans and specifications to be prepared, award and enter into contracts, and do all other things necessary and proper for the construction or acquisition of the capital project; provided, however, that the department may, in its discretion, adopt and rely upon detailed cost estimates, site surveys, appraisals, architectural designs and plans and specifications for capital projects prepared for and submitted by the beneficiary agency of the proposed project.

(3) Except when a direct grant for a capital project is made to a beneficiary agency as authorized under subsection (4) of this section, the *department for local government* [~~finance and administration cabinet~~] shall award and administer, or shall delegate to beneficiary agencies, and control, the award and administration of all contracts for the construction or acquisition of all capital projects wholly financed out of the fund, in accordance with the provisions of KRS Chapters 45 and 56. All contracts awarded under this section for the construction, reconstruction or renovation of a building or other improvement to real estate shall be deemed to be contracts for public works within the meaning of KRS 341.317 and KRS Chapter 376 and other applicable laws.

(4) The [~~secretary of the finance and administration cabinet, after consultation with the~~] commissioner of the department for local government[~~,~~] may make direct grants in aid of money out of the fund to any beneficiary agency for the construction or acquisition of any approved capital project, the estimated cost of which does not exceed the greater amount of fifty thousand dollars ($50,000), or one-third (1/3) of the total estimated cost of the project, *except that all allotments to area development districts shall be in the form of direct grants.* When a direct grant in aid has been made to a beneficiary agency, all contracts awarded for the purchase of materials, supplies, equipment or services, except professional and technical services, required for the construction or acquisition of the project shall be awarded to the lowest and best bidder in the discretion of the beneficiary agency after public advertisement as required by KRS Chapter 424 or other applicable law. All beneficiary agencies receiving a direct grant in aid under this subsection shall keep and maintain complete and accurate records of accounts of all expenditures of the grant monies which shall be subject to audit by the Commonwealth for a period of five (5) years after completion of the capital project. Any grant monies not required after all of the costs of the capital project have been paid by the beneficiary agency shall be promptly returned to the Commonwealth for reallocation for expenditure for other capital projects in the area development district to which such funds had been originally allocated.

(5) No capital project shall be constructed under KRS 42.350 to 42.370 except upon land to which (a) the Commonwealth, a political subdivision of the Commonwealth or the beneficiary agency of the capital project has a good and marketable title, free of encumbrances, or (b) the beneficiary agency of the project has the right to the uninterrupted use, occupancy and possession for a period longer than the estimated useful life of the capital project; provided nothing herein shall prohibit the construction or renovation of public buildings on land with an existing encumbrance to secure payment of funds obtained for the acquisition or improvement of said land. Each beneficiary agency shall execute and deliver to the Commonwealth its written assurances, which shall be binding on such agencies' successors and assigns, guaranteeing that during its estimated useful life, the capital project shall be operated and maintained for public purposes and pledging that no mortgage or other encumbrances shall be placed against any capital project wholly financed out of the fund, except industrial development projects, for the breach of which assurances the Commonwealth shall have right of entry to the capital project and the beneficiary agency, or its successors and assigns, shall forthwith convey the title to the capital project to the Commonwealth. Similar assurances shall be executed and delivered to the Commonwealth by the beneficiary agencies of capital projects financed in part out of the fund and in part from other sources, except that when such additional funding is derived from the issuance and sale of revenue bonds or under other statutorily authorized financing methods, to secure the repayment of which funds a statutory mortgage lien is granted in favor of any person or group of persons, the capital project may be encumbered to the extent authorized or required by the law under which such financing method was undertaken; nor shall anything in this section prohibit the encumbrance of any real property located within an industrial park or constituting an industrial site, developed or improved as a capital project under KRS 42.350 and this section, by any person, firm, company, partnership, or corporation to which such property has been conveyed, to obtain financing for the construction upon such property of industrial and commercial buildings. The written assurances provided by beneficiary agencies under this section shall be lodged for recording and recorded in the office of the county clerk of the county in which the proposed

project shall be located.

Section 3. KRS 42.360 is amended to read as follows:

The *commissioner of the department for local government* [~~secretary of the finance and administration cabinet~~] shall promulgate such rules and regulations governing submission and approval of proposed capital projects, the expenditure of moneys from the fund, the designation of beneficiary agencies and the title to capital projects and real property involved in capital projects as shall be appropriate to the implementation of KRS 42.350 and 42.355.

The Committee Substitute to **HB 864** is as follows:

HB 864, AN ACT relating to the area development fund.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 42.350 is amended to read as follows:

(1) The area development fund in the state treasury shall be administered by the *department for local government* [~~finance and administration cabinet~~]. The fund may receive state appropriations, gifts, grants and federal funds and shall be disbursed by the state treasurer upon the warrant of the *commissioner of the department for local government* [~~secretary of the finance and administration cabinet~~]. Any unallotted or unencumbered balances in the fund shall be invested in United States government securities maturing not later than one (1) year from the date of investment and the income from such investments shall be prorated for expenditure for capital projects in area development districts according to the formula provided in KRS 42.370.

(2) Money in the fund shall be used only for capital projects which contribute to community or industrial development in the Commonwealth, KRS 45.050 notwithstanding. Capital projects eligible for financing out of the fund include and shall be limited to:

(a) The construction, reconstruction, renovation and maintenance of buildings and other improvements to real estate;

(b) The acquisition of real property and interests in real property;

(c) The purchase of major items of equipment;

(d) Industrial site development projects, including land reclamation, clearing, grading, draining, landscaping, and the construction of walkways and fences;

(e) The extension and installation of water, gas, sewer, and electrical utilities lines to public facilities and industrial sites;

(f) The provision of solid waste management or disposal systems bringing counties into compliance with state or federal law. All expenses incurred in connection with or incidental to the construction or acquisition of a capital project under this section, including architectural, engineering, legal, and other expenses required for such projects may be paid out of the fund. Money in the fund may be used to retire a mortgage or other indebtedness encumbering an eligible capital project made *within the preceding five (5) calendar years* [~~on and after January 1, 1977~~] to secure the repayment of monies loaned or advanced to finance the construction or acquisition of such project, and may be used in match or in combination with funds obtained from other sources for an eligible capital project. No money shall be expended out of the fund, directly or indirectly, to pay or reimburse the cost of any feasibility study, master plan for any capital improvement development or redevelopment project, the purchase of consumable supplies or any administrative salary, or other operating or capital expense of any area development district, or for the acquisition, construction, reconstruction, renovation or maintenance of any building or property of schools, state institutions of higher learning, or any road, street, bridge or highway.

(3) The board of directors of each area development district shall determine from among the capital project proposals submitted by eligible beneficiary agencies, the capital projects to be proposed to be constructed or acquired out of the fund. The area development districts shall submit to the *commissioner of* [~~secretary of the finance and administration cabinet through~~] the department for local government the capital projects selected for construction or acquisition within the districts. Each project proposal shall include: a detailed description of the project; a statement of the public benefit to be derived from the project; if available, design plans and specifications for the project; an itemized estimate of the cost of the project; a statement of the sources and amounts of funds available from any other source for the construction or acquisition of the project; and such other information relating to the proposed capital project as the department for local government [~~or the finance and administration cabinet~~] may require.

Section 2. KRS 42.355 is amended to read as follows:

(1) The department for local government shall examine each capital project selected by the area development districts, and when it finds that a proposed project conforms to the requirements of KRS 42.350

to 42.370; that the estimated costs of the project are reasonable; that the costs proposed to be paid from the fund are within the amount available; and that the proposed beneficiary agency will be reasonably able to finance the operation and maintain the capital project during its estimated useful life, the commissioner of the department for local government shall *approve it* [~~transmit the project proposal to the secretary of the finance and administration cabinet with a recommendation for approval~~]. If the department for local government determines that a capital project proposal does not conform to the requirements of KRS 42.350 to 42.370, that the estimated costs of the project are excessive or unreasonable in light of the public benefit to be derived from the project; or; the unencumbered balance in the fund available for expenditure in the area development district is insufficient to pay the costs of the project, or the part thereof proposed to be paid out of the fund, or the beneficiary agency cannot reasonably finance the operation of or maintain the capital project during its estimated useful life, the project proposal shall be disapproved by the department for local government. The final decision to either approve or disapprove any project proposal shall be made no later than forty-five (45) days following official submittal *of a complete proposal* by the area development district, and the area development district shall be accordingly notified at that time.

(2) [~~When the secretary of the finance and administration cabinet has approved a capital project, the finance and administration cabinet shall cause detailed cost estimates, site surveys, appraisals, architectural and engineering designs, and plans and specifications to be prepared, award and enter into contracts, and do all other things necessary and proper for the construction or acquisition of the capital project; provided, however, that the department may, in its discretion, adopt and rely upon detailed cost estimates, site surveys, appraisals, architectural designs and plans and specifications for capital projects prepared for and submitted by the beneficiary agency of the proposed project.~~

~~(3) Except when a direct grant for a capital project is made to a beneficiary agency as authorized under subsection (4) of this section, the finance and administration cabinet shall award and administer, or shall delegate to beneficiary agencies, and control, the award and administration of all contracts for the construction or acquisition of all capital projects wholly financed out of the fund, in accordance with the provisions of KRS Chapters 45 and 56. All contracts awarded under this section for the construction, reconstruction or renovation of a building or other improvement to real estate shall be deemed to be contracts for public works within the meaning of KRS 341.317 and KRS Chapter 376 and other applicable laws.~~

~~(4)~~] The [~~secretary of the finance and administration cabinet, after consultation with the~~] commissioner of the department for local government[~~,~~] may make direct grants in aid of money out of the fund to any beneficiary agency for the construction or acquisition of any approved capital project[~~, the estimated cost of which does not exceed the greater amount of fifty thousand dollars ($50,000), or one-third (1/3) of the total estimated cost of the project.~~] When a direct grant in aid has been made to a beneficiary agency, all contracts awarded for the purchase of materials, supplies, equipment or services, except professional and technical services, required for the construction or acquisition of the project shall be awarded to the lowest and best bidder in the discretion of the beneficiary agency after public advertisement as required by KRS Chapter 424 or other applicable law. *All contracts awarded under this section for the construction, reconstruction or renovation of a building or other improvement to real estate shall be deemed contracts for public works within the meaning of KRS 341.317 and KRS Chapter 376 and other applicable statutes.* All beneficiary agencies receiving a direct grant in aid under this subsection shall keep and maintain complete and accurate records of accounts of all expenditures of the grant monies which shall be subject to audit by the Commonwealth for a period of five (5) years after completion of the capital project. *Beneficiary agencies shall complete approved capital projects within a reasonable period of time as determined by the department for local government. Upon completion of capital projects, beneficiary agencies shall submit project completion reports to the department for local government as prescribed by the department for local government and containing such documents and information as may be necessary to determine compliance with KRS 42.350 through 42.360 and other applicable statutes and administrative regulations. Beneficiary agencies shall be liable to repay to the fund any granted funds for failure to submit full project completion reports within a reasonable period of time or for expenditure of granted funds in violation of statutes and regulations. No additional area development funds may be approved until compliance, except at the discretion of the commissioner of the department.* Any grant monies not required after all of the costs of the capital project have been paid by the beneficiary agency shall be promptly returned to the Commonwealth for reallocation for expenditure for other capital projects in the area development district to which such funds had been originally allocated.

(3)[~~(5)~~] No capital project shall be constructed under KRS 42.350 to 42.370 except upon land to which (a) the Commonwealth, a political subdivision of the Commonwealth or the beneficiary agency of the capital project has a good and marketable title, free of encumbrances, or (b) the beneficiary agency of the project has the right to the uninterrupted use, occupancy and possession for a period longer than the estimated useful life of the capital project; provided nothing herein shall prohibit the construction or renovation of public buildings on land with an existing encumbrance to secure payment of funds obtained for the acquisition or improvement of said land. Each beneficiary agency shall execute and deliver to the Commonwealth its written assurances, which shall be binding on such agencies' successors and assigns,

guaranteeing that during its estimated useful life, the capital project shall be operated and maintained for public purposes and pledging that no mortgage or other encumbrances shall be placed against any capital project wholly financed out of the fund, except industrial development projects, for the breach of which assurances the Commonwealth shall have right of entry to the capital project and the beneficiary agency, or its successors and assigns, shall forthwith convey the title to the capital project to the Commonwealth. Similar assurances shall be executed and delivered to the Commonwealth by the beneficiary agencies of capital projects financed in part out of the fund and in part from other sources, except that when such additional funding is derived from the issuance and sale of revenue bonds or under other statutorily authorized financing methods, to secure the repayment of which funds a statutory mortgage lien is granted in favor of any person or group of persons, the capital project may be encumbered to the extent authorized or required by the law under which such financing method was undertaken; nor shall anything in this section prohibit the encumbrance of any real property located within an industrial park or constituting an industrial site, developed or improved as a capital project under KRS 42.350 and this section, by any person, firm, company, partnership, or corporation to which such property has been conveyed, to obtain financing for the construction upon such property of industrial and commercial buildings. The written assurances provided by beneficiary agencies under this section shall be lodged for recording and recorded in the office of the county clerk of the county in which the proposed project shall be located.

Section 3. KRS 42.360 is amended to read as follows:

The *commissioner of the department for local government* [~~secretary of the finance and administration cabinet~~] shall promulgate such rules and regulations governing submission and approval of proposed capital projects, the expenditure of moneys from the fund *and* [~~,~~] the designation of beneficiary agencies [~~and the title to capital projects and real property~~] involved in capital projects as shall be appropriate to the implementation of KRS 42.350 and 42.355.

Appeals shall be taken to the circuit court of the county wherein the hearing was conducted, provided, however, that an appeal involving a nonresident claimant may be taken by a state agency to the Franklin Circuit Court with the approval of the board. No state agency can appeal any decision of the board without securing the prior approval of the attorney general. Appeals shall be taken within forty-five (45) days from the rendition of the award, and the method of appeals shall follow as nearly as may be the rules of civil procedure, except the Commonwealth shall not be required to execute bond.

(2) Any claimant whose claim is five hundred dollars ($500) or greater may within forty-five (45) days after receipt of the copy of the report containing the final decision of the board, file a proceeding in the circuit court of the county wherein the hearing was conducted to review the decision of the board. A copy of the filing and complaint shall be served on the attorney general in the manner provided by the rules of civil procedure.

(3) *The board, the state agency and the claimant shall be necessary parties to such appeals. It shall not be necessary for the board to file responsive pleadings unless it so desires.*

(4) The executive director of the board shall within thirty (30) days after service of the summons file the entire original record properly bound, with the clerk of the circuit court, after certifying that such record is the board's entire original record and such record shall be considered by the circuit court in its review. If either party requests a transcript of the evidence in writing, the requesting party shall bear the cost of the original copy of the transcript and it shall be furnished within ninety (90) days from the date of the written request.

(5) On appeal no new evidence may be introduced, except as to fraud or misconduct of some person engaged in the hearing before the board. The court sitting without a jury shall hear the cause upon the record before it, and dispose of the appeal in a summary manner, being limited to determining: Whether or not the board acted without or in excess of its powers; the award was procured by fraud; the award is not in conformity to the provisions of KRS 44.070 to 44.160; and whether the findings of fact support the award. The court shall enter its findings on the order book as a judgment of the court, and such judgment shall have the same effect and be enforceable as any other judgment of the court in civil causes.

The Committee on Judiciary-Civil reported **HB 210,** with Committee Substitute attached thereto, with the expression of opinion that the same should pass. Ordered referred to the Committee on Rules.

The Committee Substitute to **HB 210** is as follows:

HB 210, AN ACT relating to alcoholic beverage control administration.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 243.560 is amended to read as follows:

(1) Any order of the board refusing, revoking or suspending a license may be appealed from by the applicant or licensee, and any order of the board granting or refusing to revoke or suspend a license may be appealed from by any citizen feeling himself aggrieved.

(2) The person aggrieved may, within ten (10) days after the entry of the order with which he is dissatisfied, file in the office of the clerk of the *circuit court of the county in which the aggrieved person is licensed or seeking licensure to conduct business* [~~Franklin Circuit Court~~] an attested copy of the order, of all the evidence heard, and of all the steps taken by the board relative to the contested order, but shall first post a bond to secure the costs of that action, in a sum approved by the circuit clerk, with a corporate surety approved by the department of insurance as to solvency and responsibility and authorized to transact business

in this state.

(3) The board and the licensee or applicant shall be necessary parties to such appeals. The circuit court clerk shall docket the case as though it were a petition in equity, and shall immediately issue a summons for the board, if the appeal is taken by an applicant or licensee, or a summons for the board and the licensee, if the appeal is prosecuted by a citizen. The summons shall be returnable in the same manner as summons in equity cases. If the appeal is from an order refusing, revoking or suspending a license, the board, when served with the summons, or such person as the board may designate, shall appear and defend the action of the board in refusing, revoking or suspending the license in question. If the appeal is from an order granting or refusing to revoke or suspend a license the burden of appearing and defending the action of the board shall be upon the licensee.

(4) No formal pleading shall be required in appeals from orders of the board.

Section 2. KRS 243.570 is amended to read as follows:

(1) The case shall be set down by the court for as early a day as possible for a hearing, and shall in all respects be expedited in the same manner as a declaratory judgment suit.

(2) No new or additional evidence shall be introduced in the *circuit court* [~~Franklin Circuit Court~~] except as to the fraud or misconduct of some party engaged in the administration of this chapter and affecting the order appealed from, but the court shall otherwise hear the case upon the record as attested by the board, and shall in all respects dispose of the appeal in a summary manner. Its review shall be limited to determining whether or not:

(a) The board acted without or in excess of its powers;

(b) The order appealed from was procured by fraud;

(c) If questions of fact are in issue, whether or not any substantial evidence supports the order appealed from.

(3) After such a hearing the court shall enter a judgment sustaining or setting aside the order of the board appealed from or remanding the case to the board for further consideration.

(4) If the appeal is from an order of the board refusing, revoking or suspending a license, the costs shall be taxed against the applicant or licensee in any event. If the appeal is from an order issuing or refusing to revoke or suspend a license, the costs shall be taxed against the citizen who, feeling himself aggrieved, has contested the order, if the order of the board issuing or refusing to revoke or suspend the license is sustained. If the order is set aside with direction to the board to refuse, revoke or suspend the license, the costs shall be taxed against the licensee.

Section 3. KRS 243.580 is amended to read as follows:

(1) No order of the board issuing a license shall become effective, and no license under that order shall be issued, until the expiration of ten (10) days after the date of the entry of the order. If, within the period of ten (10) days, an appeal from the order of the board has been filed as provided by KRS 243.560 the order shall not become effective until the appeal has been finally determined.

(2) If a license is revoked or suspended by an order of the board, the licensee shall at once suspend all operations authorized under his license, except as provided by KRS 243.540, though he files an appeal in the *circuit court* [~~Franklin Circuit Court~~] from the order of revocation or suspension.

(3) No court may enjoin the operation of an order of revocation or suspension pending an appeal. If upon appeal to the *circuit court* [~~Franklin Circuit Court~~] an order of suspension or revocation is upheld, or if an order refusing to suspend or revoke a license is reversed, and an appeal is taken to the Court of Appeals, no court may enjoin the operation of the judgment of the *circuit court* [~~Franklin Circuit Court~~] pending the appeal.

Section 4. KRS 243.590 is amended to read as follows:

Any party aggrieved by a judgment of the *circuit court* [~~Franklin Circuit Court~~] may appeal to the Court of Appeals in accordance with the Rules of Civil Procedure.

SB 173, AN ACT relating to crimes and punishments.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 439.315 is amended to read as follows:

(1) A person placed by a releasing authority on probation, parole, or other form of release subject to supervision by the corrections cabinet, or the office of community services, shall pay a fee to offset the costs of supervising the probation, parole, or other supervised release.

(2) The fees shall be as follows:

(a) For a felony, not less than five hundred dollars ($500) nor more than two thousand five hundred dollars ($2,500).

(b) For a misdemeanor, not less than one hundred dollars ($100) nor more than five hundred dollars ($500).

(3) The fee may be ordered paid in a lump sum or installments. If the fee is to be paid in a lump sum the person shall not be released from custody until the fee is paid in full. If the fee is to be paid in installments the person may be released on such terms and conditions as are set by the releasing authority.

(4) Upon the failure of a person to pay an installment on a fee set forth in a release agreement the releasing authority shall hold a hearing to determine why the installment has not been paid. Failure without good cause to pay an installment pursuant to a release agreement shall be grounds for the revocation of probation, parole, conditional release, or other form of release upon which the person has been released.

(5) The releasing authority shall hold a hearing to determine the ability of the defendant to make such payments and in making this determination the releasing authority shall take into account the amount of any fine imposed upon the defendant and any amount the defendant has been ordered to pay in restitution. The releasing authority may waive the payment of the fee in whole or in part if it finds that any of the following factors exist:

(a) The offender has diligently attempted, but has been unable, to obtain employment which provides him sufficient income to pay said fee.

(b) The offender is a student in a school, college, university, or course of vocational or technical training designed to fit the student for gainful employment. Certification of such student status shall be supplied to the releasing authority by the educational institution in which the offender is enrolled.

(c) The offender has an employment handicap, as determined by a physical, psychological, or psychiatric examination acceptable to, or ordered by, the releasing authority.

(d) The offender is responsible for the support of dependents, and the payment of said fee constitutes an undue hardship on the offender or his dependents.

(e) Any other factor which may bear upon the defendant's financial capacity to pay said fee.

(6) At any time during the pendency of the judgment or order rendered according to the terms of this section, a defendant may petition the releasing authority to modify or vacate its previous judgment or order on the grounds of change of circumstances with regard to the defendant's ability to pay said fee. The releasing authority shall advise the defendant of this right at the time of the rendering of the judgment or order placing the defendant on probation, parole, or other supervised release.

(7) All sums paid by the defendant pursuant to this section shall be paid into the general fund.

(8) When granting a release of any defendant by way of probation, parole, or otherwise, the releasing authority shall make the payment of this fee a condition of such release, unless the authority specifically

waives the fee, and nonpayment shall be grounds for revocation of the release as provided in KRS 533.050.

(9) All fees fixed under the provisions of this section shall be collected by the circuit clerk of the county involved.

(10) The corrections cabinet and office of community services shall for each person released under its supervision keep an account of all payments made, maintain copies of all receipts issued by the circuit clerk and report delinquencies to the court.

(11) In counties containing an urban-county form of government, persons placed by a releasing authority on probation, parole, or other release subject to supervision by the adult misdemeanant probation and work release agency of the urban-county government shall pay a fee to offset the costs of supervising the probation, parole, or other supervised release. The fees shall be assessed by the releasing authority in accordance with the provisions of subsections (2), (3), (4), (5), (6), (8) and (9) of this section. All sums paid by the defendant under this subsection shall be paid into the general fund of the urban-county government in lieu of the payment specified in subsection (7) of this section. All fees fixed under this subsection shall be collected by the circuit clerk of the urban county involved. The adult misdemeanant probation and work release agency of the urban-county government shall for each person released under its supervision keep an account of all payments made, maintain copies of all receipts issued by the circuit clerk and report delinquencies to the court.

HB 901, AN ACT relating to insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.1-010 is amended to read as follows:

This chapter constitutes the Kentucky insurance code. This chapter consists of *several* [~~forty-three (43)~~] subtitles[~~, subtitles 1 to 42 and subtitle~~ 99]. The general assembly intends that each subtitle retain its separate identification within chapter 304 of the Kentucky Revised Statutes.

Section 2. KRS 304.3-090 is amended to read as follows:

No foreign insurer shall be authorized to transact insurance in Kentucky, which has not been issuing its own policies as an authorized insurer for at least three (3) years in its state or country of domicile, unless the insurer is otherwise qualified for a certificate of authority under this code and is:

(1) The wholly owned subsidiary *as defined in KRS 304.37-010(6)* of an insurer which is already an authorized insurer in Kentucky; or

(2) The successor in interest through statutory merger or statutory consolidation, or through bulk reinsurance of substantially all of the insurance risks in this state, of an authorized insurer; or

(3) An insurer organized solely for the purpose of insuring against earthquake, flood, nuclear radiation, war or other special hazards to property or liability for which, in the opinion of the commissioner, adequate provision is not made by insurers already authorized in this state.

Section 3. KRS 304.3-120 is amended to read as follows:

(1) Except as provided in subsection (2) of this section, to qualify for authority to transact insurance (as defined in subtitle 5), an insurer shall possess and thereafter maintain unimpaired paid-in capital stock (if a stock insurer) or unimpaired basic surplus (if a foreign mutual, reciprocal or Lloyd's insurer), and when first so authorized shall possess initial free surplus, all in amounts not less than as determined from the following table:

Foreign Mutual,		Reciprocal and		Stock Insurers	Lloyd's Insurers
Minimum Required Capital Stock	Initial Free Surplus	Minimum Required Basic Surplus	Initial Free Surplus		
$1,000,000	$2,000,000	$1,000,000	$2,000,000		

(2) An insurer holding a valid certificate of authority to transact insurance in this state immediately prior to July 15, 1982, may, if otherwise qualified therefor, continue to be so authorized while possessing paid-in capital stock (if a stock insurer) or surplus (if a mutual, reciprocal or Lloyd's insurer) as required for such authority immediately prior to July 15, 1982. The commissioner shall not authorize such an insurer to transact any other kinds of insurance unless it then complies with the requirements as to capital and surplus. Notwithstanding the other provisions hereof, the exception provided in this subsection (2) shall cease to apply to any such insurer from and after the date upon which it has accumulated surplus in an amount equal to two hundred percent (200%) of the initial free surplus (if a stock or foreign mutual, reciprocal or Lloyd's insurer) or the surplus (if a domestic mutual insurer) required under other provisions of this code to qualify for authority to transact the kind or kinds of insurance being transacted by it.

(3) Each insurer shall at all times maintain bona fide additional surplus in the amount of *two hundred fifty thousand dollars ($250,000). Insurers holding a valid certificate of authority to transact insurance in this state immediately prior to the effective date of this Act may, if otherwise qualified therefor, continue to be so authorized while possessing additional surplus as required for such authority immediately prior to this Act. No agent, solicitor, consultant, adjuster, or surplus lines broker shall directly or indirectly share his commission or other compensation received or to be received on account of a transaction under his license with any person not also licensed as agent, solicitor, consultant, adjuster, or surplus lines broker under this subtitle as to the kinds of insurance involved in the transaction. This provision shall not affect personal use of such commissions or compensation, payment of the regular salaries due employes of the agent, consultant, adjuster, or surplus lines broker, or distribution in the regular course of business of compensation and profits among members or stockholders of licensee firms or corporations.

Section 10. KRS 304.10-170 is amended to read as follows:

(1) Each broker shall, on or before the first day of *April* [~~March~~] of each year, file with the commissioner a verified statement of all surplus lines insurance transacted by him during the preceding calendar year.

(a) Gross amount of each kind of insurance transacted;

(b) Aggregate of gross premiums charged;

(c) Aggregate of returned premiums paid insureds;

(d) Aggregate of net premiums; and

(e) Additional information as required by the commissioner.

Section 11. KRS 304.14-120 is amended to read as follows:

(1) No basic insurance policy or annuity contract form, or application form where written application is required and is to be made a part of the policy or contract, or printed rider or indorsement form or form of renewal certificate, shall be delivered, or issued for delivery in this state, unless the form has been filed with and approved by the commissioner. This provision shall not apply to surety bonds, or to specially rated inland marine risks, or to policies, riders, indorsements or forms of unique character designed for and used with relation to insurance upon a particular subject, or which relate to the manner or distribution of benefits or to the reservation of rights and benefits under life or health insurance policies and are used at the request of the individual policyholder, contract holder, or certificate holder. As to group insurance policies issued and delivered to an association outside this state but covering persons resident in this state, all or substantially all of the premiums for which are payable by the insured members, the group certificates to be delivered or issued for delivery in this state shall be filed with and approved by the commissioner. As to forms for use in property, marine (other than wet marine and transportation insurance), casualty and surety insurance coverages the filing required by this subsection may be made by rating organizations on behalf of its members and subscribers; but this provision shall not be deemed to prohibit any such member or subscriber from filing any such forms on its own behalf.

(2) Every such filing shall be made not less than sixty (60) days in advance of any such delivery. At the expiration of such sixty (60) days the form so filed shall be deemed approved unless prior thereto it has been affirmatively approved or disapproved by order of the commissioner. Approval of any such form by the commissioner shall constitute a waiver of any unexpired portion of such waiting period. The commissioner may extend by not more than a thirty-day period within which he may so affirmatively approve or disapprove any such form, by giving notice to the insurer of such extension before expiration of the initial sixty-day period. At the expiration of any such period as so extended, and in the absence of such prior affirmative approval or disapproval, any such form shall be deemed approved. The commissioner may at any time, after notice and for cause shown, withdraw any such approval.

(3) Any order of the commissioner disapproving any such form or any notice of the commissioner withdrawing a previous approval shall state the grounds therefor and the particulars thereof in such detail as reasonably to inform the insurer thereof. Any such withdrawal of a previously approved form shall be effective at expiration of such period, not less than thirty (30) days after the giving of the notice of withdrawal, as the commissioner shall in such notice prescribe.

(4) The commissioner may, by order, exempt from the requirements of this section for so long as he deems proper any insurance document or form or type thereof as specified in such order, to which, in his opinion, this section may not practicably be applied, or the filing and approval of which are, in his opinion, not desirable or necessary for the protection of the public.

(5) Appeals from orders of the commissioner disapproving any such form or withdrawing a previous approval *shall* [~~may~~] be taken as provided in subtitle 2 *of this chapter.*

Section 12. KRS 304.18-120 is amended to read as follows:

(1) A converted policy issued pursuant to the conversion privilege contained in a group policy providing hospital or surgical expense insurance shall provide on an expense incurred basis, the following minimum benefits:

(a) Hospital room and board benefits of twenty-five dollars ($25.00) per day, for a minimum duration of seventy (70) days for any one period of hospital confinement as defined in the converted policy.

(b) Miscellaneous hospital expense benefits for any one period of hospital confinement in a minimum amount up to twenty (20) times the hospital room and board daily benefit provided under the converted policy.

(c) Surgical operation expense benefits according to a relative value schedule, or a minimum of $250.

(d) The option to continue any existing benefits on account of pregnancy, childbirth, or miscarriage.

(2) The relative values in the surgical schedule shall be consistent with the schedule of operations generally offered by the insurer under group or individual health insurance policies. In the event that the insurer and the group policyholder agree upon one (1) or more additional plans of benefits to be available for converted policies, the applicant for the converted policy may, at his option, elect such a plan in lieu of a converted policy providing the benefits of *paragraphs* (a), (b) and (c) *of* [~~in~~] subsection (1) of this section. In no event shall the benefits be less than the minimums set forth in subsection (1) of this section.

(3) In no event need the insurer provide under the converted policy:

(a) Benefits on account of [~~pregnancy, childbirth, miscarriage,~~] abortion[~~,~~] or complications [~~of any~~] thereof,

(b) The benefits of *paragraphs* (a) and (b) of subsection (1) *of this section* [~~above~~], unless the group policy from which conversion is made provided hospital expense insurance benefits, or

(c) The benefits of *paragraph* (c) of subsection (1) *of this section* [~~above~~], unless the group policy provided surgical expense insurance benefits. Furthermore, the converted policy may contain any exclusion, reduction, or limitation contained in the group policy and any exclusion, reduction or limitation customarily used in individual policies issued by the insurer. With respect to any person who was covered by the group policy, the period specified in the time limit on certain defenses of the incontestable provision of the converted policy shall commence with the date the insurance on such person or member became effective under the group policy.

(4) The converted policy may provide that any hospital, surgical, or medical expense benefits otherwise payable thereunder with respect to any person covered thereunder may be reduced by the amount of any such benefits payable under the group policy for the same loss with respect to such person after termination of such person's coverage thereunder. The insurer shall not be entitled to use deterioration of health as the basis for refusing to renew a converted policy. The converted policy may provide for termination of coverage thereunder on any person when he is or could be covered by Medicare (Title XVIII of the United States Social Security Act as added by the Social Security Amendments of 1965 or as later amended or superseded).

(5) A converted policy may include a provision whereby the insurer may request information in advance of any premium due date of such policy of any person covered thereunder as to whether*:*

(a) He is covered for similar benefits by another hospital, surgical or medical expense insurance policy or hospital or medical service subscriber contract or medical practice or other prepayment plan or by any other plan or program*;* or

(b) Similar benefits are provided for, or available to, such person pursuant to, or in accordance with the requirements of, any statute.

If any such person is so covered or such statutory benefits are provided or available, and such person fails to furnish the insurer the details of such coverage within thirty-one days after the date of such request, the benefits payable under the converted policy may be based on the hospital or surgical or medical expenses actually incurred after excluding expenses to the extent of the amount of benefits provided or available therefor from any of the sources referred to in *paragraphs* (a) and (b) *of this subsection* [~~above~~]. A converted policy may contain any provisions permitted herein and may also include any other provisions not expressly prohibited by law; and any provision required to be permitted herein may be made a part of any such policy by means of an endorsement or rider.

Section 13. KRS 304.32-310 is amended to read as follows:

(1) A converted policy issued pursuant to the conversion privilege provided in KRS 340.32-300 providing hospital or surgical expense insurance shall provide on an expense incurred basis, the following minimum benefits:

(a) Hospital room and board benefits of twenty-five dollars ($25) per day, for a minimum duration of seventy (70) days for any one period of hospital confinement as defined in the converted policy.

(b) Miscellaneous hospital expense benefits for any one (1) period of hospital confinement in a minimum amount up to twenty (20) times the hospital room and board daily benefit provided under the converted policy.

(c) Surgical operation expense benefits according to a relative value schedule, or a minimum of $250.

(d) The option to continue any existing benefits on account of pregnancy, childbirth, or miscarriage.

(2) The relative values in the surgical schedule shall be consistent with the schedule of operations generally offered by the insurer under group or individual health insurance policies. In the event that the insurer and the employer agree upon one or more additional plans of benefits to be available for converted policies, the applicant for the converted policy may, at his option, elect such a plan in lieu of a converted policy providing the benefits of *paragraphs* (a), (b) and (c) *of* [~~in~~] subsection (1) of this section. In no event shall the benefits be less than the minimums set forth in subsection (1) of this section.

(3) In no event need the insurer provide under the converted policy:

(a) Benefits on account of [~~pregnancy, childbirth, miscarriage,~~] abortion[~~,~~] or complications [~~of any~~] thereof,

(b) The benefits of *paragraphs* (a) and (b) of subsection (1) *of this section* [~~above~~], unless the group policy from which conversion is made provided hospital expense insurance benefits, or

(c) The benefits of *paragraph* (c) of subsection (1) above, unless the group policy provided surgical expense insurance benefits. Furthermore, the converted policy may contain any exclusion, reduction, or limitation contained in the group policy and any exclusion, reduction or limitation customarily used in individual policies issued by the insurer. With respect to any person who was covered by the group policy, the period specified in the time limit on certain defenses of the incontestable provision of the converted policy shall commence with the date the insurance on such person or member became effective under the group policy.

(4) The converted policy may provide that any hospital, surgical, or medical expense benefits otherwise payable thereunder with respect to any person covered thereunder may be reduced by the amount of any such benefits payable under the group policy for the same loss with respect to such person after termination of such person's coverage thereunder. The insurer shall not be entitled to use deterioration of health as the basis for refusing to renew a converted policy. The converted policy may provide for termination of coverage thereunder on any person when he is or could be covered by Medicare (Title XVIII of the United States Social Security Act as added by the social security amendments of 1965 or as later amended or superseded).

(5) A converted policy may include a provision whereby the insurer may request information in advance of any premium due date of such policy of any person covered thereunder as to whether*:*

(a) He is covered for similar benefits by another hospital, surgical or medical expense insurance policy or hospital or medical service subscriber contract or medical practice or other prepayment plan or by any other plan or program*;* or

(b) Similar benefits are provided for, or available to, such person pursuant to, or in accordance with the requirements of, any statute.

If any such person is so covered or such statutory benefits are provided or available, and such person fails to furnish the insurer the details of such coverage within thirty (30)-one (31) days after the date of such request, the benefits payable under the converted policy may be based on the hospital or surgical or medical expenses actually incurred after excluding expenses to the extent of the amount of benefits provided or available therefor from any of the sources referred to in *paragraphs* (a) and (b) *of this subsection* [~~above~~]. A converted policy may contain any provisions permitted herein and may also include any other provisions not expressly prohibited by law; and any provision required to be permitted herein may be made a part of any such policy by means of an endorsement or rider.

SECTION 14. A NEW SECTION OF KRS 304.32-300 TO 304.32-320 IS CREATED TO READ AS FOLLOWS:

Any private employer doing business in this state who provides for his employes, on a self-insured basis, hospital or surgical benefits shall be subject to KRS 304.14-135. Failure to accept forms prescribed by the commissioner shall be punishable pursuant to KRS 304.99-010.

Section 15. KRS 304.36-080 is amended to read as follows:

(1) The association shall:

(a) Be obligated to the extent of the covered claims existing prior to the determination of insolvency and arising within thirty (30) days after the determination of insolvency, or before the policy expiration date if less than thirty (30) days after the determination, or before the insured replaces the policy or on request effects cancellation, if he does so within thirty (30) days of the determination, but such obligation shall include only that amount of each covered claim which is [~~in excess of two hundred dollar ($200) and is~~] less than fifty thousand dollars ($50,000)[~~, except that the association shall pay the full amount of any covered claim arising out of a workmen's compensation policy~~]. In no event shall the association be obligated to a policyholder or claimant in an amount in excess of the face amount of the policy from which the claim arises.

(b) Be deemed the insurer to the extent of its obligation on the covered claims and to such extent shall have all rights, duties, and obligations of the insolvent insurer as if the insurer had not become insolvent.

(c) Assess insurers amounts necessary to pay the obligations of the association under paragraph (a) *of this subsection* subsequent to an insolvency, the expenses of handling covered claims subsequent to an insolvency, and the cost of examinations under KRS 304.36-130 and other expenses authorized by this subtitle. The assessments of each member insurer shall be in the proportion that the net direct written premiums of the member insurer for the calendar year preceding the assessment bears to the net direct written premiums of all member insurers for the calendar year preceding the assessment. Each member insurer shall be notified of the assessment not later than thirty (30) days before it is due. No member insurer may be assessed in any year an amount greater than one percent of that member insurer's net direct written premiums for the calendar year preceding the assessment. If the maximum assessment, together with the other assets of the association, does not provide in any one year an amount sufficient to make all necessary payments, the funds available shall be prorated and the unpaid portion shall be paid as soon thereafter as funds become available. The association shall pay claims in any order which it may deem reasonable including the payment of claims as such are received from the claimants or in groups or categories of claims. The association may exempt or defer, in whole or in part, the assessment of any member insurer, if the assessment would cause the member insurer's financial statement to reflect amounts of capital or surplus less than the minimum amounts required for a certificate of authority by any jurisdiction in which the member insurer is authorized to transact insurance; provided, however, that during the period of deferment no dividends shall be paid to shareholders or policyholders. Deferred assessments shall be paid when such payment will not reduce capital and surplus below required minimums. Such payments shall be refunded to those companies receiving larger assessments by virtue of such deferment, or at the election of any such company, credited against future assessments. Each member insurer serving as a servicing facility may set off against any assessment, authorized payments made on covered claims and expenses incurred in the payment of such claims by such member insurer.

(d) Investigate claims brought against the association and adjust, compromise, settle, and pay covered claims to the extent of the association's obligation and deny all other claims.

(e) Notify such persons as the commissioner directs under KRS 304.36-100 (2) (a).

(f) Handle claims through its employes or through one or more insurers or other persons designated as servicing facilities. Designation of a servicing facility is subject to the approval of the commissioner, but such designation may be declined by a member insurer.

(g) Reimburse each servicing facility for obligations of the association paid by the facility and for expenses incurred by the facility while handling claims on behalf of the association and shall pay the other expenses of the association authorized by this subtitle.

(2) The association may:

(a) Appear in, defend, and appeal any action on a claim brought against the association.

(b) Employ or retain such persons as are necessary to handle claims and perform other duties of the association.

(c) Borrow funds necessary to effect the purposes of this subtitle in accord with the plan of operation.

(d) Sue or be sued.

(e) Negotiate and become a party to such contracts as are necessary to carry out the purpose of this subtitle.

(f) Perform such other acts as are necessary or proper to effectuate the purpose of this subtitle.

(g) Refund to the member insurers in proportion to the contribution of each member insurer to the association that amount by which the assets of the association exceed the liabilities, if, at the end of any calendar year, the board of directors finds that the assets of the association exceed the liabilities of the association as estimated by the board of directors for the coming year.

Section 16. KRS 136.392 is amended to read as follows:

(1) Every domestic, foreign or alien insurer, other than life and health insurers, which is either subject to or exempted from Kentucky premium taxes as levied pursuant to the provisions of either KRS 136.340, 136.350, 136.370 or 136.390, shall charge and collect a surcharge of one dollar and fifty cents ($1.50) upon each one hundred dollars ($100) of premium, assessments, or other charges, except for those municipal premium taxes, made by it for insurance coverage provided to its policyholders, on risk located in this state, whether such charges are designated as premiums, assessments or otherwise. *The* [~~Said~~] premium surcharge shall be collected by the insurer from its policyholders at the same time and in the same manner that its premium or other charge for the insurance coverage is collected. *The premium surcharge shall be disclosed to policyholders pursuant to regulations which shall be promulgated by the commissioner of insurance.* However, no insurer or its agent shall be entitled to any portion of any premium surcharge as a fee or commission for its collection. On or before the twentieth (20th) day of each month, each insurer shall report and remit to the department of revenue, on such forms as it may require, all premium surcharge moneys collected by it during its preceding monthly accounting period less any such monies returned to policyholders as applicable to the unearned portion of the premium on policies terminated by either the insured or the insurer. The funds derived from such premium surcharge, except as provided in subsection (2) of this section, shall be deposited in the state treasury, and shall constitute a fund allocated for the uses and purposes of the professional fire fighters foundation program fund (KRS 95A.220) and the law enforcement foundation program fund (KRS 15.430).

(2) Insurance premium surcharge funds collected from the policyholders of any domestic mutual company, cooperative or assessment fire insurance company shall be deposited in the state treasury, and shall be paid monthly by the state treasurer into the volunteer fire department aid fund as provided in KRS 17.250.

(3) Within five (5) days after the end of each month, all insurance premium surcharge proceeds deposited in the state treasury as set forth in subsection (1) of this section, shall be paid by the state treasurer into the professional fire fighters foundation program fund trust and agency account and the law enforcement foundation program fund trust and agency account. The amount paid into each account shall be proportionate to each fund's respective share of the total deposits, pursuant to KRS 42.190.

(c) "Policy loan" includes advances of cash or other consideration as specified in KRS 304.15-110 and any premium loan made under a policy to pay one or more premiums that were not paid to the insurer or fraternal benefit society as they fell due.

(d) "Published monthly average" means Moody's Corporate Bond Yield Average - Monthly Average Corporates as published by Moody's Investors Service, Inc. or any successor thereto, or, in the event that Moody's Corporate Bond Yield Average - Monthly Average Corporates is no longer published, a substantially similar average prescribed by the commissioner.

(a) A maximum interest rate of not more than eight percent (8%) per annum; or

(b) A maximum interest rate to be established at regular intervals by the life insurer not to exceed the published monthly average for the calendar month ending two (2) months before the date on which the rate is determined or the rate used to compute cash surrender values under the policy during the applicable period plus one percent (1%) per annum, whichever is greater.

(3) Every policy issued in accordance with subsection (2)(b) of this section shall set forth the frequency at which the rate is to be determined for that policy. Such determination shall be made at least once in every twelve (12) month period but no more than once in any three (3) month period. At the intervals specified in the policy:

The Committee Substitute to **HB 1011** is as follows:

HB 1011, AN ACT relating to insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

(b) "Policyholder" includes the owner of the policy or the person designated to pay premiums as shown on the records of the life insurer;

(c) "Policy loan" includes an advance of cash as specified in KRS 304.15-110 and any premium loan made under a policy to pay one or more premiums that were not paid to the life insurer as they fell due; and

(d) "Published monthly average" means Moody's Corporate Bond Yield Average - Monthly Average Corporates as published by Moody's Investors Service, Inc. or any successor thereto, or, in the event that Moody's Corporate Bond Yield Average - Monthly Average Corporates is no longer published, a substantially similar average prescribed by the commissioner.

(2) Notwithstanding any other provision of law:

(a) Policies issued on or after the effective date of this Act shall contain either, but not both, of the following policy loan interest rate provisions;

1. A provision permitting a maximum interest rate of not more than eight percent (8%) per annum; or

2. A provision permitting an adjustable maximum interest rate established at regular intervals by the life insurer as permitted by law.

(b) The rate of interest charged on a policy loan made under paragraph (a)2. of this subsection shall not exceed eighteen percent (18%) nor the higher of the following:

1. The published monthly average for the calendar month ending two (2) months before the date on *which the rate is determined; or*

2. The rate used to compute cash surrender values under the policy during the applicable period plus one percent (1%) per annum.

(c) If the maximum rate of interest is determined pursuant to paragraph (a)2. of this subsection, the policy shall contain a provision setting forth the frequency at which the rate is to be determined for that policy;

(d) The maximum rate for each policy shall be determined at regular intervals at least once every twelve (12) months, but not more frequently than once in any three (3) month period. At the intervals specified in the policy:

2. The rate being charged shall be reduced whenever such reduction as determined under paragraph (b) of this subsection would decrease that rate by one-half of one percent (0.5%) or more per annum.

(e) The life insurer shall:

1. Notify the policyholder at the time an advance of cash is made of the initial rate of interest on the loan;

2. Notify the policyholder with respect to premium loans of the initial rate of interest on the loan as soon as it is reasonably practical to do so after making the initial loan. Notice need not be given to the policyholder when a further premium loan is added, except as provided in subparagraph 3. of this paragraph;

(f) The loan value of the policy shall be determined in accordance with KRS 304.15-110, but no policy shall terminate in a policy year as the sole result of changes in the interest rate during that policy year. The life insurer shall maintain coverage during that policy year until such time at which it would otherwise have terminated if there had been no change during that policy year;

(g) The substance of the pertinent provisions of paragraphs (a) and (c) of this subsection shall be set forth in the policies to which they apply;

(h) For the purposes of this section, the rate of interest on policy loans permitted under this section shall include the interest rate charged for reinstatement of policy loans for the period during and after any lapse of a policy;

(i) No other provision of law shall apply to policy loan interest rates unless such provision specifically applies to such rates.

(3) The provisions of this Act shall not apply to any policy issued before the effective date of this Act unless the policyholder agrees in writing to the applicability of such provisions.

(3) However, in the case of certificates issued on a substandard basis or in the case of certificates, the reserves for which are computed upon the American men ultimate table of mortality, the term of any extended insurance benefit granted including accompanying pure endowment, if any, may be computed upon the rates of mortality not greater than *one hundred thirty percent (130%)* [~~130 per cent~~] of those shown by the mortality table specified in the certificate for the computation of the reserve.

Section 9. KRS 161.470 is amended to read as follows:

(1) The membership of the retirement system shall consist of all new teachers and all present teachers except as provided in Acts 1938 (1st Ex. Sess.), ch. 1, paragraph 29. No person without previous Kentucky service who was age sixty-five (65) or older on July 1, next preceding employment may become a member of the teachers' retirement system.

(2) Service credit shall be forfeited upon withdrawal. If a teacher again enters service it shall be as a new teacher, except that any teacher who withdraws by claiming his deposits may repay the system the amount withdrawn plus interest and re-establish his service credit as provided in subsection (3) of this section.

(3) Effective July 1, 1974, and thereafter, an active contributing member of the retirement system with contributing service equal to two (2) years or the number of years subsequent to the withdrawal of contributions, whichever is the lesser number, may regain such service credit by depositing in the teachers' savings fund the amount withdrawn with interest at the rate to be set by the board of trustees, and computed from the first of the month of withdrawal and including the month of redeposit.

(4) Effective July 1, 1974, any active contributing member with at least two (2) years of contributing service credit who declined membership as provided in Acts 1938 (1st Ex. (d) When a teacher, having less than five (5) years of Kentucky service is absent from service for more than three (3) consecutive years.

Upon termination of member accounts under this subsection, funds in the account shall be transferred to the state accumulation fund. Inactive members may apply for refunds of such funds at any time. (6) In case of withdrawal from service prior to eligibility for retirement, the board of trustees shall on request of the teacher return all of his accumulated contributions with regular interest including any payments made by the teacher to the state accumulation fund, but the teacher shall have no claim on any contributions made by the state with a view to his retirement or to contributions made to the survivor, death and medical insurance fund. If the member is eligible for an immediate service retirement allowance as provided in KRS 161.600 no withdrawal and refund shall be permitted, unless the allowance would prohibit the member from qualifying for social security benefits. *Requests for refund of contributions by the member must be filed on forms prescribed by the teachers' retirement system and the employer must certify that the employment of the member has terminated as of the date of the application for refund of contributions.*

(7) Except as provided in KRS 161.520 and 161.525 in case of death prior to retirement the board of trustees shall pay to the estate of the deceased member or to his assigns all of his accumulated contributions, with regular interest, including any payments made by the teacher to the state accumulation fund, but the estate or assigns shall have no claim on any contributions made by the state with a view to the retirement of the teacher or to contributions made to the survivor, death and medical insurance fund.

(8) Any active contributing member of the Kentucky employes retirement system, the county employes retirement system, the state police retirement system, or the judicial retirement system may use service, under such retirement system for the purpose of meeting the service requirement of subsections (3) and (4) of this section.

Section 10. KRS 161.500 is amended to read as follows:

(1) At the close of each fiscal year, the retirement system shall add service credit to the account of each member who made contributions to his or her account during the year. Members shall be entitled to a full year of service credit if their total days of employment were not less than five (5) days from the number of

days contained in their employment agreement for a regular school or fiscal year. In no case shall more than one (1) year of service be credited for all service performed in one (1) fiscal year. Members who complete their employment contract prior to the close of a fiscal year and elect to retire prior to the close of a fiscal year shall have thier service credit reduced by eight percent (8%) for each calendar month that the retirement becomes effective prior to July 1.

(2) Members who are employed and paid for less than the number of days required in their normal employment year shall be entitled to pro rata service credit for the fractional service. Such credit shall be based upon the number of days employed and the number of days in the member's annual employment agreement or normal employment year [~~The board of trustees shall fix by regulations how much service in any year is equivalent to one year of service, but in no case shall more than one year of service be credited for all service in one fiscal year. Service rendered for the regular school year in any district or institution shall be equivalent to one year's service~~].

Section 11. KRS 161.507 is amended to read as follows:

(1) An active contributing member of the teachers' retirement system may receive credit for active service rendered in the armed forces of the United States subject to regulations established by the board of trustees. Such service may be credited only if discharge was other than dishonorable. Service shall be considered as Kentucky teaching service, except that it may not be used for meeting the service requirements set forth in KRS 161.600(1)(a) or 161.661(1). A maximum of six (6) years of such service may be credited but in no case a greater number of years than the actual years of contributing service in Kentucky.

(2) A member having twenty (20) years or more of active duty in the military service, and who is qualified for regular federal retirement benefits based on such service, may not receive credit for any such service in the teachers' retirement system. This subsection shall apply to service presented for credit on July 1, 1975, and thereafter.

(3) A member receiving retirement credit for active duty in the armed services of the United States shall contribute to the retirement system an amount equal to thirty-five percent (35%) of the actuarial cost for each year of service so credited. Such contributions shall not be picked up, as described in KRS 161.540*(2)*[~~(4)~~]. In purchasing retirement credit for active duty in the armed services the latest years of service shall be considered first in allowing credit toward retirement. The board of trustees shall adopt a table of actuarial factors to be used in calculating the amount of contribution required for crediting such service.

Section 12. KRS 161.515 is amended to read as follows:

(1) For the purposes of this section, "out-of-state service" shall mean service in any state in a comparable position, which would be covered if in Kentucky.

(2) (a) A member in active contributing status who has been a contributing member of the retirement system for at least one (1) full scholastic year, subsequent to the latest out-of-state service, may present for credit, service rendered out-of-state, not to exceed eight (8) such years actually taught as a certified or licensed teacher. *With the exception of university faculty members, all members who elect to purchase such service shall pay to the retirement system an amount equal to the current member contribution rate based on the first Kentucky salary of the member subsequent to the out-of-state service provided such service was rendered after January 1, 1984. In the event such service was rendered prior to January 1, 1984, the contribution rate shall be seven and eighty-four hundredths percent (7.84%). University faculty members shall pay on a contribution rate of seven and eighty-four hundredths percent (7.84%) based on the first Kentucky salary subsequent to the out-of-state service regardless of when the service was rendered. In addition, all members shall pay interest on the contributions for such service*[~~, provided such member pays to the retirement system an amount equal to the current member contribution to the retirement system based on the first Kentucky salary of the member subsequent to the out-of-state service and in addition thereto interest~~] at a rate to be set by the board of trustees on each annual contribution from the last day of the scholastic year in which the service was rendered to date of payment to the retirement system. Such payments shall not be picked up as described in KRS 161.540*(2)*[~~(4)~~]. For each year of which the retirement system shall accept the contribution and interest, one (1) year of service credit shall be given. Such credit may not be used to meet the service requirements of KRS 161.525, 161.600 or 161.661 except as provided in subsection (2)(c) of this section. No credit shall be granted for service which has been or will be used in qualifying for annuity benefit payments from another retirement system financed wholly or in part by public funds.

(b) A member of the retirement system having teaching service in the elementary or secondary schools operated by the United States overseas or in this country, or in a public college or university in Kentucky, not included in the teachers' retirement system of the state of Kentucky may present such service for credit in the retirement system on the same basis as provided above for out-of-state service credit, however, no such service may be presented which shall be used as a basis for retirement benefits in any program supported wholly or in part by such public institution or governmental agency. Such service when added to service credited under subsection (2)(a) of this section shall not exceed a total of eight (8) years service credit.

(c) A member having service referred to in subsection (2)(a) or (2)(b) of this section may elect to use such service for meeting the requirements of KRS 161.600(1)(b) by making an additional contribution to the state accumulation fund equal to *a* [~~the regular~~] member *contribution rate of seven and eighty-four hundredths percent (7.84%)* [~~contributions~~] for each year so used. Such payments shall not be picked up as described in KRS 161.540*(2)*[~~(4)~~]. The salary base to be used in determining this additional contribution shall be the final average salary which is used in calculating the member's regular retirement annuity.

(3) Members entering the teachers' retirement system for the first time, July 1, 1976, and thereafter, shall not receive credit for service defined in subsections (2)(a) and (2)(c) above in excess of one (1) year of credit for each two (2) years of Kentucky service in a covered position or eight (8) years, whichever is the lesser number.

Section 13. KRS 161.520 is amended to read as follows:

Upon death of an active contributing member or upon the death of a member retired for disability, except as provided in KRS 161.661(6), the survivors of the deceased member in the following named order, may elect to receive a survivor's benefit payable as follows:

(1) Where there is a surviving widow or widower who is named as beneficiary of the member's retirement account, the benefit shall be:

(a) One hundred sixty dollars ($160) per month with no restriction on other income; or

(b) Two hundred dollars ($200) per month when the surviving widow or widower's total income from all sources does not exceed six thousand dollars ($6,000) per year or five hundred dollars ($500) per month; or

(c) If the deceased member has a minimum of ten (10) years of service credit with the teachers' retirement system, the surviving widow or widower may apply for an annuity actuarially equivalent to the annuity that would have been paid to the deceased member when eligibility conditions were met. Eligibility for payments would begin at the time the age of the deceased member would have met the requirements of KRS 161.600(1). In exercising this right, the surviving widow or widower shall be entitled to receive an annuity for life except that eligibility for this benefit shall cease upon remarriage. This subsection applies to surviving spouses of members who die on or after July 1, 1978. *A surviving widow or widower shall be eligible for benefit payments provided under paragraphs (a) and (b) of this subsection until they begin receiving payments under this provision.*

(2) Where there are surviving unmarried children under age eighteen (18) or under age nineteen (19) if a full-time student in high school, the benefit shall be one hundred sixty-five dollars ($165) per month in the case of one (1) such child, two hundred ninety dollars ($290) per month in the case of two (2) such children, three hundred forty dollars ($340) per month in the case of three (3) such children, and three hundred seventy dollars ($370) per month in the case of four (4) or more such children. Benefits under this subsection shall apply notwithstanding benefits which may be payable under subsections (1) and (3).

(3) Where the survivor is a child age eighteen (18) or older whose mental or physical condition is sufficient to cause his dependency on the deceased member at the time of the member's death the benefit shall be two hundred dollars ($200) per month, payable for the life of such child or until such time as the mental or physical condition creating the dependency no longer exists. Benefits under this subsection and subsection (2) shall apply to legally adopted survivors provided the proceedings for the adoption were initiated at least one year prior to the death of the member. Benefits under this subsection shall apply notwithstanding benefits which may be payable under subsections (1) and (2) and shall be in addition to such benefits.

(4) Where the sole eligible survivors are dependent parents aged sixty-five (65) or over, the benefit shall be two hundred dollars ($200) per month for one (1) parent or two hundred ninety dollars ($290) per month for two (2) parents. Dependency of a parent shall be established as of the date of the death of the member.

(5) Where the sole eligible survivor is a dependent brother or sister, the benefit shall be one hundred sixty five dollars ($165) per month. In order to qualify the brother or sister must have been a resident of the deceased member's household for at least one (1) full year prior to the member's death or must have been receiving care in a hospital, nursing home or other institution at the member's expense for a like period.

(6) The benefit to a child as defined in subsection (2) of this section shall terminate upon the attainment of age eighteen (18) or upon reaching age nineteen (19) if a full-time student in high school or upon marriage, except that benefits shall continue until the attainment of age twenty-three (23) for an unmarried child who is a full-time student in a recognized educational program beyond the high school level. The benefit to a widow, widower, dependent parent or dependent brother or sister or dependent child age eighteen (18) or older shall terminate upon marriage, or upon termination of the condition creating the dependency.

(7) The board of trustees shall be the sole judge of eligibility or dependency of any beneficiary, and may require formal application or information relating thereto, including proof of annual income satisfactory to the board. The board of trustees may subpoena records and individuals whenever it deems such action necessary.

(8) No payments of benefits shall be made unless the board of trustees shall have authorized such payments. The board shall formulate and adopt necessary rules and regulations for the administration of the foregoing provisions and in every case the decision of the board of trustees shall be final as to eligibility,

dependency, or disability, and the amounts of benefit payable.

(9) In the event that there are no eligible survivors as defined in subsections (1), (2), (3), (4), and (5) of this section, the board of trustees shall pay to the estate or assigns of the deceased member a refund of his accumulated contributions as provided in KRS 161.470(7). If the benefits paid or payable under subsections (1), (2), (3), (4), and (5) of this section and KRS 161.661 shall amount to a sum less than the member's accumulated contributions at the time of death, the board of trustees shall pay to the estate or assigns of the deceased member the balance of such accumulated contributions.

SECTION 14. A NEW SECTION OF KRS CHAPTER 161 IS CREATED TO READ AS FOLLOWS:

Upon the death of a member retired for disability who had a minimum of thirty (30) years of service prior to retiring for disability, except as provided in KRS 161.661(6), the spouse, if named as the beneficiary of the member's account, shall be entitled to elect, in lieu of a refund of the member's account or benefits provided under KRS 161.520, an annuity actuarially equivalent to the annuity that would have been paid to the member had retirement for service been effective on the day the member retired for disability. In selecting this right, the spouse shall be limited to selecting an option providing a straight life annuity with refundable balance. There shall be a monthly minimum allowance of three hundred dollars ($300) as the basic straight life annuity. This section applies to surviving spouses of members who were receiving benefit payments under KRS 161.520 as of June 30, 1984, and to surviving spouses of members who die on or after July 1, 1984.

Section 15. KRS 161.540 is amended to read as follows:

(1) [~~Effective July 1, 1979, each member shall contribute to the retirement system seven and eighty-four hundredths percent (7 84/100%) of annual compensation. The contribution of members shall not exceed these applicable percentages on annual compensation.~~

~~(2)~~] Effective *July* [~~January~~] 1, 1984, each member shall contribute to the retirement system nine and *six-tenths percent (9.6%)* [~~thirty-two hundredths percent (9 32/100%)~~] of annual compensation except that university faculty members shall contribute *eight and twelve hundredths percent (8.12%)* [~~seven and eighty-four hundredths percent (7 84/100%)~~] of annual compensation. The contribution of members shall not exceed these applicable percentages on annual compensation.

(2)[~~(3)~~] Each public board, institution or agency, as listed in KRS 161.220(4)(a) through (f) shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employe contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(9). However, each public board, institution or agency shall continue to withhold federal and state income taxes based upon these contributions and hold them in a separate account until the Internal Revenue Service or the federal courts rule that, pursuant to Section 414(h) of the United States Internal Revenue Code, these contributions shall not be included as gross income of the employe until such time as the contributions are distributed or made available to the employe. The picked up employe contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982 by the employe contribution, and the picked up employe contribution shall be in lieu of an employe contribution. Each employer shall pay these picked up employe contributions from the same source of funds which is used to pay earnings to the employe. The employe shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employe contributions picked up after August 1, 1982 shall be treated for all purposes of KRS 161.220 to 161.714 in the same manner and to the same extent as employe contributions made prior to August 1, 1982.

Section 16. KRS 161.545 is amended to read as follows:

Members may make contributions and receive service credit for substitute, part-time or any service other than regular full time teaching as provided in the rules and regulations of the board of trustees. Members placed on leave of absence may make contributions and receive service credit for such leave as provided in rules and regulations adopted by the board of trustees. Contributions permitted after August 1, 1982 shall be picked up pursuant to KRS 161.540*(2)*[~~(4)~~].

Section 17. KRS 161.550 is amended to read as follows:

(1) Beginning with July 1, 1976, the state shall contribute annually to the retirement system a permanent amount equal to that contributed by all members. The state shall, in addition to the above amount, provide an annual overmatch of three and one-fourth percent (3.25%) of total member salaries to discharge the system's unfunded obligations with interest assumed by the state. The state shall provide annual appropriations based upon estimated funds needed to meet the requirements of KRS 161.155 and 161.220 through 161.714. In the event an annual appropriation is in excess of these requirements, such excess funds shall, in the 1982-84 biennium, be retained by the system to be applied to any unfunded remaining costs as described in subsection (5) of KRS 161.155. In the event an annual appropriation is less than the amount of these requirements, the state shall make up the deficit in the next biennium budget appropriation to the retirement system.

(2) Beginning with July 1, 1986, the state shall contribute annually to the retirement system a permanent amount equal to that contributed by all employes of local school districts who are members of the

retirement system. The state shall, in addition to the above amount, provide an annual overmatch of three and one-fourth percent (3.25%) of total salaries of the employes of local school districts who are members of the retirement system to discharge the system's unfunded obligations with interest assumed by the state. Each employer, except local school districts, shall contribute annually to the retirement system a permanent amount equal to that contributed by its employes who are members of the retirement system plus an additional three and one-fourth percent (3.25%) of the total of salaries of its employes who are members of the retirement system to discharge the system's unfunded obligations with interest assumed by the state. Each employer, except local school districts, shall remit the required employer contributions to the retirement system under the terms and conditions specified for member contributions under KRS 161.560. The state shall provide annual appropriations based upon estimated funds needed to meet the requirements of KRS 161.155 and 161.220 through 161.714. In the event an annual appropriation is less than the amount of these requirements, the state shall make up the deficit in the next biennium budget appropriation to the retirement system. State contributions to the retirement system are for the exclusive purpose of providing benefits to members and annuitants and such contributions shall be considered deferred compensation to the members.

Section 18. KRS 161.560 is amended to read as follows:

Each agency employing members of the retirement system shall deduct from the compensation of each member for each payroll period subsequent to the date upon which the teacher became a member such percentage of his earnable compensation as is due under the rates prescribed in KRS 161.540. No later than fifteen (15) days following the end of each payroll period the agency shall forward all amounts so deducted to the teachers' retirement system. The retirement system shall charge the employing agency interest at an annual rate not to exceed twelve percent (12%) for deductions not remitted within the specified fifteen (15) days. Such payroll reports, contributions lists, and other data as may be required by regulation of the board of trustees shall be submitted. The deductions shall be made notwithstanding the fact that the salary as a result may be less than the minimum compensation provided by law. Every member shall be deemed to consent and agree to the deductions and the deductions shall be considered as having been paid to the member. After August 1, 1982, employe contributions shall be picked up by the agency pursuant to KRS 161.540*(2)*[~~(4)~~].

Section 19. KRS 161.565 is amended to read as follows:

Notwithstanding any other provisions of KRS Chapter 161, the contribution of university faculty members may be reduced by amounts up to two and two hundred fifteen thousandths percent (2 215/1000%) if amounts sufficient to replace the reduction are authorized and contributed to the teachers' retirement system by the board of regents of the employing university. After August 1, 1982, any contribution by a university faculty member shall be picked up by the employing university pursuant to KRS 161.540*(2)*[~~(4)~~].

Section 20. KRS 161.595 is amended to read as follows:

(1) Upon service retirement, a member of the teachers' retirement system may obtain credit for all or any part of the service otherwise creditable under the Kentucky employes' retirement system, the county employes' retirement system, or in the service of the United States government for which service credit is not otherwise given, upon the payment by the member of such amount or amounts as are actuarially determined to be equal to the increased liability of the teachers' retirement system by virtue of such additional service credit. Such payments shall not be picked up, as described in KRS 161.540*(2)*[~~(4)~~].

(2) The amount paid under this section shall be considered as accumulated contributions of the individual member.

(3) No person shall be allowed credit for the same period of service in more than one (1) of these three (3) retirement systems.

Section 21. KRS 161.620 is amended to read as follows:

(1) The retirement allowance, in the form of a life annuity with refundable balance, of a member retiring for service shall be calculated as follows:

(a) For retirements effective July 1, 1980, and thereafter, the annual allowance for each year of service performed prior to July 1, 1941, shall be one hundred dollars ($100) and the annual allowance for each year of service performed after July 1, 1941, shall be two percent (2%) of the final average salary. Actuarial discounts due to age or service credit at retirement may be applied as provided in this section.

(b) For retirements effective January 1, 1984, and thereafter the annual allowance shall be determined as set out in subsection (1)(a) of this section, except that the allowance for service performed after January 1, 1984, shall be valued at the annual rate of two and one-half percent (2 1/2%) of the final average salary for all members not employed by a state university or college. For purposes of implementing the change in the value of a year of service, the board of trustees shall establish by regulation, the value of services performed during the 1983-84 fiscal year but in no case shall the value of service performed during the 1983-84 fiscal year exceed two and one quarter percent (2.25%).

(c) If the member has five (5) years or more of Kentucky service, but less than thirty (30) years of such service credit, the allowance shall be reduced actuarially for the number of years the member is less than sixty (60) years of age or by the number of years the service credit is less than thirty (30) years, whichever is the lesser number. The board of trustees shall adopt an actuarial table of discounts for the purpose of calculating these allowances.

(2) Effective July 1, 1980, and annually on July 1 thereafter, the retirement allowance of each retired member and of each beneficiary of a retirement option *who has been retired at least ten (10) months* shall be increased in the amount of one percent (1%).

(3) Any member qualifying for retirement under a life annuity with refundable balance shall be entitled to receive an annual allowance amounting to not less than eighty-eight dollars ($88) multiplied by the service credit years of the teacher, except that no retired teacher who was sixty (60) years of age or older at retirement, and who has five (5) years or more service credit in a position covered by the teachers' retirement system shall receive a monthly benefit of less than seventy-five dollars ($75). The above minimums shall be effective July 1, 1978, and shall apply to those members retiring on or subsequent to that date.

(4) The minimum provided in this section shall apply in the case of teachers retired or retiring under an option other than a life annuity with refundable balance in the same proportion to the benefits of the teacher and his beneficiary or beneficiaries as provided in the duly adopted option tables at the time of the member's retirement.

(5) Effective July 1, *1984* [~~1982~~], the monthly allowance of each member retired on or before July 1, *1983* [~~1981~~], and each recipient of a retirement option of such retired members shall be increased in the amount of *three percent (3%)* [~~one percent (1%)~~] of the monthly allowance [~~for each year the member has been retired up to a maximum of five (5) years~~]. The percentage increases shall be based on an assumed maximum allowance of one thousand dollars ($1,000) per month of annuity in effect the previous month.

(6) Effective July 1, *1985* [~~1983~~], the monthly allowance of each member retired on or before July 1, *1984* [~~1982~~], and each recipient of a retirement option of such retired member shall be increased in the amount of *three percent (3%)* [~~one percent (1%)~~] of the monthly allowance [~~for each year the member had been retired up to a maximum of five (5) years~~]. The percentage increases shall be based on an assumed maximum allowance of one thousand dollars ($1,000) per month of annuity in effect the previous month.

(7) Effective July 1, 1980, monthly payments of two hundred dollars ($200) shall be payable for the benefit of an adult child of a member retired for service when the child's mental condition is sufficient to cause dependency on the member at the time of retirement. Eligibility for this payment shall continue for the life of such child or until such time as the mental condition creating the dependency no longer exists. Benefits under this subsection shall not apply to adopted children. The board of trustees shall be the sole judge of eligibility or dependency and may require formal application or information relating thereto.

(8) The cost of providing the statutory cost-of-living increases for retired members during 1980-82, [~~and~~] 1982-84, *and 1984-86* shall be funded by annual appropriations from the state on an amortized basis over the lifetime of the recipients. When the earnings on investments of the retired teacher savings exceeds the actuarial assumed rate of interest, the board of trustees may allocate such excess earnings toward the funding of the amortized payments required during the 1982-84 *and 1984-86 bienniums* [~~biennium~~] for the cost-of-living increases approved under subsections (5) and (6) of this section.

Section 22. KRS 161.675 is amended to read as follows:

(1) The board of trustees is empowered to enter into contracts with insurance carriers for the purpose of providing a broad program of hospital and medical insurance coverage to members retired for service or disability. Coverage may be extended to the spouses and minor children of said retired members, provided the member began participating in the teachers' retirement system prior to July 1, 1978. Coverage may also be extended to spouses and to minor children of members in active contributing status who are deceased prior to retirement if the surviving spouse is eligible to receive the member's retirement benefit as provided in KRS 161.525 and elects to do so.

(2) The coverage provided shall be as set forth in the contracts and the regulations of the board of trustees. *The board of trustees may change the levels of coverage to meet the changing needs of the annuitants and when necessary to contain the expenses of the insurance program within the funds available to finance the insurance program.* The contracts and regulations shall provide for, but not be limited to, hospital room and board, surgical procedures, doctors' care in the hospital and miscellaneous hospital costs. A retiree whose effective date of retirement is July 1, 1974, and thereafter, must have a minimum of five (5) years creditable Kentucky service in the teachers' retirement system or of combined service in the Kentucky employes retirement system, of which at least two (2) years was creditable service under KRS 161.510 and 161.607(2), to qualify for such coverage.

(3) *The board of trustees is empowered to require the annuitant and the annuitant's spouse to pay a premium charge to assist in the financing of the insurance program. Such charges may be flat standard amounts or based upon the amount of the annuity allowance payments or a combination of these provisions.* The board of trustees is empowered to pay premiums for insurance coverage from the hospital and medical insurance fund *and from the premium charges received from the annuitants and the spouses.* It may provide such insurance coverage as is deemed desirable by making payment to institutions and individuals for services performed, or the board of trustees may elect to provide such insurance protection on a "self-insurance" basis *or a combination of these provisions.*

(4) Contracts negotiated may include the provision that a stated amount of hospital cost or period of hospitalization shall incur no obligation on the part of the insurance carrier or the retirement system.

(5) The board of trustees is empowered to adopt such rules and regulations as are necessary to assure efficient operation of the hospital and medical insurance program.

(6) Premiums paid for hospital and medical insurance coverage procured under authority of this section shall be exempt from any premium tax which might otherwise be required under KRS Chapter 136. The payment of premiums by the insurance fund shall not constitute taxable income to an insured recipient.

SECTION 23. A NEW SECTION OF KRS CHAPTER 161 IS CREATED TO READ AS FOLLOWS:

In the event that federal laws are in conflict with the Kentucky Revised Statutes pertaining to the teachers' retirement system, federal laws shall take precedence. When necessary to comply with federal laws, the board of trustees may defer or stop payments of allowances until the conflict is resolved. The board of trustees shall adopt such regulations as are necessary to remove any conflicts with federal laws and to protect the interests of the members, survivors of members and the system.

Section 24. Whereas, retirement annuity adjustments are implemented at the beginning of a fiscal year, an emergency is declared to exist and the provisions of this Act shall become effective July 1, 1984.

Public school foundation program funds made available to the credit of each district during any year, shall be received, held and expended by the district board, subject to the provisions of law and Kentucky administrative regulations of the state board of education. The following restrictions shall govern the expenditure of funds from the public school foundation program fund:

(3) The capital outlay allotment for each district from the public school foundation program fund and from local sources shall be kept in a separate fund and may be used by the district only for capital outlay projects approved by the superintendent of public instruction in accordance with requirements of law, and based on a survey made in accordance with Kentucky administrative regulations of the state board of education. These funds shall be used for the following capital outlay purposes:

(a) For direct payment of construction costs;

(b) For debt service on voted and funding bonds;

(c) For payment or lease-rental agreements under which the board eventually will acquire ownership of a school plant;

(4) If a survey shows that a school district has no capital outlay needs as shown in paragraphs (a), (b), (c), and (d) of subsection (3) of this section, upon approval of the superintendent of public instruction, these

(4) Upon conviction of any person for violation of drilling without a valid permit as required by KRS 353.570, the court shall order any equipment used in the crime forfeited and sold by sealed bids. Proceeds from such sale shall be deposited in the illegal drilling fund as established in subsection (9) of this section.

(5) All property seized under this section shall be subject to the right of any owner or lienor, whose lien is valid and recorded, to intervene and, upon trial or special hearing held for that purpose before the court, establish his rights in the property by proving that the property was being used in connection with drilling without a permit without the knowledge, consent or approval of the owner or lienor. If the owner of the property does so prove, the court may order the property restored to him. If the lienor so proves, the court may order a sale of the property by sealed bid with the lienor receiving from such sale the amount of his outstanding lien. However, the department shall deliver any seized property to a lienor whose claim has been established by order of a court of competent jurisdiction upon payment to the department of the difference between the fair market value of the property so seized and the recorded claim of the lienor.

(6) If the defendant is acquitted, all property seized in connection with the arrest of the defendant shall be ordered returned to the rightful owner unless previously returned under subsection (5) of this section.

(7) All expenses associated with the seizure, storing, and if applicable, sale of such property shall be the responsibility of the defendant if he is convicted.

(8) It shall be the duty of all peace officers and other public officers or officials having knowledge of the lawful owner or claimant of property subject to forfeiture to report the same to the court before the act of forfeiture occurs.

(9) There is established a special fund to be known as the "illegal drilling fund" which shall be under the control of the department.

(10) The fund shall consist of all monies from the court ordered sale or forfeiture of said equipment.

(11) Monies contained in the illegal drilling fund shall be deemed a trust and agency account and shall be used solely for the purpose of enforcement of KRS Chapter 353 by the department.

(12) The department shall have access to and control of the monies held in the illegal drilling fund, but shall expend such monies only for the purpose set forth in subsection (11) of this section.

HB 857, AN ACT relating to surface coal mining.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 350.450 is amended to read as follows:

(1) If the area proposed to be mined contains prime farmland as defined in Public Law 95-87, "Surface Mining Control and Reclamation Act of 1977," then no permit shall be issued unless it complies with Section 510(d)(1) therein. Nothing in this subsection shall apply to any permit issued prior to August 3, 1977, or to any revisions or renewals thereof, or to any existing surface coal mining operations for which a permit was issued prior to August 3, 1977. Nothing herein shall be construed as authorizing the cabinet to promulgate regulations more stringent than those promulgated pursuant to PL 95-87 relating to prime farmland.

(2) Where a surface coal mining operation will remove an entire coal seam or seams running through the upper fraction of a mountain, ridge, or hill by removing all of the overburden and creating a level plateau or a gently rolling contour with no highwalls remaining, the operation shall comply with the requirements of paragraphs (c) and (d) of this subsection without regard to the requirements of KRS 350.410 or 350.445(2) and (3) with respect to lands from which overburden and the coal seam being mined have not been removed; provided, however, the cabinet shall establish internal procedures pursuant to which it shall permit surface coal mining operations for the purposes set forth in paragraph (b) of this subsection.

(a) Where an applicant meets the requirements of paragraphs (b) and (c) of this subsection a permit without regard to the requirements to restore to approximate original contour set forth in KRS 350.410 or 350.445(2) and (3) may be granted for the surface coal mining operations where the mining operation will remove an entire coal seam or seams running through the upper fraction of a mountain, ridge, or hill, except as provided in paragraph (c)(1.) of this subsection, by removing all of the overburden and creating a level plateau or a gently rolling contour with no highwalls remaining and capable of supporting postmining uses in accord with the requirements of this subsection.

(b) In cases where an industrial, commercial, agricultural, residential, or public facility (including recreational facilities) use is proposed for the postmining use of the affected land, the cabinet may grant a permit for a surface coal mining operation of the nature described in paragraph (a) of this subsection where:

1. After consultation with the appropriate land use planning agencies, if any, the proposed postmining land use is deemed by the cabinet to constitute an equal or better economic or public use of the affected land as compared with premining use;

2. The applicant presents specific plans for the proposed postmining land use and appropriate assurances that the land use will be:

a. Compatible with adjacent land uses;

b. Obtainable according to data regarding expected need and market;

c. Assured of investment in necessary public facilities;

d. Supported by commitments from public agencies where appropriate;

e. Practicable with respect to private financial capability for completion of the proposed use;

f. Planned pursuant to a schedule attached to the reclamation plan so as to integrate the mining operation and reclamation with the postmining land use; and

g. Designed by a registered engineer in conformance with professional standards established to assure the stability, drainage, and configuration necessary for the intended use of the site;

3. The proposed use would be consistent with adjacent land uses and existing state and local land use plans;

4. The cabinet provides the governing body of the unit of general-purpose government in which the land is located, and any state or federal agency which the cabinet in its discretion determines to have an interest in the proposed use, an opportunity of not more than thirty (30) days to review and comment on the proposed use; and

5. All other requirements of this chapter will be met.

(c) In granting any permit pursuant to this subsection the following requirements apply:

1. The toe of the lowest coal seam and the overburden associated with it are retained in place as a barrier to slides and erosion;

2. The reclaimed area is stable;

3. The resulting plateau or rolling contour drains inward from the outslopes except at specified points;

4. No damage will be done to natural watercourses;

5. Spoil will be placed on the mountaintop bench as is necessary to achieve the planned postmining land use; provided, that all excess spoil material not retained on the mountaintop shall be placed in accordance with the provisions of KRS 350.440; and

6. Insure stability of the spoil retained on the mountaintop and meet the other requirements of this

chapter.

(d) The regulatory authority shall promulgate specific regulations to govern the granting of permits in accord with the provisions of this subsection.

(e) All permits granted under the provisions of this subsection shall be reviewed not more than three (3) years from the date of issuance of the permit, unless the applicant affirmatively demonstrates that the proposed development is proceeding in accordance with the terms of the approved schedule and reclamation plan.

(3) (a) The cabinet shall adopt procedures pursuant to which it may permit variances from the requirements of KRS 350.410 for the purposes set forth in paragraph (c) of this subsection, provided that the watershed control of the area is improved, and further provided, complete backfilling with spoil material shall be required to cover completely the highwall, which material will maintain stability following mining and reclamation.

(b) Where an applicant meets the requirements of paragraphs (c) and (d) of this subsection, a variance from the requirement to restore the approximate original contour set forth in KRS 350.410 and 350.445(2) may be granted for surface coal mining operations where the owner of the surface knowingly requests in writing, as a part of the permit application, that such a variance be granted so as to render the land, after reclamation, suitable for an industrial, commercial, residential, or public use, including recreational facilities.

(c) After consultation with the appropriate land use planning agencies, if any, the potential use of the affected land shall:

1. Be deemed by the cabinet to constitute an equal or better economic or public use;

2. Be designed and certified by a qualified registered professional engineer in conformance with professional standards established to assure the stability, drainage, and configuration necessary for the intended use of the site; and

3. The watershed of the affected land be deemed by the cabinet to be improved.

(d) In granting a variance pursuant to paragraph (b) of this subsection, the cabinet shall require that only such amount of spoil will be placed off the mine bench as is necessary to achieve the planned postmining land use, insure stability of the spoil retained on the bench, meet all other requirements of this chapter, and require all spoil placement off the mine bench to comply with KRS 350.440.

(e) The cabinet shall promulgate specific regulations as it deems necessary, if any, to govern the granting of variances in accord with the provisions of this subsection and may impose such additional requirements as it deems to be necessary.

(f) All exceptions granted under the provisions of this subsection shall be reviewed not more than three (3) years from the date of issuance of the permit, unless the permittee affirmatively demonstrates that the proposed development is proceeding in accordance with the terms of the reclamation plan.

(4) The cabinet shall adopt programs, regulations, and procedures designed to provide technical assistance to assist the small coal operator with the permitting and environmental protection performance standards for surface coal mining operations within the Commonwealth. Such programs shall be directed towards eliminating delays in the processing of permits by establishing a special administrative program to review small operator's permit applications and by establishing a procedure for providing the small operator the technical services of public and private agencies in addition to the services provided pursuant to KRS 350.465(2)(f) necessary for completing the permit application. Specifically, notwithstanding any other provision of this chapter or regulations adopted pursuant thereto, for the purpose of this program, the cabinet shall:

(a) Develop a simplified small operator permit application. The cabinet shall notify all applicants of deficiencies in the form of the application by certified mail within ten (10) working days after the filing in the regional office. The applicant shall have ten (10) working days after the receipt of the notification to repair the deficiencies. Upon failure of the applicant to repair the deficiencies within ten (10) working days after receipt of the notification, the cabinet may return the application as incomplete.

(b) Provide in the abandoned mine land program for small operators, having mined coal under a state permit *at any time within* [~~or license in~~] the previous three (3) years, participation consisting at least of the following:

1. That lands acquired or reclaimed by the state containing coal, coal refuse or other marketable minerals which should be removed in order to maximize the utilization, recoverability or conservation of solid fuel resources or to protect against adverse water quality impacts and which, once reclaimed, cannot be disturbed again by mining, shall be reclaimed by small operators unless the cabinet determines, after advertisement and advance opportunity to bid, that the reclamation project cannot be performed by the small operator bidders;

2. That the cabinet shall establish procedures for maximizing participation by small operators in all reclamation projects including:

a. Designing and establishing project specifications and setting forth in the annual request for federal funding under the state reclamation plan not less than twenty percent (20%) of said projects on cost basis to be performed by small operators;

b. Advance advertising, soliciting, evaluating bids and awarding contracts on all state reclamation projects for small operators.

3. In the event no bids are submitted by small operators for small operator projects, said projects will be thereafter open for public bidding and no longer designated as small operator projects but shall satisfy that portion of the twenty percent (20%) set aside.

(c) For the purposes of this subsection, a small coal operator is one who is anticipated to mine less than two hundred thousand (200,000) tons per year, and the cabinet in determining tonnage for qualification shall consider all production from common ownership of other corporations or operations.

(d) Upon written notification by the small coal operator to the cabinet stating that no more mining will take place under a permit, the cabinet shall release a portion of the bond in accordance with KRS 350.070. In making its determinations pursuant to KRS 350.070 the cabinet shall:

1. Determine the percentage of the permitted acreage in the area of reduction in relation to the initial acreage of the permit;

2. Examine the land which has been disturbed and estimate the cost of reclamation;

3. When the estimated cost of reclamation does not exceed ten thousand dollars ($10,000) then the cabinet shall return all bond money in excess of the ten thousand dollars ($10,000);

4. When the estimated cost of reclamation exceeds ten thousand dollars ($10,000) the cabinet shall retain the amount estimated and shall return all bond money in excess of the estimated amount but in no case shall the cabinet return more than the amount determined by multiplying the percentage determined under paragraph 1. of this subsection times the original total bond amount.

HB 877, AN ACT relating to hazardous waste.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 224.855 is amended to read as follows:

(1) No permit shall be issued until a complete application has been submitted to and approved by the cabinet and notice of the application for a waste disposal site or facility has been published at the expense of the applicant in a manner reasonably calculated to inform that portion of the public which is most likely to be affected by the operation of the proposed waste disposal site or facility. The publication shall take place after the cabinet has made a preliminary determination of the application.

(2) At a minimum, publication shall be made at least once by advertisement in a daily or weekly newspaper of general circulation in the locality where the proposed site is to be located.

(3) The contents of the public notice of an application for a waste disposal site or facility shall include the following:

(a) The name and address of the applicant;

(b) A brief description of the activity for which a permit is being sought;

(c) A description of the proposed location;

(d) The name and address of this cabinet; and

(e) The following statement: "Any person who may be aggrieved by the issuance of a permit for this proposed waste disposal site or facility may file with the cabinet a petition which sets forth the grounds of the objection and demand a hearing pursuant to KRS 224.081(2)." Such hearing shall be held within the county where the waste disposal site or facility is proposed.

(4) No permit shall be issued until at least thirty (30) days have expired following publication of the application. The applicant for a permit must establish the date of publication by a verified affidavit from the newspaper which publishes the advertisement. If a hearing is requested, no permit shall be issued prior to a completed hearing. In the case of hazardous waste *incinerators*, landfills and other sites or facilities for the land disposal of hazardous waste no permit shall be approved or issued prior to notification of the cabinet by the local unit of government of its actions pursuant to subsection (5) of this section.

(5) The fiscal court of the county, urban-county government, or governing body of an incorporated municipality wherein a hazardous waste *incinerator*, landfill or other site or facility for the land disposal of hazardous waste is proposed, shall conduct a public hearing after public notice has been given in accordance with KRS Chapter 424 and shall vote to approve or disapprove the hazardous waste *incinerator*, landfill or other site or facility for the land disposal of hazardous waste within thirty (30) days after the hearing described in subsections (3) and (4) of this section. If no hearing is requested under the provisions of subsections (3) and (4) of this section, the fiscal court, urban-county government, or governing body of an incorporated municipality shall conduct such public hearing and vote to approve or disapprove the hazardous waste *incinerator*, landfill or other site or facility for the land disposal of hazardous waste within sixty (60) days following publication of the application. In making a determination the fiscal court, urban-county

government, or governing body of an incorporated municipality shall consider the social and economic impacts of the proposed hazardous waste *incinerator,* landfill or other site or facility for the land disposal of hazardous waste on the affected community, including changes in property values, community perception and other psychic costs; costs and availability of public services, facilities and improvements required to support the landfill or other site or facility and protect public health, safety and the environment; and the relationship of the proposed hazardous waste *incinerator,* landfill or other site or facility for the land disposal of hazardous waste to local planning and existing development. After a fiscal court or urban-county government or governing body of an incorporated municipality has voted to approve or disapprove a hazardous waste *incinerator,* landfill or other site or facility for the land disposal of hazardous waste, the court, urban-county government, or governing body of an incorporated municipality shall so notify the cabinet in writing within ten (10) days. If a hazardous waste *incinerator,* landfill or other site or facility for the land disposal of hazardous waste is disapproved by the court, urban-county government, or governing body of an incorporated municipality, the reasons for disapproval shall be set forth clearly and concisely, and so recorded in the minutes. No permit shall be issued by the cabinet if a fiscal court, urban-county government or governing body of an incorporated municipality disapproves the hazardous waste *incinerator,* landfill or other site or facility for the land disposal of hazardous waste in the manner prescribed herein.

(6) The provisions of subsection (5) of this section shall not apply to a proposed regional integrated waste treatment and disposal demonstration facility.

Section 2. KRS 224.866 is amended to read as follows:

(1) No person shall engage in the storage, treatment, recycling or disposal of hazardous waste without first obtaining construction and operation permits from the cabinet. The cabinet shall promulgate regulations establishing standards for such permits but in no case shall a permit to construct or operate a hazardous waste disposal facility or a regional integrated waste treatment and disposal demonstration facility be issued unless it can be demonstrated that the proposed facility can be integrated into the surroundings in an environmentally compatible manner, including but not limited to insuring that hydrologic, seismologic, geologic and soil considerations have been adequately addressed in the permit application and in an operational plan. In no case shall a permit to construct a hazardous waste *incinerator,* landfill or other site or facility for the land disposal of hazardous waste be approved or issued prior to notification of the cabinet by the local unit of government of its actions pursuant to KRS 224.855(5), except when the landfill is part of a regional integrated waste treatment and disposal demonstration facility. The cabinet shall not issue a construction permit to a regional integrated waste treatment and disposal demonstration facility until it has been issued a certificate of environmental safety and public necessity. A person desiring a construction permit shall file an application on forms supplied by the cabinet which shall contain such information as the cabinet deems necessary and provide evidence that the hazardous waste shall be treated, stored or disposed of in the manner prescribed by the cabinet. The applicant shall not initiate construction at the proposed site of a new facility for the storage, treatment or disposal of hazardous waste until notice has been given to that portion of the public most likely to be affected by the operation of the proposed facility pursuant to KRS 224.855(1) through KRS 224.855(4) and until a construction permit for said facility has been issued by the cabinet. The cabinet may consider past performance in this or related fields by the applicant. The cabinet, in making a determination to issue, deny or condition a construction permit, shall consider the following:

(a) An evaluation of alternatives, to include other locations and other treatment, storage, and disposal approaches, different from those proposed, available to the applicant;

(b) An evaluation of the public health, safety, and environmental aspects of the proposals;

(c) An evaluation of the social and economic impacts of the proposed action on the affected community, to include, at a minimum, changes in property values, community perception and other psychic costs, and the costs and availability of public services, facilities and improvements required to support the facility and protect public health, safety and the environment;

(d) An evaluation of mitigation measures to alleviate problems identified in *paragraphs* [~~subsections~~] (b) and (c) of this *subsection* [~~section~~]; and

(e) The relationship of the proposal to local planning and existing development.

Except that in the case of hazardous waste *incinerators,* landfills or other sites or facilities for the land disposal of hazardous waste the provisions of paragraphs (c) and (e) of this subsection shall be determined by the local unit of government pursuant to KRS 224.855(5); in the case of a regional integrated waste treatment and disposal demonstration facility the provisions of paragraphs (c) and (e) of this subsection shall be determined by the siting board established pursuant to KRS 224.2203.

(2) Any hazardous waste which would migrate, leach, or generate gas in its normal state shall not be disposed of in a landfill unless such waste has been either neutralized, detoxified, solidified, encapsulated or otherwise treated so that the character of the waste is such that it will prevent substantial migration, leaching or gas generation or unless the landfill is designed and constructed in such manner as will prevent substantial migration, leaching or gas generation, that in either case may cause or significantly contribute to an increase in mortality or an increase in serious irreversible, or incapacitating reversible, illness or pose a substantial present or potential hazard to human health or the environment.

(3) In conjunction with the application for permits under this section the applicant shall establish adequate financial responsibility as follows:

(a) The applicant shall file as part of his application for a permit to construct the facility an estimate of the cost of closing the facility after its capacity is reached or operations have otherwise ceased. In the case of storage facilities, the cost of closing shall include the cost of properly disposing of the hazardous waste stored. The cabinet shall evaluate this cost estimate and either accept the estimate as made or shall revise it in accordance with acceptable guidelines, using, where available, actual data on closure costs associated with similar existing facilities. Before a permit to operate can be issued the applicant for any hazardous waste permit shall assure that the funds needed to close the facility are available by establishing assurance through one (1) or more of the following mechanisms: cash, certificates of deposit, irrevocable credit or other sureties satisfactory to the cabinet and the mechanism shall be established by agreement with the cabinet. The agreement shall provide that disbursement is permissible only upon written approval of the cabinet and whenever, on the basis of any information, the cabinet determines that the owner or operator is in violation of any of the closure requirements for the facility, that the cabinet shall have the right to use part or all of the closure fund to carry out the closure requirements. The financial institution, surety company or escrow agent shall release these funds upon receiving a forfeiture order of the cabinet issued pursuant to an appropriate administrative hearing considering one (1) or more closure violations. Upon determination that closure has been satisfactorily accomplished, the cabinet shall release the applicant from further financial responsibility for closure.

(b) Any applicant for a hazardous waste disposal permit shall file with the cabinet as part of his application an estimate of the annual cost of post-closure monitoring and routine maintenance at the site. The cabinet shall evaluate the cost estimate, and, after such modification as may be necessary in light of its evaluation, shall give notice of acceptance of the cost estimate. This cost estimate which will be referred to as the annual post-closure operating cost will then be used to determine the amount of the post-closure monitoring and maintenance fund to be used for monitoring and maintenance for a period of a minimum of thirty (30) years after facility closure. The post-closure monitoring and maintenance fund shall be cash, irrevocable credit or other sureties satisfactory to the cabinet and shall be established by an agreement with the cabinet. The agreement shall provide that whenever, on the basis of any information, the cabinet determines that the owner or operator of the facility is in violation of any of the post-closure monitoring and maintenance requirements, the cabinet shall have the right to use part or all of the funds to carry out the post-closure monitoring and maintenance for the facility. The funds shall be released upon receipt of a forfeiture order of the cabinet issued pursuant to an appropriate administrative hearing considering one (1) or more post-closure monitoring and maintenance violations. One (1) year after closure and annually, thereafter, for a period of thirty (30) years, the applicant who has carried out all necessary post-closure maintenance and monitoring requirements may upon application to the cabinet be reimbursed out of the post-closure monitoring and maintenance fund an amount equal to the estimated costs for monitoring and routine maintenance for that year. Request for release of funds for reimbursement must be accompanied by an itemized list of costs incurred. Upon determination that the expenditures incurred are in accordance with the approved plan or otherwise justified the cabinet may authorize the release of the funds to the applicant in writing. Any funds remaining in the account following a termination hearing in which the applicant is released of further responsibility will likewise be released to the applicant.

(c) All applicants for any hazardous waste permit must provide evidence of financial responsibility in an amount and for a time period specified by the cabinet for the purpose of satisfying claims arising out of injury to persons or property resulting from the release or escape of hazardous waste into the environment. Such financial responsibility may be established by one or a combination of evidence of liability insurance, self-insurance, or other evidence of financial responsibility acceptable to the cabinet. The level of self-insurance shall not exceed ten percent (10%) of equity, and financial responsibility must be maintained during the entire operation of the facility and until termination. The minimum liability coverage for sudden occurrences, exclusive of legal defense costs, for a storage, treatment or disposal facility shall be one million dollars ($1,000,000) per occurrence with an annual aggregate of two million dollars ($2,000,000). A hazardous waste disposal facility shall maintain additional excess liability coverage in the amount of at least ten million dollars ($10,000,000). The minimum liability coverage for nonsudden occurrences, exclusive of legal defense costs, for a hazardous waste facility involving land disposal shall be five million dollars ($5,000,000) per occurrence with an annual aggregate of ten million dollars ($10,000,000). Combined coverage for sudden and nonsudden occurrences shall be no less than the combined totals herein set forth for separate coverage.

(4) The cabinet shall promulgate regulations establishing minimal standards for closure, post-closure monitoring and maintenance, and termination of sites for the disposal of hazardous waste. Any person who obtains a disposal permit for hazardous waste shall be responsible for the post-closure monitoring and maintenance of the permitted facility for a minimum of thirty (30) years after closure of the facility, and may apply to the cabinet for termination of the responsibility for post-closure monitoring and maintenance at any time after the site has been closed for at least thirty (30) years. Upon receipt of such application the cabinet

shall provide notice to the public and to the owner or operator and an opportunity for a hearing on the termination of the site. In this proceeding the burden shall be on the applicant to prove by clear and convincing evidence that additional post-closure monitoring and maintenance is not necessary for adequate protection of public health or the environment. The cabinet shall determine either that post-closure monitoring and maintenance of the site is no longer required in which case the applicant shall be relieved of such responsibility; or that additional post-closure monitoring and maintenance of the site as specified in a plan of operation is still required, in which case the cabinet may order appropriate remedial measures, impose restrictive covenants as to future use of the property involved, or otherwise condition termination as may be necessary for adequate protection of public health and the environment.

HB 888, AN ACT relating to surface coal mines.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 350.135 is amended to read as follows:

(1) No *surface coal mining* permit issued pursuant to this chapter shall be transferred by sale, assignment, lease, or otherwise except upon the written approval *by* [~~of~~] the cabinet *of a joint application submitted by both the transferor and the transferee. A basic fee set by regulation, and bearing a reasonable relationship to the cost of processing the transfer, but not to exceed three hundred seventy-five dollars ($375) shall accompany the application and no acreage fee will be assessed. The transferee shall file with the application a bond satisfactory to the cabinet which shall ensure reclamation of the entire area of land affected under the permit, including areas previously affected by the transferor. All rights and liabilities under the permit shall pass to the transferee upon written approval of the transfer by the cabinet, except that the transferor shall remain liable for any civil penalties resulting from violations occurring prior to the date of approval of the transfer. The cabinet shall not approve transfer of a surface coal mining permit to any person who would be ineligible to receive a new permit under this chapter.* [~~The cabinet may release the first operator from all liability under this chapter as to that particular operation; provided, however, that the successor operator has been issued a permit and has otherwise complied with the requirements of this chapter, and the successor operator assumes as part of his obligation under this chapter, all liability for the reclamation of the area of land affected by the former operator.~~]

(2) *After* [~~If~~] the cabinet has given its written approval to the transfer, *the transferee* [~~a successor in interest to a permittee who applies for a new permit within one hundred twenty (120) days of succeeding to such interest and who is able to obtain the bond coverage of the original permittee~~] may *conduct* [~~continue~~] surface coal mining and reclamation operations according to the approved mining and reclamation plan of the original permittee [~~until such successor's application is granted or denied~~]. *Any transferee seeking to change the conditions of mining or reclamation operations, or any of the terms or conditions of the original permit, shall apply for a new or revised permit pursuant to the requirements of the cabinet.*

(3) The cabinet shall not release the first operator from bond liability under this chapter as to that particular operation until the transferee, having filed a bond satisfactory to the cabinet, receives written approval from the cabinet for the transfer, and otherwise complies with the requirements of this chapter, and provided further that the transferee shall assume as part of his obligation under this chapter, all liability for the reclamation of the area of land affected by the former operator.

(4) The cabinet may promulgate reasonable regulations and administrative procedures to implement this section.

HB 991, AN ACT relating to radiation control.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 211 IS CREATED TO READ AS FOLLOWS:

The secretary for human resources may by regulation require licensees of radioactive materials to procure a surety bond in such amount as the secretary deems reasonably appropriate to cover potential clean-up costs in the event of abandonment, insolvency, or other inability of the licensee to meet the requirements of the secretary regarding a radioactive material accident or other public health hazard created by the presence of radioactive material at a site occupied by the licensee or formerly under its possession, ownership, or control. The secretary shall be the obligee of the bond and the proceeds of the bond shall be used by the secretary for defraying the cost of cleaning up and decontaminating the area or property involved.

The bond shall be issued by an insurance company authorized to do business in Kentucky. Failure to comply with any regulation promulgated to carry out this section by any licensee shall result in automatic revocation of such license by operation of law.

HB 1001, AN ACT relating to surface coal mining.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 350.610 is amended to read as follows:

(1) The secretary of the natural resources and environmental protection cabinet is hereby authorized to establish a planning process enabling objective decisions based upon competent and scientifically sound data as to which, if any, lands of the Commonwealth are unsuitable for all or certain types of surface coal mining operations pursuant to the standards set forth in this chapter; provided, that any such designation shall not prevent coal or other mineral exploration of any area so designated.

(2) Upon petition and hearing pursuant to subsection (6) of this section, the secretary shall designate an area as unsuitable for all or certain types of surface coal mining operations, if the secretary determines that reclamation pursuant to this chapter is not technologically and economically feasible.

(3) Upon petition and hearing pursuant to subsection (6) of this section, a surface area may be designated unsuitable for certain types of surface coal mining operations if such operations will:

(a) Be incompatible with existing state and local land use plans; or

(b) Affect fragile or historic lands in which such operations could result in significant damage to important historic, cultural, scientific, and aesthetic values, and natural systems; or

(c) Affect renewable resource lands in which such operations could result in a substantial loss or reduction of long range productivity of water supply or food or fiber products, and such lands to include aquifers and aquifer recharge areas; or

(d) Affect natural hazard lands in which such operations could substantially endanger life and property, such lands to include areas subject to frequent flooding and areas of unstable geology.

(4) Determinations of the unsuitability of land for surface coal mining shall be integrated as closely as possible with present and future land use planning and regulation processes at any appropriate level of government, including but not limited to any valid exercise of authority of a municipality or county, acting independently or jointly, pursuant to KRS Chapter 100.

(5) The requirements of this section shall not apply to lands on which coal mining operations were being conducted on August 3, 1977 or under a permit issued pursuant to this chapter or where substantial legal and financial commitments in such operation were in existence prior to January 4, 1977.

(6) Other provisions of this chapter relating to hearings to the contrary notwithstanding, any person having an interest which is or may be adversely affected shall have the right to petition the cabinet to the extent such a petition would be inconsistent with subsections (2) and (3) of this section, to have *a specific and well defined* [~~an~~] area designated as unsuitable for surface coal mining operations, or to have such a designation terminated. Such a petition shall contain allegations of facts which shall be specific as to the petitioner's designated area, *including a justification for each specific parcel of property in the area,* and shall be based upon objective evidence which would tend to establish the allegations. The cabinet shall make a determination or finding whether the petition is complete, incomplete or frivolous. Within ten (10) months after the receipt of the petition, the cabinet shall hold a public hearing in the locality of the affected area, after appropriate notice and publication of the date, time, and location of such hearing, pursuant to regulations promulgated by the cabinet to implement this section provided that when a permit application is pending before the cabinet and such application involves an area in a designation petition, the cabinet shall hold the hearing on the petition within ninety (90) days of its receipt. After a person having an interest which is or may be adversely affected has filed a petition and before the hearing, any person may intervene by filing allegations of facts with supporting evidence which would tend to establish the allegations. Within sixty (60) days after such a hearing, the cabinet shall issue and furnish to the petitioner and any other party to the hearing, a written decision regarding the petition, and the reasons therefor. In the event that all petitioners stipulate agreement prior to the requested hearing and withdraw their request, such hearing need not be held. HB 1015, AN ACT relating to solid waste disposal landfills.

WHEREAS, utilization of highwalls left from mining operations is an asset to the economic development of solid waste disposal facilities; and

WHEREAS, solid waste disposal facilities are a permitted use in 405 KAR 1:070 Section 3(3) for postmining land use; and

WHEREAS, a highwall is defined in 405 KAR 7:020 (50); and

WHEREAS, 405 KAR 7:020 (8) requires all highwalls to be eliminated as a condition for achieving the required postmining condition defined as "approximate original contour" and such elimination is without exclusion; and

WHEREAS, federal regulations in 30 CFR Part 826.12 (Federal Register, Vol. 47, No. 219) permit highwalls to remain where reasonably available spoil is not available, provided the remanent highwall does not pose a hazard to the public health and safety or to the environment; and

WHEREAS, a permitted exception to the elimination of highwalls in 405 KAR 7:020 (8) under conditions which protect the public health and safety and the environment would permit local governments to develop solid waste disposal facilities on sites with highwalls without the additional development costs generated by the elimination of the highwall;

NOW, THEREFORE,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

(1) Utilization of existing highwalls by local governments developing solid waste disposal facilities is an economically beneficial action serving the public good. Local governments may under the following conditions be exempt from eliminating the highwalls on condition that:

(a) The land on which the highwall lies is owned by the local government unit;

(b) A sanitary landfill permit exists for the subject area or a resolution has been adopted by the local government unit that the site is to be used for a solid waste disposal site prior to any other principal;

(c) Prior to the sale of the property, when a solid waste permit on the subject area has not been obtained the highwall is eliminated pursuant to state regulations;

(d) A ground water monitoring plan approved by the cabinet for natural resources and environmental protection is in effect; or the site by virtue of particular hydrogeological conditions that minimize the potential of ground water contamination by landfill leachate is exempt from ground water monitoring requirements;

(e) All other state requirements for reclamation are enforced;

(f) A minimum of ten (10) feet of inorganic silt or clay with medium or low plasticity at ninety-five percent (95%) standard proctor compaction is placed between the highwall and the solid waste fill cells at the time of active landfilling and such a requirement is a condition of the landfill permit at the time it is granted; and

(g) Minimum three to one (3:1) slopes for final contours are a condition of the landfill permit.

(2) These provisions are to apply to all applications for solid waste permits pending as of the day of the enactment of this Act, as well as for those permits to be submitted, and to all highwalls on property owned by governmental units.

HJR 70, A JOINT RESOLUTION establishing the Bernheim Forest Deer Management Task Force.

WHEREAS, in recent years the deer population in Bernheim Forest and the surrounding areas has grown to such a large number that the deer herd has become extremely susceptible to disease and starvation; and

WHEREAS, the recent effort at managing the deer herd through a controlled public hunt brought the many interested parties into conflict with each other; and

WHEREAS, the results of the hunt are unclear, presenting the possibility that overpopulation of the deer herd will remain a continuing problem both for the fish and wildlife commission, which is charged with maintaining wild deer as a public resource, and for the landowners in the area of Bernheim Forest, whose crops are threatened by large numbers of deer which cannot find food in their natural environment; and

WHEREAS, the problem of an overpopulation of deer in the Bernheim Forest area needs a permanent solution that is acceptable to all the interested parties, the fish and wildlife commission, the Isaac W. Bernheim Foundation and private landowners;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. That the Legislative Research Commission shall appoint a fifteen member task force which shall seek a permanent solution to the problems associated with the deer overpopulation in and around Bernheim Forest. The commission shall appoint to the task force individuals who are interested and knowledgeable as to the problems and possible solutions. In addition, in making the appointments the commission shall select individuals who will represent all groups with an interest in the problem. The commission shall appoint one (1) member to represent the fish and wildlife commission; one (1) member to represent the Isaac W. Bernheim Foundation; three (3) members who are landowners in the area and who favor hunting as a means of managing the deer; three (3) members who are landowners in the area and who do not favor hunting for management of the deer; the county judges/executive of Nelson and Bullit counties; two (2) citizens-at-large who are knowledgeable concerning the problem but who are impartial about management solutions; two (2) members of the House of Representatives of the Commonwealth of Kentucky who represent Bullit and Nelson Counties; and one (1) member of the Senate of the Commonwealth of Kentucky who represents Bullit or Nelson counties.

Section 2. That the goal of the task force shall be to propose permanent solutions to the overpopulation of deer in the Bernheim Forest area which are approved by all the interested parties. The task force shall file a report with the Legislative Research Commission by July 31, 1985.

Section 3. That the fish and wildlife commission shall assign a staff person to the task force to help insure that the task force can accomplish its purpose. The Legislative Research Commission shall assign staff to aid the task force as needed.

Section 4. That expenses of members to attend task force meetings and staff services to be utilized in completing this study are estimated to cost $24,000. These staff services shall be provided from the regular commission budget and are subject to the limitation and other research responsibilities of the commission.

HJR 99, A JOINT RESOLUTION directing the creation of a task force to study the feasibility of establishing a coal commodity trading exchange in Kentucky.

WHEREAS, Kentucky is the leading coal producing state in the nation; and

WHEREAS, coal plays a vital role in the economy of Kentucky and in the state's overall fiscal well-being; and

WHEREAS, new enterprises that would aid the marketing of Kentucky's coal resource would benefit not only the coal industry, but also the state government through increased tax revenue; and

WHEREAS, a coal commodity trading exchange would appear to have the potential to serve as such a marketing vehicle;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. There is hereby created a task force to study all relevant material, information and available expertise regarding the benefits to the people of the Commonwealth of establishing a coal commodity trading exchange in Kentucky.

Section 2. The task force shall be composed of fifteen members appointed by the Governor and shall include legislators, representatives of appropriate state agencies, coal industry representatives, and individuals having expertise in finance and brokeraging. The members shall receive no compensation but shall be reimbursed for their actual expenses incurred in attending meetings and in the performance of other official duties.

Section 3. The task force shall report its findings and detailed recommendations to the Governor and the General Assembly by October 30, 1986.

Section 4. It is estimated that the costs of the task force shall be ten thousand dollars, such monies to be provided by the regular budget of the Governor's office.

HCR 121, A CONCURRENT RESOLUTION directing a study of the effects of locating landfills within a limited geographical area.

WHEREAS, the siting of landfills can have an adverse impact on the economic value of the property surrounding the site; and

WHEREAS, landfills sited near residential areas can create health hazards from dust, leaching of toxic substances and noise; and

WHEREAS, the many problems associated with landfills are compounded when new sites are located near existing sites, thus placing an unreasonable burden on the surrounding community;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. That the Interim Joint Committee on Natural Resources and Environmental Protection study approaches for siting new landfills away from areas with existing landfills in order to more evenly distribute among different communities the burdens of having landfills sited nearby.

Section 2. Staff services to be utilized in completing this study are estimated to cost $10,000. Such sum is merely an estimate pursuant to House Rule 63. Services and staff support are to be provided by the Legislative Research Commission. Staff support is subject to the limitations and other research responsibilities of the Legislative Research Commission.

Section 3. This study shall be submitted to the Legislative Research Commission no later than October 1, 1985.

(2) Whereas, experience has proved that protection by law of the right of public employes to organize and bargain collectively safeguards the public business from injury, impairment, or interruptions, and promotes public business by removing certain recognized sources of strife and unrest, by encouraging practices fundamental to the friendly adjustment of disputes arising out of differences as to wages, hours, or other working conditions, and by creating equality of bargaining power between employers and employes.

(3) Whereas, it is hereby declared to be the policy of the State of Kentucky to eliminate the causes of certain substantial obstructions to public business and to mitigate and eliminate these obstructions when they have occurred by encouraging the practice and procedure of collective bargaining and by protecting the exercise by fire fighters *and law enforcement officers* of full freedom of association, self-organization, and designation of representatives of their own choosing, for the purpose of negotiating the terms and conditions of their employment or other mutual aid or protection.

2. A public employer in the selection of his representative for the purposes of collective bargaining or the adjustment of grievances;

(b) Refusing to bargain collectively in good faith with a public employer, if they have been designated in accordance with the provisions of this chapter as the exclusive representative of fire fighters *or law enforcement officers* in an appropriate unit.

(3) For the purposes of this chapter, to bargain collectively is to carry out in good faith the mutual obligation of the parties, or their representatives; to meet together at reasonable times, including meetings in advance of the budget-making process; to negotiate in good faith with respect to wages, hours and other conditions of employment; to negotiate an agreement; to negotiate any question arising under any agreement; and to execute a written contract incorporating any agreement reached, if requested by either party. (b) By the public employer alleging that one or more labor organizations has presented to it a claim to be recognized as a representative of the majority of fire fighters *or law enforcement officers* in an appropriate unit; the board shall investigate such petition, and if it has reasonable cause to believe that a question of representation exists, shall provide for an appropriate hearing upon due notice. If the board finds that there is a question of representation, it shall direct an election by secret ballot to determine whether or by which labor organization the fire fighters *or law enforcement officers* desire to be represented and shall certify the result thereof.

(2) The board shall decide in each case, in order to assure fire fighters *or law enforcement officers* the fullest freedom in exercising the rights guaranteed by this chapter, the unit appropriate for the purposes of collective bargaining, based on such factors as community of interest, wages, hours and other working conditions of the fire fighters *or law enforcement officers* involved, the history of collective bargaining, and the desires of the fire fighters *or law enforcement officers.*

(3) An election shall not be directed in any bargaining unit or in any subdivision thereof within which in the preceding twelve-month period a valid election has been held. The board shall determine who is eligible to vote in the election and shall establish rules governing the election. In any election where none of the choices on the ballot receives a majority, a runoff shall be conducted, the ballot providing for the selection between the two choices receiving the largest and the second largest number of valid votes cast in the election. A labor organization which receives the majority of the votes cast in an election shall be certified by the board as exclusive representative of all the fire fighters *or law enforcement officers* in the unit.

(4) Nothing in this or any other law shall be construed to prohibit recognition of a labor organization as the exclusive representative by a public agency by mutual consent.

(5) No election shall be directed by the board in any bargaining unit where there is in force and effect a valid collective bargaining agreement. Provided, however, no collective bargaining agreement shall bar an election upon the petition of persons not parties thereto where more than three years have elapsed since the execution of the agreement or the last timely renewal, whichever was later.

Section 8. KRS 345.070 is amended to read as follows:

Violations of the provisions of KRS 345.050 shall be deemed to be unfair labor practices remedial by the board in the following manner.

(1) Whenever it is charged by a public employer or a labor organization that any person has engaged in or is engaging in any such unfair labor practices, the board, or any agent designated by the board for such purposes, shall issue and cause to be served upon the person a copy of the charges and a notice of hearing before the board or a member thereof, or before a designated agent, at a place therein fixed, not less than five days after serving of the copy of the charges by the board. Any charge may be amended by the charging party, at any time prior to the issuance of an order based thereon, provided that the charged party is not unfairly prejudiced thereby. The person upon whom the charge is served may file an answer to the charge. The charging party and the person charged shall appear in person or otherwise and give testimony at the place and time fixed in the notice of hearing. In the discretion of the member or agent conducting the hearing or the board, any other person may be allowed to intervene in the proceeding and to present testimony. In any hearing the board shall not be bound by the rules of evidence prevailing in the courts.

(2) The testimony taken by the member, agent or the board shall be reduced to writing and filed with the board. Thereafter the board upon notice may take further testimony or hear argument. If upon the preponderance of the testimony taken the board is of the opinion that any person named in the charge has engaged in or is engaging in an unfair labor practice, then it shall state its findings of fact and shall issue and cause to be served on the person an order requiring him to cease and desist from the unfair labor practice, and to take such affirmative action including reinstatement of fire fighters *or law enforcement officers* with or without back pay, as will effectuate the policies of this chapter. The order may further require the person to make reports from time to time showing the extent to which he has complied with the order. If upon the preponderance of the testimony taken the board is not of the opinion that the person named in the charge has engaged in or is engaging in the unfair labor practice, then the board shall state its finding of fact and shall issue an order dismissing the complaint. No order shall issue based upon any unfair labor practice occurring more than six months prior to the filing of the charge with the board, unless the person aggrieved thereby was prevented from filing the charge by reason of service in the armed forces, in which event, the six-month period shall be computed from the day of his discharge. No order of the board shall require the reinstatement of any individual as a fire fighter *or law enforcement officer* who has been suspended or discharged, or the payment to him of any back pay, if the individual was suspended or discharged for cause.

(3) Until the record in a case has been filed in court, the board at any time, upon reasonable notice and in such manner as it deems proper, may modify or set aside, in whole or in part, any finding or order made or issued by it.

(4) The board or the charging party may petition for the enforcement of the order and for appropriate temporary relief or restraining order, and shall file in the circuit court for the county in which the violation occurred, the record in the proceedings. Upon the filing of the petition, the circuit court shall cause notice thereof to be served upon the charged party, and thereupon shall have jurisdiction of the proceeding and shall grant such temporary or permanent relief or restraining order as it deems just and proper, enforcing modifying, enforcing as so modified, or setting aside in whole or in part the order of the board. No objection that has not been urged before the board, its member or agent, shall be considered by the court, unless the failure or neglect to urge the objection is excused because of extraordinary circumstances. The findings of the board with respect to questions of fact if supported by substantial evidence on the record considered as a whole shall be conclusive. If either party applies to the circuit court for leave to present additional evidence and shows to the satisfaction of the circuit court that the additional evidence is material and that there were reasonable grounds for the failure to present it in the hearing before the board, its member or agent, the court may order the additional evidence to be taken before the board, its member or agent, and to be made a part of the record. The board may modify its findings as to the facts, or make new findings, by reason of additional evidence so taken and filed, and it shall file the modifying or new findings, which findings with respect to questions of fact if supported by substantial evidence on the record considered as a whole shall be conclusive, and shall file its recommendations, if any, for the modification or setting aside of its original order. Upon the filing of the record (with it) the jurisdiction of the court shall be exclusive and its judgment and decree shall be final, except that the same shall be subject to review by the Court of Appeals in accordance with the general court rules.

(5) Any person aggrieved by a final order of the board granting or denying in whole or in part the relief sought may obtain a review of such order in the court by filing in the circuit court a complaint praying that the order of the board be modified or set aside, with copy of the complaint filed with the board, and thereupon the aggrieved party shall file in the court the record in the proceeding, certified by the board. Upon the filing of the complaint, the court shall proceed in the same manner as under subsection (4), and shall grant to the board such temporary relief or restraining order as it deems just and proper, enforcing modifying, enforcing as so modified, or setting aside in whole or in part the order of the board. The findings of the board with respect to questions of fact if supported by substantial evidence on the record considered as a whole shall be conclusive.

(6) The commencement of proceedings under subsections (4) and (5) shall not, unless specifically ordered by the court, operate as a stay of the board's order.

(7) Complaints filed under this chapter shall be heard expeditiously by the court to which presented,

and shall take precedence over all other civil matters except earlier matters of the same character.

Section 9. KRS 345.090 is amended to read as follows:

Except as hereinafter provided, when a labor organization has been designated in accordance with the provisions hereof as the exclusive representative of fire fighters *or law enforcement officers* in an appropriate unit, the chief executive officer of the political subdivision, whether elected or appointed, or his designated authorized representative or authorized representatives, shall represent the public employer in collective bargaining with such employe organization.

Section 10. KRS 345.100 is amended to read as follows:

(1) Any agreement reached by the negotiators shall be reduced to writing and shall be executed by both parties.

(2) An agreement between the public employer and a labor organization shall be valid and enforced under its terms when entered into in accordance with the provisions of this chapter and signed by the chief executive officer of the political subdivision or his representative. No publication thereof shall be required to make it effective. The procedure for the making of an agreement between a political subdivision and a labor organization provided by this chapter shall be the exclusive method of making a valid agreement for fire fighters *or law enforcement officers* represented by a labor organization.

(3) Suits for violation of agreements between a public employer and a labor organization representing fire fighters *or law enforcement officers* may be brought by the parties to such agreement in the circuit court of the county of the employer or in cases where the state is the employer in the Franklin Circuit Court.

Section 11. KRS 345.110 is amended to read as follows:

Upon the written authorization of any fire fighters *or law enforcement officers* within a bargaining unit, the public employer shall deduct from the payroll of the public employe the monthly amount of dues as certified by the secretary of the exclusive bargaining representative and shall deliver the same to the treasurer of the exclusive bargaining representative.

Section 12. KRS 345.120 is amended to read as follows:

(1) There is hereby created and established a state labor relations board to assist in resolving disputes between public employers and fire fighters *or law enforcement officers* or their labor organization which shall be composed of three (3) members appointed by the governor, one (1) for a term of two (2) years, one (1) for a term of three (3) years, and one (1) for a term of four (4) years. The governor shall designate one (1) member to serve as chairman of the board. Thereafter, upon the expiration of the term of any member, members shall be appointed for four-year terms by the governor.

(2) Each member of the board shall have been an elector in this state for at least one (1) year next preceding his appointment. Any member may be removed by the governor for cause, shown in a public hearing after the accused has been given a copy of the charges made and has had an opportunity to answer such charges. The governor shall fill any vacancy by appointment for the unexpired term. No member shall receive a salary but each member shall be paid $50 and expenses for each day during which he is engaged in the duties of the board. The board is authorized to hold hearings at any place in this state. Any and all expenses incurred by the labor relations board shall be shared by all parties concerned in the dispute.

(3) The board shall appoint such employes as may be necessary to carry out the work of the board. All files, records and documents accumulated by the board shall be kept in offices provided by the board. All decisions shall be made by a majority of the board.

(4) To accomplish the objectives and to carry out the duties prescribed by this chapter, the board may subpoena witnesses, issue subpoenas to require the production of books, papers, records and documents which may be needed as evidence in any matter under inquiry, and may administer oaths and affirmations.

(5) In case of neglect or refusal to obey a subpoena issued to any person, the circuit court of the county in which the investigations or the public hearings are taking place, upon application by the board may issue an order requiring such person to appear before the board, any member or agent, to produce evidence or give testimony about the matter under investigation. A failure to obey such order may be punished by the court as a contempt.

(6) Any subpoena, notice of hearing or other process or notice of the board issued under the provisions of this chapter may be served personally, by certified mail, return receipt requested or by leaving a copy at the principal office or place of residence of the respondent required to be served. A return, made and verified by the individual making such service and setting forth the manner of such service is proof of service and a returned post-office receipt, when certified mail is used, is proof of service. All process of any court to which application may be made under the provisions of this chapter may be served in the county wherein the persons required to be served reside or may be found.

(7) The board shall adopt, promulgate, amend or rescind such rules and regulations as it deems necessary and administratively feasible to carry out the provisions of this chapter. Public hearings shall be

held by the board on any proposed rule or regulation of general applicability designed to implement, interpret or prescribe policy, procedure or practice requirements under the provisions of this chapter and on any proposed change in an existing rule or regulation. Reasonable notice shall be given prior to such hearings, which shall include the time, place and nature of such hearing and also the terms or substance of the proposed rule or regulation or the changes of such rule or regulation.

(8) The board shall be attached to the department of labor for administrative purposes.

Section 13. KRS 345.130 is amended to read as follows:

No fire fighter *or law enforcement officer* shall engage in, and no fire fighter *or law enforcement officer* labor organization shall sponsor or condone any strike."

Floor Amendment No. 1 to **HB 933**, by Representative Endicott:

Amend printed copy of **HB 933**, after line 26 of page 8, by adding the following:

Section 6. KRS 141.120 is amended to read as follows:

(1) As used in this section, unless the context requires otherwise:

(a) "Business income" means income arising from transactions and activity in the regular course of a trade or business of the taxpayer and includes income from tangible and intangible property if the acquisition, management, or disposition of the property constitutes integral parts of the taxpayer's regular trade or business operations;

(b) "Commercial domicile" means the principal place from which the trade or business of the taxpayer is managed;

(c) "Compensation" means wages, salaries, commissions, and any other form of remuneration paid or payable to employes for personal services;

(d) "Financial organization" means any bank, trust company, savings bank, industrial bank, land bank, safe deposit company, private banker, savings and loan association, credit union, cooperative bank, investment company, or any type of insurance company;

(e) "Nonbusiness income" means all income other than business income;

(f) "Public service company" means any business entity subject to taxation under KRS 136.120;

(g) "Sales" means all gross receipts of the taxpayer not allocated under subsections (3) through (7) of this section;

(h) "State" means any state of the United States, the District of Columbia, the commonwealth of Puerto Rico, any territory or possession of the United States, and any foreign country or political subdivision thereof.

(2) Any corporation which is required by KRS 141.010(14)(b) to allocate and apportion its net income shall allocate and apportion its net income as provided in this section.

(3) Rents and royalties from real, *intangible* or tangible personal property, capital gains and losses, interest, or patent or copyright royalties, to the extent that they constitute nonbusiness income, shall be allocated as provided in subsections (4) through (7) of this section.

(4) (a) Net rents and royalties from real property located in this state are allocable to this state.

(b) Net rents and royalties from tangible personal property are allocable to this state if and to the extent that the property is utilized in this state; or in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

(c) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, the tangible personalty is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

(d) Net rents and royalties from intangible personal property located in this state are allocable to this state. For purposes of this section, royalties from property leased in Kentucky shall be considered as royalties from intangible personal property.

(5) (a) Capital gains and losses from sales or other dispositions of real property located in this state are allocable to this state.

(b) Capital gains and losses from sales or other dispositions of tangible personal property are allocable to this state if the property had a situs in this state at the time of the sale, or the taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in which the property had a situs.

(c) Capital gains and losses from sales or other dispositions of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state.

(6) Interest is allocable to this state if the taxpayer's commercial domicile is in this state.

(7) (a) Patent and copyright royalties are allocable to this state if and to the extent that the patent or copyright is utilized by the payer in this state; or if and to the extent that the patent or copyright is utilized by the payer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

(b) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.

(c) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

(8) All business income shall be apportioned to this state by multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor, and the denominator of which is three (3).

(a) The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the tax period and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the tax period; provided, however, that property which has been certified as a pollution control facility as defined in KRS 224.850 shall be excluded from the property factor.

1. Property owned by the taxpayer is valued at its original cost. If the original cost of any property is not determinable or is nominal or zero such property shall be valued by the department under regulations promulgated by the department. Property rented by the taxpayer is valued at eight (8) times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from sub-rentals, provided that such rental and such sub-rentals are reasonable. If the department determines that the annual rental or sub-rental rate is unreasonable, or if a nominal or zero rate is charged, the department may determine and apply such rental rate as will reasonably reflect the value of the property rented by the taxpayer.

2. The average value of property shall be determined by averaging the values at the beginning and ending of the tax period but the department may require the averaging of monthly values during the tax period if reasonably required to reflect properly the average value of the taxpayer's property.

(b) The payroll factor is a fraction, the numerator of which is the total amount paid or payable in this state during the tax period by the taxpayer for compensation, and the denominator of which is the total compensation paid or payable everywhere during the tax period. Compensation is paid or payable in this state if:

1. The individual's service is performed entirely within the state; or

2. The individual's service is performed both within and without the state, but the service performed without the state is incidental to the individual's service within the state; or

3. Some of the service is performed in the state and the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in the state, or the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this state.

(c) The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the tax period, and the denominator of which is the total sales of the taxpayer everywhere during the tax period. Sales of tangible personal property are in this state if:

1. The property is delivered or shipped to a purchaser, other than the United States government, or to the designee of the purchaser within this state regardless of the f.o.b. point or other conditions of the sale; or

2. The property is shipped from an office, store, warehouse, factory, or other place of storage in this state and the purchaser is the United States government.

3. Sales, other than sales of tangible personal property, are in this state if the income-producing activity is performed in this state; or the income-producing activity is performed both in and outside this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

(9) If the allocation and apportionment provisions of this section do not fairly represent the extent of the taxpayer's business activity in this state, the taxpayer may petition for or the department may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

(a) Separate accounting;

(b) The exclusion of any one or more of the factors;

(c) The inclusion of one or more additional factors which will fairly represent the taxpayer's business activity in this state; or

(d) The employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

(10) Public service companies and financial organizations required by KRS 141.010(14)(b) to allocate and apportion net income shall allocate and apportion such income as follows:

(a) Nonbusiness income shall be allocated to this state as provided in subsections (4) through (7) of this section.

(b) Business income shall be apportioned to this state by multiplying the business income by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor and the denominator of which is three (3). The payroll factor shall be determined as provided in subsection (8)(b) of this section. The property factor and sales factor shall be determined as provided by regulations promulgated by the department.

HB 714, AN ACT relating to foster care.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 205.520 is amended to read as follows:
(1) KRS 205.510 to 205.630 shall be known as the "Medical Assistance Act."
(2) The general assembly of the Commonwealth of Kentucky recognizes and declares that it is an essential function, duty and responsibility of the state government to provide medical care to its indigent citizenry; and it is the purpose of KRS 205.510 to 205.630 to provide such care.

(3) Further, it is the policy of the Commonwealth to take advantage of all federal funds that may be available for medical assistance. To qualify for federal funds the secretary for human resources may by regulation comply with any requirement that may be imposed or opportunity that may be presented by federal law. Nothing in KRS 205.510 to 205.630 is intended to limit the secretary's power in this respect.

(4) *The secretary shall provide medical assistance to children in foster care committed to the custody or guardianship of the cabinet until such children reach the age of twenty-one (21) and only when such children remain in foster care for the limited purpose of attending vocational, technical or high school.*

(5) It is the intention of the general assembly to comply with the provisions of title XIX of the social security act which require that the Kentucky medical assistance program recover from third parties which have a legal liability to pay for care and services paid by the Kentucky medical assistance program.

(6)[~~(5)~~] The Kentucky medical assistance program shall be the payor of last resort and its right to recover under KRS 205.622 to 205.630 shall be superior to any right of reimbursement, subrogation, or indemnity of any liable third party.

SECTION 2. A NEW SECTION OF KRS CHAPTER 208 IS CREATED TO READ AS FOLLOWS:

(1) If in its decree the juvenile session of district court finds that the child comes within the purview of subsections (1) or (2) of KRS 208.020, the court may, by order:

(a) Place the child on probation or under supervision in his own home or in a suitable family home or boarding home, upon such conditions as the court shall determine. Probation or supervision shall not be ordered or administered as a punishment, but as a measure for the protection, guidance and well-being of the child and his family. A child so placed on probation or supervision shall be subject to the visitation and supervision of a probation officer or a child welfare worker. Probation and supervision methods shall be directed to the discovery and correction of the basic causes of maladjustment and to the development of the child's personality and character, with the aid of the social resources of the community. A child so placed on probation or supervision shall remain subject to the jurisdiction of the court until he becomes eighteen (18) years of age, unless he is discharged prior thereto by the court; provided, however, that a child so placed on probation or supervision may remain subject to the jurisdiction of the court until the age of nineteen (19) for the limited purpose of making state and federal educational programs available to him, if after reaching the age of eighteen (18) he indicates to the judge of the juvenile session of district court in open court that he so desires.

(b) Commit the child to the custody or guardianship of the cabinet or of a private institution or public agency authorized to care for such children, or place the child under the custody and the supervision of a suitable person. All orders of commitment may include such advisory recommendations as the court may deem proper in the best interests of the child and of the public. Such commitment or placement shall be until the age of eighteen (18) subject to the power of the court to terminate the order and discharge the child prior thereto except that the commitment or placement may be until the age of twenty-one (21) if the child after reaching the age of eighteen (18) indicates to the judge of the juvenile session of district court in open court that he so desires. The extension of the commitment or placement beyond the age of eighteen (18) to age twenty-one (21) shall be for the limited purpose of making state and federal educational programs available to the child. The governing authorities of said cabinet, agency or institution may likewise discharge the child unless the court directs otherwise. Prior to said discharge two (2) weeks' notice must be given to the committing court, to the legal representative of the child and to the county attorney of the county in which committing court presides. During the period of commitment or placement, the court may review a dispositional order and may modify or terminate such order as the court deems essential to the best interests of the child. In committing a child to a private institution or agency the court shall select one that is approved by the cabinet for human resources and children committed to such an institution or agency shall be subject to the visitation and supervision of a probation officer or child welfare worker.

(2) In the event a child who has not reached his eighteenth birthday commits a new offense while under the jurisdiction of the court or during the period of commitment the court shall have exclusive, original jurisdiction of the new offense.

(3) After a child has been disposed of as provided in paragraph (a) or (b) of subsection (1) of this section he may not then be transferred to the circuit court as provided for in KRS 208.170.

(4) If a child sixteen (16) years of age or older has been adjudicated delinquent in the commission of an offense classified as a misdemeanor or violation, the court in its discretion may order as follows:

(a) Participation in a community services work program. The work program shall be of a constructive nature designed to promote the rehabilitation of the child. The program shall be appropriate to the age level and physical ability of the child and shall be combined with counseling from a probation officer or other responsible person. The work program shall not be scheduled during such times that would interfere with educational, occupational, or religious obligations of the child. Assignment to a community services work program shall be made to a governmental or nonprofit community organization for a specified period of time, not to exceed one hundred and twenty (120) hours for a child adjudicated delinquent in the commission of a Class A misdemeanor, not to exceed eighty (80) hours for a child adjudicated delinquent in

HCR 89, A CONCURRENT RESOLUTION directing the Legislative Research Commission, through the Interim Joint Committee on Health and Welfare, to study the provision of community-based mental health services in Kentucky.

WHEREAS, according to the President's Commission on Mental Health (1978), at least ten percent (10%) of the population, or 300,000 persons in Kentucky, need mental health services; and

WHEREAS, according to the Kentucky Mental Health Coalition, mental health services in rural areas in Kentucky are extremely limited; and

WHEREAS, according to a study conducted by the Washington Business Group on Health, the early utilization of out-patient mental health services often produces an "offset effect" which leads, not only to reductions in more costly health and social services utilization, job absenteeism, and employer health insurance premiums, but also to increased employe productivity and employe moral; and

WHEREAS, the lack of competition among qualified mental health providers results in limiting the consumers' choice of qualified mental health providers and in a majority of services being provided at the maximum cost;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Legislative Research Commission is directed, through the Interim Joint Committee on Health and Welfare, to study the provision of community-based mental health services in Kentucky.

Section 2. The study should include, but not necessarily be limited to: measuring the regional availability of community-based mental health services and qualified mental health providers; identifying the number of persons who are in need of mental health services as compared to the number of those who actually receive such services and the reasons therefor; identifying the cost and source of funding for mental health services provided; and comparing the reimbursement plans for mental health services in Kentucky to plans in other states.

Section 3. The Interim Joint Committee on Health and Welfare shall report its findings and recommendations to the Legislative Research Commission not later than January 1, 1985.

Section 4. Staff services to be utilized in completing this study are estimated to be $15,000. These services shall be provided from the legislative research commission budget and are subject to the limitations and other research responsibilities of the commission.

HCR 120, A CONCURRENT RESOLUTION concerning the Social Security Disability Insurance Benefit Program and Supplemental Security Income Program for Disabled Persons, urging the Cabinet for Human Resources to improve the fairness of the administration of these programs and directing the Legislative Research Commission, through the Interim Joint Committee on Health and Welfare, to study any action which should be taken by the Commonwealth to protect its disabled citizens.

WHEREAS, numerous citizens of Kentucky have had their disability benefits terminated since 1981 or are having difficulty in getting their claims promptly and fairly considered; and

WHEREAS, the U.S. Social Security Administration has terminated the benefits of individuals previously determined to be disabled without evidence of an improvement in their medical condition; and

WHEREAS, nationally two-thirds of those terminated who have appealed to an administrative law judge have had their disability benefits restored; and

WHEREAS, it is the announced policy of the U.S. Social Security Administration to ignore the controlling case law of the Sixth Circuit Court of Appeals, which requires that the opinion of a treating physician be given more weight than the opinion of a consulting physician who conducts examinations for the Social Security Administration; and further that in some cases a claimant's testimony of pain can provide grounds for a finding of disability and that a combination of impairments can be disabling even when they are not individually disabling; and

WHEREAS, the Division of Disability Determinations of the Kentucky Cabinet for Human Resources is responsible for the fair and lawful determination of persons medically eligible for the disability programs; and

WHEREAS, the majority of states have acted to protect their disabled citizens and Kentucky should also respond to insure the fairness of the administration of the disability programs;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. That there be a moratorium on further terminations of disability benefits in Kentucky until such time as the United States Congress enacts a comprehensive reform of the disability program such as that currently embodied in Congressional bills H. R. 4170 and S. 476.

Section 2. The Kentucky Cabinet for Human Resources is urged to adopt and utilize a regulation providing that recipients of disability benefits cannot have those benefits terminated unless there is substantial evidence that the recipient's medical condition has improved or was not as serious as first supposed.

Section 3. The Kentucky Cabinet for Human Resources is urged to adopt and utilize a regulation requiring that the decisions of the Division of Disability Determinations be consistent with the controlling case law of the Sixth Circuit Court of Appeals concerning the disability programs.

Section 4. The Legislative Research Commission is directed, through the Interim Joint Committee on Health and Welfare, to study the federal and state administration of the Social Security Disability Insurance Benefit Program and the Supplemental Security Income Program for Disabled Persons.

Section 5. The study should include, but not necessarily be limited to, the identification of any action which needs to be taken by the Commonwealth to protect its disabled citizens and to achieve greater fairness in the administration of the disability programs.

Section 6. The Interim Joint Committee on Health and Welfare shall report its findings and recommendations to the Legislative Research Commission not later than November 30, 1984.

Section 7. Staff services to be utilized in completing this study are estimated to be $5,000. These services shall be provided from the regional commission budget and are subject to the limitations and other research responsibilities of the commission.

The bonds herein provided for shall be direct obligations of the Commonwealth of Kentucky, and the full faith and credit of the Commonwealth hereby is pledged for the payment of said bonds and the interest thereon. In order to provide for the payment of the principal of all of said bonds at their maturity and the interest thereon annually as same shall accrue, there shall be levied and collected in each of the thirty (30) years from January 1, 1957, to January 1, 1987, taxes for the benefit of the state road fund in the form of license, excise taxes and fees relating to registration, operation and use of vehicles on public highways and excise taxes, use and license taxes relating to gasoline and other motor fuels used upon the public highways in Kentucky at rates not less than the rates now imposed by law or so adjusted as to produce for the road fund not less than the amount now derived from all of such taxes. All funds derived from such taxes hereby are appropriated to the extent necessary for the payment of the principal and interest on said bonds. From the funds derived from said taxes in each year, beginning January 1, 1957, there shall be set aside and held inviolable for that purpose, a fund sufficient to pay the principal and interest on said bonds in each year as and when due until all of said bonds and the interest thereon shall have been paid in full. In each year, after setting aside the funds hereinabove provided, the remainder of the funds derived from such taxes may be expended and used for the cost of administration, statutory refunds and adjustment, payment of highway obligations, costs of construction, reconstruction, right-of-ways, maintenance and repair of public highways, tunnels and bridges and the expense of enforcing state traffic and motor vehicle laws, provided that all the funds collected under KRS Chapter 138 and required by KRS 138.220, 138.565*(4)*[~~(2)~~] and 138.660*(4)*[~~(2)~~] to be set aside by the bureau of highways for the construction, reconstruction and maintenance of rural and secondary roads shall be first set aside and used for such purposes.

Section 18. KRS 136.120 is amended to read as follows:

(2) The property of such taxpayers shall be classified as operating property, nonoperating tangible property, and nonoperating intangible property. Nonoperating intangible property within the taxing jurisdiction of the Commonwealth shall be taxable for state purposes only at the same rate as the intangible property of other taxpayers not performing public services, and operating property and nonoperating tangible property shall be subject to state and local taxes at the same rate as the tangible property of other taxpayers not performing public services.

(3) The department of revenue shall have sole power to value and assess all of the property of every corporation, company, association, partnership, or person performing any public service, including those enumerated above and all others to whom this section may apply, whether or not such operating property, nonoperating tangible property, or nonoperating intangible property has heretofore been assessed by said department, and shall, except as provided in subsection (4) of this section, allocate such assessment as provided by KRS 136.170, and shall certify operating property liable to local taxation and nonoperating tangible property to the counties, cities, and taxing districts as provided in KRS 136.180. All of the property assessed by the department pursuant to this section shall be assessed as of December 31 each year for the following year's taxes, and the lien therefor shall attach as of such assessment date. Provided, however, that in the case of a taxpayer whose business is predominantly nonpublic service and the public service business in which he is engaged is merely incidental to his principal business, the department shall in the exercise of its judgment and discretion determine, from evidence which it may have or obtain, what portion of the operating property is devoted to the public service business subject to assessment by the department under this section and shall require the remainder of the property not so engaged to be assessed by the local taxing authorities.

(4)(a) The department of revenue shall likewise have sole power to value and assess all the property within the taxing jurisdiction of this commonwealth of every passenger, sleeping, freight, and private car company, which is hereby defined as any company, other than a railroad company, which owns, uses, furnishes, leases, rents, or operates to, from, through, in or across this state or any part thereof, any kind of railroad car including but not necessarily limited to flat, tank, refrigerator, passenger, or similar type car. The department shall not certify the assessment of the rolling stock of such companies to any county, city, or taxing district, but shall apportion and certify the operating property, other than rolling stock, to the counties, cities, and taxing districts where such property is located. On or before November 1, 1984, and each year thereafter, the department of revenue shall establish the state tax rate for rolling stock of private car lines based on average tax rate for tangible personal property except motor vehicles, within the Commonwealth subject to state, county, school and applicable city levy. The rolling stock of such companies shall be taxable for state purposes only and shall not be subject to taxation by a county, city, or other taxing district.

(b) The property of taxpayers within the meaning of paragraph (a) of this subsection shall likewise be classified as operating property, nonoperating tangible property, and nonoperating intangible property. The nonoperating intangible property of the companies within the meaning of this subsection which are within the taxing jurisdiction of the Commonwealth shall be taxable for state purposes at the same rate as the intangible property of nonpublic service taxpayers.

Section 2. KRS 278.190 is amended to read as follows:

(1) Whenever any utility files with the commission any schedule stating new rates, the commission may, upon its own motion, or upon complaint as provided in KRS 278.260, and upon reasonable notice, enter upon a hearing concerning the reasonableness of the new rates.

(2) Pending such hearing and the decision thereon, and after notice to the utility, the commission may, at any time before said schedule becomes effective, suspend the operation of said schedule and defer the use of such rate, charge, classification or service, but not for a longer period than *ten (10)* [~~five (5)~~] months beyond the time when it would otherwise go into effect; and after such hearing, either completed before or after the rate, charge, classification or service goes into effect, the commission may make such orders with reference thereto as it deems proper in the matter. If the proceeding has not been concluded and an order made at the expiration of such *ten (10)* [~~five (5)~~] months the utility may place the proposed change of rate, charge, classification or service in effect at the end of such period after notifying the commission, in writing, of its intention so to do. Where increased rates or charges are thus made effective, the commission may, by order, require the interested utility or utilities to maintain their records in such manner as will enable them, or the commission, or any of its customers, to determine the amounts to be refunded and to whom due in the event a refund is ordered, and upon completion of the hearing and decision may, by further order, require such utility or utilities to refund to the persons in whose behalf such amounts were paid such portion of such increased rates or charges as by its decision shall be found unreasonable. Provided, however, if the commission, at any time, during said *ten (10)* [~~five (5)~~] months' suspension period, finds that the company's credit or operations will be materially impaired or damaged by the failure to permit said rates to become effective during said *ten (10)* [~~five (5)~~] months' period, said commission may, after any hearing or hearings, permit all or a portion of said rates to become effective under such terms and conditions as the commission may, by order, prescribe.

(3) At any hearing involving the rate or charge sought to be increased, the burden of proof to show that the increased rate or charge is just and reasonable shall be upon the utility and the commission shall give to the hearing and decision of such questions preference over other questions pending before it and decide the same as speedily as possible, and in any event not later than *twelve (12)* [~~ten (10)~~] months after the filing of such schedules.

(4) In the event the commission, by order, directs any utility to make a refund, as hereinabove provided, of all or any portion of such increased rates or charges, the utility shall make the same within sixty (60) days after a final determination of the proceeding by an order of the court or commission with or without interest in the discretion of the commission. If the utility fails to make such refund within sixty (60) days after such final determination, any party entitled to such refund may, after ten (10) days' written demand, bring an action therefor in any court of competent jurisdiction of this state, and may recover, in addition to the amount of the refund due, legal interest, court costs and reasonable attorney's fees. No such action may be maintained unless instituted within one (1) year after such final determination. Any number of persons entitled to such refunds may join in as plaintiffs in a single action and the court shall render a judgment severally for each plaintiff as his interest may appear.

1985-86 .... $942,294,700

Accumulated earnings for the Common School Fund shall each fiscal year be transferred to the School Foundation Program.

Funds appropriated to the School Foundation Program shall be allotted to school districts in accordance with KRS 157.310 through 157.430 and 157A.090, except that the total of the funds allotted shall not exceed the appropriations for this purpose except as provided in this Act. If funds appropriated to the School Foundation Program are insufficient to provide the amount of money required under KRS 157.390(6), allotments to local school districts shall be reduced in accordance with KRS 157.430.

The amount to be included for the 1984-85 school year in the Foundation Program of a district for teachers' salaries shall be determined by multiplying the number of teachers in each rank, not to exceed the number of classroom units allowed, by the amount set forth in the following schedule, for a term of 185 days for each rank:

Rank	I	II	III	IV	V
Experience					
0-3 years	$18,470	$16,530	$14,580	$12,560	$11,580
4-9 years	20,400	18,470	16,530	12,560	11,580
10 years & over	22,160	20,210	18,270	12,560	11,580

Beginning with the school year 1985-86, the amount to be included in the Foundation Program of a district for teachers' salaries shall be determined by multiplying the number of teachers in each rank, not to exceed the number of classroom units allowed, by the amount set forth in the following allotment schedule, for a term of 185 days, for each rank:

Rank	I	II	III	IV	V
Experience					
0-3 years	$19,390	$17,360	$15,300	$13,190	$12,160
4-9 years	21,420	19,390	17,360	13,190	12,160
10 years & over	23,270	21,220	19,180	13,190	12,160

No working budget or salary schedule shall be approved in which the average salary paid any rank of teachers is not at least equivalent to the allotment for that rank, or in which any teacher is paid less than ninety-three percent (93%) of the School Foundation Program allotment for that rank for full time service during the regular school year or the allotment under KRS 157.390(2) shall be reduced by an amount equal to the amount by which the district failed to meet salary requirements, except where there is a decline in local revenue of the district concerned after it has levied the maximum ad valorem property tax rate permitted by law. Any such reduction permitted shall be only for the amount of the decline in local revenue.

In the event any local board of education contends there has been a decline in local tax resources in that district, the State Board of Education shall certify such contention to the Department of Revenue. Said department shall then determine whether there has, in fact, been a decline in local tax resources of such district, and, if so, the amount of such decline. The Department of Revenue shall then certify its determination to the State Board of Education, and said Board shall accept such certified determination as final.

The State Board of Education shall not approve any working budgets or salary schedule summaries for local boards of education for the school years 1984-85 and 1985-86 in which the total amount for 185 days on the salary schedule summary for School Foundation Program teachers' instructional salaries is not equal to the amount for 185 days on the salary schedule summary for School Foundation Program teachers' instructional salaries in the preceding year, plus the additional amount for teachers' salaries received by the district under this appropriation for a 185 day school term by assuming the same classroom units and rank and experience of teachers in the current year as in the preceding year in each local school district.

Local school district personnel who are employed beyond the regular school term of 185 days shall be so employed in accordance with the provisions of KRS 157.390(2)(a) and 702 KAR 1:020, except that for purposes of calculation of salary allotments under the Foundation Program, the number of days of employment beyond 185 days shall be established in regulations promulgated by the State Board of Education upon recommendation by the Superintendent of Public Instruction, and funding for these extended employment days shall not exceed $19,820,000 in fiscal year 1984-85 and $19,820,000 in fiscal year 1985-86.

The allotment of any school district classroom units, pursuant to KRS 157.360(1) shall not exceed the number of teachers employed by that school district.

Notwithstanding the provisions of KRS 157.360(2), the allotments to school districts of basic classroom units for grades one (1) through three (3) shall be made on the basis of one for every twenty-five (25) pupils in average daily attendance. The allotments of basic classroom units for grades four (4) through twelve (12) shall be made on the basis of one for every twenty-seven (27) pupils in average daily attendance.

Notwithstanding the provisions of KRS 157.360(5), (6), and (10) the allotments, provision for which is made under this Act, for classroom units shall be as follows:

	1984-85	*1985-86*
Vocational Education	2,858	2,858
Exceptional Children	4,210	4,210
Kindergarten	1,072.6	1,291.8

Provided, however, that if the budgeted units in any category of classroom units -- Vocational Education, Exceptional Children, Kindergarten, classroom units for elementary and secondary schools, and units related to school administration -- prove to be excessive, the surplus may be reallocated to any other category or categories by the Superintendent of Public Instruction, upon the approval of the State Board of Education and the Secretary of the Finance and Administration Cabinet.

Kindergarten units shall be allotted in fiscal year 1984-85 and fiscal year 1985-86 on the basis of one for every two classes with 20 pupils in average daily attendance in each class.

The allotments of basic classroom units shall be made on the average daily attendance (ADA) for the end of the previous school year in public school grades one (1) through twelve (12) after the following deductions, notwithstanding the provisions of KRS 157.360(2): (a) an average daily attendance of nine and six-tenths (9.6) in fiscal year 1984-85 and in fiscal year 1985-86 shall be deducted for each vocational education unit allotted, and (b) an average daily attendance of seven and two-tenths (7.2) in fiscal year 1984-85 and in fiscal year 1985-86 shall be deducted for each exceptional children unit allotted.

The Superintendent of Public Instruction shall enforce the limited class size of 25 in average daily attendance of grades kindergarten through three (3) on a district-wide basis for each local school district.

Notwithstanding the provisions of KRS 157.360(7)(a), the total number of administrative and special instructional services (ASIS) units allotted under KRS 157.360(7) shall be the sum of the total allotted number of basic units, kindergarten units, vocational units, and exceptional children units divided by 9.

The State Board of Education shall promulgate regulations upon the recommendation of the superintendent of public instruction which shall cause ASIS units to be allocated with first priority given to funding units required for accreditation, and second priority given to adding units for classroom instruction. The third priority of funding shall be given to other needs for ASIS units in local school districts.

Allotments for ASIS classroom units pursuant to KRS 157.360(7) shall only be for those personnel who are qualified for their respective positions under applicable provisions of law and regulations and who maintain programs which have been approved pursuant to applicable regulations.

The amount to be included in the Foundation Program for other current expenses in the 1984-86 biennium shall be determined by multiplying the number of classroom units by: $4,336 in the 1984-85 school year and $4,553 in the 1985-86 school year.

The amount to be included in the Foundation Program for capital outlay shall be determined by multiplying the number of classroom units by: $1,800 in the 1984-85 school year and $1,800 in the 1985-86 school year.

In accordance with the intent of KRS 162.060 and 162.160, no space shall be rented, purchased, or otherwise acquired and thereafter converted to classroom use without prior approval of the Superintendent of Public Instruction. The State Board of Education may adopt regulations for the housing of school children. No facilities shall be approved for classroom use which are detrimental to the health of or dangerous to the safety of school children.

If a school district operates any school or grade of a school for a term of less than 185 days in accordance with KRS 158.070, or for a school day of less than the minimum required by KRS 158.060, the average daily attendance of such school shall be reduced proportionately by the Superintendent of Public Instruction in determining the allotment of classroom units.

Any undistributed balance in the Foundation Program fund at the end of the fiscal years 1984-85 and 1985-86 shall lapse to the General Fund except where provisions to the contrary are provided in this Act. No unexpended portions of the School Foundation Program fund shall be expended at any time for the purpose of KRS 156.610 through 156.650 except as identified in this Act.

The total appropriation for the School Foundation Program shall be measured by, or construed as, estimates of the state expenditures required by KRS 157.310 et. seq. If the required expenditures exceed these estimates, the Secretary of the Finance and Administration Cabinet, with approval of the Governor, may increase the appropriation by such amount as may be available and necessary to meet, to the extent possible, the required expenditures under the hereinabove cited sections of the Kentucky Revised Statutes; provided, however, that any such increase, of the total appropriation to the Foundation Program is subject to Part VI, General Provisions, Section 8, of this Act, and the provisions of KRS 45.160.

Included in this appropriation is $76,166,500 in fiscal year 1984-85 and $79,966,500 in fiscal year 1985-86 for the costs of transporting pupils to and from school. Calculations of the allotments of pupil transportation funds to school districts shall be made in accordance with KRS 157.370 and 157A.090, except that the total of the funds allotted under KRS 157.390(5) shall not exceed $76,165,500 in fiscal year 1984-85 and $79,966,500 in fiscal year 1985-86; provided, however, that these sums may be increased by any excess funds appropriated for the School Foundation Program, but no such increases shall exceed the total transportation cost calculated in accordance with KRS 157.370 and 157A.090, subject to the approval of the Superintendent of Public Instruction and the Secretary of the Finance and Administration Cabinet, except where provisions to the contrary are stated in this Act.

In the event that the funds appropriated for pupil transportation in fiscal 1984-85 and fiscal year 1985-86 are insufficient to provide allotments to local school districts in accordance with KRS 157.370 and 157A.090, notwithstanding KRS 157.430, the allotments of funds for pupil transportation only to local school districts shall be ratably reduced without reducing other allotments under this appropriation.

Receipts which are received by each of the respective agencies of the State Government listed herein shall be placed to the credit of a Federal Fund out of which shall be established separate accounts for the use and benefit of these agencies of the State Government for purposes for which each fund is authorized. All funds received shall be deposited in the State Treasury and credited to the proper account as provided by KRS chapter 12, 42, 45, and 48.

In the event receipts received and credited to any Federal Fund account during fiscal year 1984-85 or fiscal year 1985-86, and any balance forwarded to the credit of any such account from the previous fiscal year, exceed, by the sum of five percent, the appropriation made by specific sum to said account for the fiscal year in which the excess occurs, said excess shall become available for expenditure for the purpose of the account during said year only with the authorization of the Executive Director of the Governor's Office for Policy and Management upon approval of the Secretary of the Finance and Administration Cabinet; provided, however, that institutions of higher education may receive and expend all Federal funds without limitation.

On or before the beginning of each fiscal year, each agency, other than institutions of higher education, shall submit to the Finance and Administration Cabinet and the Legislative Research Commission schedules for each budget unit showing estimated receipts and estimated expenditures for the ensuing fiscal year, a comparison of any revised estimates with the amounts provided in the Executive Budget as adopted by the 1984 General Assembly, and statements which explain the occurrence of such variances.

In the event a budget unit not listed herein receives unanticipated monies, the Secretary of the Finance and Administration Cabinet, upon written request from the agency head with appropriate documentation of the amount, source, purpose, necessity and use of such monies, may authorize, upon recommendation of the Governor's Office for Policy and Management the credit and expenditure of such funds for statutory purposes. 1. Various Projects		
Road Fund	150,000	450,000
2. Woodford County Maintenance Facility		
Road Fund	300,000	

In the event that any authorized capital construction and/or equipment purchase projects are cancelled it is the intent of the General Assembly that any appropriated debt service for those same projects shall remain unallotted and lapse to the credit of the General Fund. Those projects set forth under the sub-heading "higher education" are subject to the action and approval of the Council on Higher Education and subject to approval of the Finance and Administration Cabinet. The provisions of KRS 45.750 through 45.990 notwithstanding, it is the intent of the General Assembly that capital construction projects at institution of higher education involving no state or federal funds, may be authorized between Regular Sessions of the General Assembly, providing that such projects receive prior approval from both the Council on Higher Education and the Secretary of the Finance and Administration Cabinet, and that the Capital Construction and Equipment Purchase Oversight Committee receives prior notification.

Notwithstanding the provisions of KRS 45.770, the Capital Construction and Equipment Purchase Contingency Fund may be used to advance funds to projects authorized to be financed by bonds and may be used to finance feasibility studies for projects which may be contemplated for future funding. Roof repair or replacement projects shall be eligible for Emergency Repair, Maintenance, and Replacement Fund allotments, subject to the provisions of KRS 45.780.

Included in the above appropriation is an Economic Development bond authorization of $25 million for fiscal year 1985-86. Before any economic development bonds are issued, the proposed bond issue and the proposed project shall be approved by the Secretary of the Finance and Administration Cabinet and submitted to the Capital Construction and Equipment Purchase Oversight Subcommittee for review under the provisions of KRS 45.750-45.800.

Inasmuch as the identification of specific projects in a variety of areas of the State Government cannot be ascertained with absolute certainty at this time, it is the purpose and intent of the General Assembly, the provisions of KRS 45.750 through 45.990 notwithstanding, to appropriate amounts for specific purposes to projects which are not individually identified herein in the following areas: Repair of State-Owned Dams, Economic Development Projects, Handicapped Access, and Fire and Life Safety projects. Any such projects estimated to cost over $200,000 and equipment estimated to cost over $50,000 shall be reported to the Capital Construction and Equipment Purchase Oversight Subcommittee.

All monies transferred to the Finance and Administration Cabinet for capital construction from any appropriations, including income from investments, shall be expended, accounted for, and otherwise treated in the same manner as funds appropriated directly to the Finance and Administration Cabinet for capital construction.

PART VI
GENERAL PROVISIONS

1. Except as otherwise explicitly authorized by this Act, nothing in this Act shall be construed to repeal any appropriation made hereinbefore or hereinafter for the fiscal year ending June 30, 1984, and nothing in this Act is to be construed as amending or altering the provisions of Chapters 42, 45, and 48 of the Kentucky Revised Statutes pertaining to the duties and powers of the Secretary of the Finance and Administration Cabinet. All questions that arise in interpreting any appropriation in this Act as to the

purpose or manner for which such appropriation may be expended shall be decided by the Secretary of the Finance and Administration Cabinet in pursuant to KRS 48.500 and the decision of the Secretary of the Finance and Administration Cabinet shall be final and conclusive.

2. In enacting this Appropriation Act, it is the deliberate intention of the General Assembly to enact each section, and each subsection thereof as a separate and/or specific appropriation and law, and if any section, any subsection, or any provision thereof shall be held invalid or unconstitutional, the decision of the courts shall not affect or impair any of the remaining sections, subsections, or provisions contained herein.

3. The Secretary of the Finance and Administration Cabinet is authorized to establish a system or formula or a combination of both for pro-rating the administrative costs of the Finance and Administration Cabinet, and the Departments of Treasury and Law relative to the administration of programs in which there is joint participation by the State and Federal Governments for the purpose of receiving the maximum amount of participation permitted under the appropriate Federal laws and regulations governing such programs.

4. All continuing appropriations in existence at the time this Act takes effect are discontinued and repealed by this Act, notwithstanding any provisions of the Kentucky Revised Statutes to the contrary, except as provided by Chapters 12, 42, 56, 152, 177 and 341 of the Kentucky Revised Statutes. All laws and portions of laws in conflict with any of the provisions of this Section, to the extent of such conflict, are hereby repealed.

5. No state agency, cabinet, department, office, or program shall incur any obligation against the General Fund appropriations contained herein unless such obligation may be reasonably determined to have been contemplated in the enacted budget and is supported by appropriate work papers and other records pertaining thereto.

6. Any General Fund appropriation made herein in anticipation of a lack, loss, or reduction of Federal grants shall lapse to the General Fund to the extent such Federal funds otherwise become available.

7. Whereas, inasmuch as the finances of the Commonwealth cannot be ascertained with absolute certainty at this time, and since the actual needs of each officer, cabinet, department, board, commission, institution, agency, or other activity or subdivisions of state government can only be anticipated and not finally determined by the General Assembly, and since the total amount of revenue accruing to the General Fund and to the Road Fund and accruing from various fees or from Federal funds from which appropriations are made can only be anticipated as being produced through existing laws and those that may hereafter be enacted, and recognizing the complex nature of the economy, it is the purpose and intention of this Act that the expenditures for each fiscal year shall not exceed the total financial resources accruing to any Fund, as defined in KRS Chapter 45, for the same fiscal year. As the conditions cannot be fully determined until after the adjournment of the 1984 General Assembly, and as the needs of each officer, cabinet, department, board, agency, commission, institution, subdivision, or activity of state government, together with the total financial resources accruing to the General Fund and the Road Fund cannot be fully determined at this time, it is the intention and purpose of this General Assembly that the Secretary of the Finance and Administration Cabinet, with the advice of the Secretary of the Revenue Cabinet, upon approval of the Governor of the Commonwealth, is authorized, empowered, and directed to ascertain and determine the needs of each officer, cabinet, department, board, commission, institution, subdivision, agency, or other activity of state government and to ascertain the total financial resources anticipated to be accrued to the General Fund and the Road Fund of the Commonwealth, and upon the ascertainment and determination of said facts, he, the Secretary of the Finance and Administration Cabinet, in the manner set forth as provided by general law, is authorized, empowered, and directed by the General Assembly to prevent an overdraft or deficit in any fiscal year for which appropriations are herein made, by equitably reducing pursuant to KRS 48.130 and KRS 48.600, according to needs, without discrimination, the appropriations herein made from the General Fund and Road Fund to each officer, cabinet, department, board, commission, institution, subdivision, agency, or other activity in state government, provided, however, that the power invested shall not permit any reduction of the appropriations of any officer, cabinet, department, board, commission, institution, subdivision, agency, or other activity of state government that will actually impair the necessary constitutional functions of such agency or activity, the operations and functions of which are determined to be necessary constitutional functions of state government.

8. The Secretary of the Finance and Administration Cabinet shall cause the Governor's Office for Policy and Management, within forty-five days upon adjournment of the 1984 General Assembly, to prepare a final budget document based upon the Executive Budget proposal as enacted by the 1984 General Assembly as well as other acts which provide appropriations for the 1984-86 biennium and based upon supporting documentation and legislative records as considered by the 1984 General Assembly. This document shall include for each agency and budget unit a consolidated budget summary statement of available regular and continuing appropriated revenue by fund source, corresponding appropriation allocations by program or subprogram as appropriate, budget expenditures by principal budget class and such other fiscal data and commentary considered necessary by the Governor's Office for Policy and Management

for budget execution and oversight. The enacted budget document and any adjustments thereto approved by the Governor's Office for Policy and Management and any supporting documents shall be communicated to the Interim Joint Appropriations and Revenue Committee on a regular basis.

9. In the event that any authorized capital construction and/or equipment purchase projects are cancelled it is the intent of the General Assembly that any appropriated debt service for those same projects shall remain unallotted and lapse to the credit of the General Fund.

10. Notwithstanding KRS 143.090, it is the intent of the General Assembly that the Secretary of the Transportation Cabinet shall use Road Fund resources to meet the lease rental payments to the Kentucky Turnpike Authority for Resource Recovery Road projects in the amount certified by the Secretary of the Transportation Cabinet. However, in the event that Road Fund resources are not sufficient to meet lease rental payments, the additional amount required for meeting lease rental payments as certified by the Secretary of the Transportation Cabinet under KRS 143.090 shall be transferred from coal severance tax receipts to cover the obligation.

11. The General Assembly recognizes that during fiscal year 1982-83 and fiscal year 1983-84, the General Fund revenues of the Commonwealth were less than the estimates upon which appropriations for those fiscal years were made by Part I, Chapter 398, of the 1982 Acts of the General Assembly. The General Assembly acknowledges that as a result of shortfalls in the revenues during the biennium for which funds were appropriated by the 1982 General Assembly the Secretary of Finance as directed by Paragraph 8, Part VI, Chapter 398, of the 1982 Acts of the General Assembly took action to prevent an overdraft or deficit in the finances of the Commonwealth through the reduction of appropriations made by PART I, Chapter 398, of the 1982 Acts of the General Assembly, and by various other actions, all as set forth in and provided by Orders 83-325 and 84-160 of the Secretary of Finance and Administration, which Orders are permanent records of the Commonwealth, on file in the Governor's Office for Policy and Management.

It is the intent of the General Assembly herein to ratify and confirm the appropriation levels appearing in Orders 83-325 and 84-160 of the Secretary of Finance and Administration as the General Fund appropriations for fiscal year 1982-83 and fiscal year 1983-84, respectively, for the offices, boards, commissions, institutions, subdivisions and agencies of the Government of the Commonwealth of Kentucky, except so much thereof as relates to the appropriation to the Local Government Economic Assistance Fund for fiscal year 1983-84, which sum shall be determined as provided by KRS 45.450; it is the further intent of the General Assembly herein, the provisions of any other law of the Commonwealth to the contrary notwithstanding, to ratify and confirm the advances, transfers and lapsing to the General Fund of all non-General Fund monies as identified in said Orders 83-325 and 84-160 of the Secretary of the Finance and Administration, and to that end, the General Assembly hereby expressly ratifies, adopts, and enacts the appropriation levels contained in said Orders 83-325 and 84-160, including those provided for the Foundation Program as set forth and contained in KRS Chapters 157 and 157A and in Chapter 398 of the 1982 Acts of the General Assembly, as the appropriations for the offices, boards, commissions, institutions, subdivisions, and agencies of the Government of the Commonwealth for fiscal year 1982-83 and fiscal year 1983-84, and to the extent in conflict therewith the appropriation levels set forth in Part I, Chapter 398 of the 1982 Acts of the General Assembly shall be read as conforming to the levels of appropriation hereby enacted.

12. Pursuant to KRS 48.140, there is hereby established a surplus expenditure plan for the Executive Branch of government for fiscal year 1984-85 and fiscal year 1985-86. This plan is for the expenditure of excess General Fund and Road Fund tax receipts above the General Fund and Road Fund estimates upon which the Executive Branch Budget is recommended.

A Surplus Reserve Trust Fund is hereby established. In the event General Fund tax receipts exceed the official estimates in fiscal year 1984-85 and/or in fiscal year 1985-86 by an amount not greater than two and one-half percent (2.5 percent) of the estimate, the Surplus Reserve Trust Fund shall be appropriated 97.0 percent of the General Fund excess amount in fiscal year 1984-85, and shall be appropriated 97.1 percent of the General Fund excess amount in fiscal year 1985-86.

The Surplus Reserve Trust Fund shall be used in the event actual General Fund receipts during the 1984-85 fiscal year or the 1985-86 fiscal year are not sufficient to meet the General Fund appropriation levels authorized in this Act.

All allotments and expenditures from the Surplus Reserve Trust Fund are to be approved by the Governor of the Commonwealth upon the recommendation of the State Budget Director. No allotment or expenditure from the Surplus Reserve Trust Fund may be made prior to notification of such allotment or expenditure to the Interim Joint Committee on Appropriations and Revenue. In no event, however, shall such allotment or expenditure to any budget unit result in a General Fund expenditure level greater than any appropriation elsewhere in this Act. In addition, allotments from the Surplus Reserve Trust Fund may also be made for expenditures deemed to be Necessary Government Expenses.

In the event the Road Fund tax receipts exceed the estimates, any excess receipts up to two and one-half percent (2.5 percent), are hereby appropriated to the Road Fund for inclusion in the Transportation Cabinet's annual budget and subject to the annual budget process contained in Part IV, Road Fund.

13. Whereas funds are recommended for appropriation for the operation, maintenance, and

support of the Executive Branch of the government of the Commonwealth for fiscal year 1984-85 based on a General Fund revenue estimate of $2,588,640,000 and a Road Fund estimate a $462,550,000; and,

Whereas funds are recommended for appropriation for the operation, maintenance, and support of the Executive Branch of the government of the Commonwealth for fiscal year 1985-86 based on a General Fund revenue estimate of $2,881,780,000 and a Road Fund estimate of $475,300,000; and

Whereas the General Fund monies recommended for appropriation for the Executive Branch of the government represent 97.0 percent of the total revenue estimate for fiscal year 1984-85 and 97.1 percent of the total revenue estimate for fiscal year 1985-86, across the board cutback of the budget reduction plan shall be based pursuant to KRS 48.130 on an aggregate 8.9 percent in fiscal year 1984-85 and an aggregate across the board cutback of 9.2 percent in fiscal year 1985-86 after having exempted the following agencies for either constitutional reasons or policy purposes.

Pursuant to KRS 48.130, there is hereby established a budget reduction plan for the executive branch of government for fiscal year 1984-85 and fiscal year 1985-86. This plan shall be for reduction in the respective budget recommendations for the various Executive Branch agencies of state government when projected tax receipts accruing to the General Fund and/or the Road Fund are at least 2 1/2 percent but not more than 5 percent less than the revenue estimates for these funds as determined by the official revenue estimate of the Secretary of the Revenue Cabinet of January 19, 1984, and amended by his January 23, 1984, correspondence.

For constitutional reasons, the following appropriation units of the Executive Branch of state government are exempted from the budget reductions: Lieutenant Governor, Secretary of State, Board of Elections, Treasurer, Department of Law, Auditor of Public Accounts, County Costs, General Obligation Bonds, Unified Prosecutorial System, and Miscellaneous Appropriations.

For policy purposes, because of the fixed cost debt service payments included within a number of the Executive Branch budget units, debt service appropriations are exempted from the budget reduction plan.

In addition, the following appropriation units of state government are exempted by gubernatorial policy determination because of the essential services provided by these units: the Department of Education's School Foundation Program, and the Department of Education's Power Equalization Program.

All other appropriation units and areas of state government will be subject to the budget reduction plan and will be subjected to the across-the-board percentage cutback as indicated in this Part of the Executive Branch Appropriations Bill.

(1) "Adjusted cost" as used in this section and in KRS 342.475 means all liability incurred for compensation, hospital and medical benefits to be paid pursuant to this chapter, except that any employer defined in KRS 342.630(2) may compute "adjusted cost" on the basis of benefits paid rather than liability incurred. "Adjusted cost" [~~for all employers~~] shall include an additional factor of twelve percent (12%) of such total liabilities or benefits paid. Each *insurer,* self-insured group and [~~each~~] employer carrying his own risk shall annually furnish payroll data and other information required to calculate "adjusted cost" to the department of revenue. *The commissioner of the department of revenue shall make these reports of data and information available to the workers' compensation board and the Kentucky special fund indemnity association for their use in the performance of their statutory duties. The reports and data so furnished, together with all copies and summaries thereof and extracts therefrom, shall not constitute public records for purposes of KRS 61.870(2).*

(2) In addition to the taxes and assessments imposed by KRS 342.450 and 342.475, a special fund tax at the rate of three-fourths (3/4) of one percent (1%) of the amount of premiums received shall be paid by every insurance carrier as defined in KRS 342.445, subject to the credits therein set out, and the department of revenue shall assess against the "adjusted cost" of every employer carrying his own risk a special fund tax computed by taking three-fourths (3/4) of one percent (1%) of the "adjusted cost" determined as provided in KRS 342.475. The provisions of KRS 342.450, 342.455, 342.460, 342.465 and 342.470 shall, so far as applicable, also apply to the levy and collection of such additional tax of three-fourths (3/4) of one percent (1%) of such premiums of insurance carriers.

(3) All taxes and assessments *collected by the department of revenue* imposed by [~~subsection (2) of~~] this section *and all funds received from the Kentucky special fund indemnity association pursuant to KRS 342.123(5)(a)1.* shall be paid into the state treasury and shall be credited to the special fund [~~and the Kentucky reinsurance association~~] and shall be used only for awards of compensation made by the board and chargeable against the special fund, expenses of legal representation thereof, fees *and*[~~,~~] expenses of the physicians in connection therewith, and *for the legal defense and administrative services provided by the division of the special fund, which shall defend all claims against the special fund for benefits under this chapter and shall*

process and make payment of awards to be paid by the special fund as ordered by the workers' compensation board [~~expenses in connection with reinsurance obtained for the special fund~~] and shall be withdrawn for that purpose under the supervision of the secretary of finance, *provided that the commissioner of labor shall supervise the expenditure of budgeted administrative and current claims payment funds, and the secretary of finance and administration shall periodically transfer such amounts from the special fund to the administrative and current claims account as required to meet such expenditures.*

(4) *Interest and investment income earned on special fund balances in the state treasury shall be credited to the special fund.* Any sum remaining in the special fund at the end of any fiscal year shall be set up by the finance and administration cabinet to the credit of such fund for the next ensuing fiscal year.

(5) *The secretary of finance shall complete an annual review of the special fund on or before April 1 of each year; and*

(a) For liabilities for injuries and occupational diseases incurred on or after July 1, 1983:

1. If on *such* [~~an~~] annual review [~~of the special fund~~] the secretary of finance finds that the *three-fourths of one percent (.075%)* special fund tax to be levied pursuant to this section may be insufficient to pay prospective amounts which may be awarded under the special fund provisions, *for claims arising in the annual period beginning with the next succeeding July 1,* he shall advise the Kentucky *special fund indemnity* [~~reinsurance~~] association in writing of such fact and shall further request [~~and give specifications for~~] the association to make a *projection of the cost of assuming such* [~~proposal for reinsuring the~~] liabilities of the special fund and *to make a proposal* for distributing the cost [~~of such reinsurance~~] to the subscribers of the association *based on the "adjusted cost" of every subscriber, unless the proposal sets forth another basis of cost distribution that the board of directors of the association finds to be more equitable than "adjusted cost".* The *association's projection shall* [~~proposal will~~] contain *an evaluation of the liabilities to be assumed and an estimated* [~~a total~~] cost for such *assumption of liabilities by the association* [~~reinsurance~~], including the administrative costs of making benefit payments and collecting *assessments* [~~premiums~~] from subscribers. *The projection shall also contain a detailed description of the investment income policies and assumptions underlying the estimated cost amount.* [~~The total cost of reinsurance shall be distributed among the subscribers based on the "adjusted cost" of every subscriber unless the proposal sets forth another basis of cost distribution that the secretary of finance finds to be more equitable than "adjusted cost."~~]

2. The secretary *of finance, the commissioner of labor and the association* [~~of finance shall then advertise for bids from qualified bidders for reinsurance of the liabilities of the special fund as set out in the proposal of the Kentucky reinsurance association.~~

~~3. If no other qualified bidder offers an arrangement more advantageous than that proposed by the Kentucky reinsurance association, the secretary~~] shall enter *into* an agreement for *direct and complete assumption* [~~reinsurance~~] of the special fund liabilities *by* [~~with~~] the association [~~as specified in the original written request~~]. *The agreement shall specify the complete details of any investment program intended for the loss and expense reserves for claims covered by the contract, and shall allow the association, at the discretion of its board of directors, to purchase insurance for any of the liabilities assumed and to enter into other agreements with third parties regarding the transfer of any risk of the association* [~~If another qualified bidder makes a bid more advantageous according to criteria established in the specifications, the secretary shall enter an agreement with such bidder for reinsurance of the special fund liabilities~~].

(b) For liabilities for injuries and occupational diseases incurred before July 1, 1983:

1. The secretary of finance, [~~and~~] the commissioner of labor *and the association* may *jointly* determine whether such liabilities could be *insured* [~~reinsured~~] or otherwise transferred [~~to the Kentucky reinsurance association~~] in a manner calculated to minimize the costs of such liabilities and the processing of payments in connection therewith, *and may contract with each other or with third parties to effect such insurance or liability transfer. The association shall not directly assume such liabilities without the approval of its board of directors.*

2. If the secretary of finance and the commissioner of labor find that the special fund tax to be levied pursuant to this section is insufficient to pay such claims, they shall advise the commissioner of revenue in writing of such fact. The commissioner of revenue may then levy additional assessments against all insurance companies writing workers' compensation insurance in Kentucky, all self-insurance groups operating under this chapter, and every employer carrying his own risk. The amount of each assessment shall be in the proportion that each assessment payer's "adjusted cost" bears to the total "adjusted cost" of all assessment payers.

(6) Except for a two percent (2%) collection fee allowance, all moneys charged the insured for assessments and taxes *levied by the department of revenue* under this chapter and KRS Chapter 136 shall be paid into the state treasury and credited to the appropriate fund for which said assessment or tax is charged. In no case shall the moneys turned over be less than ninety-eight percent (98%) of the moneys charged.

[~~(7) The fund heretofore designated as the subsequent claim fund is abolished and there is substituted therefor the special fund as herein set out and all moneys and properties owned by the subsequent claim fund are transferred to the special fund.~~

Section 2. KRS 342.123 is amended to read as follows:

(1) *The Kentucky reinsurance association is hereby renamed the Kentucky special fund indemnity association.*

(2) For the purpose of *funding liabilities of* [~~providing reinsurance for~~] the special fund *in excess of the taxes and assessments collected pursuant to KRS 342.122 and to promote an effective means of controlling the costs of funding the assumed long-term liabilities thereof,* the Kentucky *special fund indemnity* [~~reinsurance~~] association is created as *an independent public* [~~a nonprofit~~] corporation *and de jure political subdivision of the Commonwealth* with all *customary* [~~the general~~] corporate powers incidental thereto *and as provided.* [~~Each insurance carrier authorized to write workers' compensation insurance, each self-insurance group operating under this chapter, and each individual self-insured employer operating under this chapter shall become a subscriber.~~]

(3) The association shall not engage in any business of a kind ordinarily carried on for profit nor shall it perform any particular services for individual persons. The association may assume only liabilities of the special fund and, in certain circumstances, may acquire insurance therefor in accordance with the more particular terms of this section and KRS 342.122. The association shall have the power:

(a) To sue and be sued, complain and defend, in its corporate name;
